The Fat Men's Convention.

We can see some pleasure, if no reason, in the convening of a baby | Bleak J G show, but we confess we could never see the slightest cause, reasonable or otherwise, for a fat men's | Crocker C convention, unless it be the fact that misery loves company. For Clinton J fifty or a hundred men, whose several weights range from two hundred to three hundred pounds, to Dyer DL hold a convention simply because of so much surplus avoirdupois, is absurd to say the least. It becomes doubly so when we reflect that obesity is a disease. What would we think of as many persons emaciated by consumption holding a convention to compare their relative weights. There is but one ground upon which we would advocate another fat men's convention, and that is that they will meet to discuss the merits at Allen's Anti-Fat, the only known remedy for obesity. It is safe and reliable. Sold by druggists.

TERRIBLY Exhausting are the Night Sweats which accompany consumption. But they, as well as the paroxysms of coughing, are invariable broken up by Dr. Wm. Hall's Balsam for the Lungs, which conquers the deadly malady, as well as bronchitis, pneumonia, pleurisy, asthma, diphtheria, and all other affections of the throat, lungs and chest. It saves thousands from untimely graves, and is invaluable in rescuing children from the croup, whooping cough, and quinzy. It is sold by all druggists.

A Feature of Superiority.

The superiority of WHITE'S PRIAIRIE FLOWER for diseases of the Stomach, Liver and Blood consists in its uniting harmoniously with the gastric juice, strengthening and enabling it at once to dissolve the food. If the gastric juice County, of jaundice, October 20, 1878, Elder is weak the food ferments, giving rise to sour stomach, sick headache, burning in the pit of the stomach, the patient also suffering from insufficient nutrition. It aids the Liver, over which it has a specific power, in filtering impurities from the blood. Its action on the kidneys is likewise salutary, increasing the secretions. As a blood purifier, by enriching the chyle, it is without a peer, curing some of the most obstinate and long-standing cases on record. It is pronounced by one and all The Great Blood and Liver Panacea. Price 25 cts. and 57 cts.
