ANOTHER RECORD IS ESTABLISHED

Jackie Clarke Pulled by Combination Pace Takes Nine Seconds Off.

TWO MILE TIME SUFFERED. "Whiskerovitchsky" Pushes IIIs Vandyke and Wheel Across Tape

For First Place.

An evening at one of Utah's three bicycle saucers without a record being broken is the exception to the rule nowadays. Last evening at Saltair was no exception. Jackie Charke with the assistance of a pace arrangement, clip-ped nine seconds off the two-mile open With Downing leading and record. Palmer, Wilcox and Hollister Paimer, Wheok and holdster follow-ing in the order siven, McFarland and Clarke rode around in good shape for a long time. Mayer was also in the bunch and the crowd looked for the Flying Dutchman to make one of his sensational sprints, but it was McFar-land who made the sprint toward the finish with Clarke hanging on. Clarke went into the lead with McFarland taking second place just to show the reat of the riders that making sprints by the half dozen is easy when you know how. Clarke's time was 3:40 i-o. Jowering the former record of nine sec-onds more made by McFarland July 1 of this year at the Salt Palace. "Whiskerowitchsky." real name De-wnevitch, the bewhiskered rider, won first place in the half-mile handicap in the fast time of :551-5. The victory was a popular one with the crowd for the speciator's were on their feet and sheering like wild for the Russian as he kicked his wheel over the tape ahead. of the rest. ng in the order given, McFarland and

he kloked his wheel over the tape ahead of the rest. The motor race between Samuelson and Whittler was an excellent exhibi-tion as both machines started even and made it a tight race throughout. This race was by far one of the most interesting motor contests seen here for a long time. The whole program was good. The summaries follow: Half-mile handicap, professional-De-vonevitch. Achorn, Wilcox, West, Hol-lister, Time-154-5, Senhouse finished fourth in the final, but was disqualified for cutting in on the running board, causing if spill between himself and tehorn.

any cause, Dr. Miles' Anti-Pain Pills will relieve it -and leave no bad aftereffects. That's the important thing. Neither do they create a habit. More often the attacks become less frequent, or disappear altogether. Dr. Miles' Anti-Pain Pills have no other effect except to relieve pain and quiet nervous irritation.

(Special to the "News.") Provo, July 10.-Lovers of the national game will at last have a chance to see some good snappy games here. A league has been organized to be made up of employes of the different trades. Of-dent: Wm. Hoover, vice president, and general manager; J. W. Baker, secre-tary and treasurer. The following teams composed the reague: Startup Candy Co., Art Harris, captain: Provo Foundry & Machine Co., J. W. Baker, captain; Restaurant Men and Bakers, Clay Spencer, captain, and W. A. Williams Plumbing Co., Charley Ethlott, captain. They will play a se-ries of four games each. **NELSON AND GANS SIGN** OUS INFITATION. "We are never without Dr. Miles' Anti-Pain Pills. My husband and son, aged 15 were always subject to sick headache until we began using these Pills, and they have broken them up entirely. Don't think they have had to use them for six months. I recommend them to every one. A few weeks ago I heard an old lady friend was sick. I went to see her. She was down with LaGrippe, and nearly crazy with awful backache. I gave her one of the Anti-Pain Pills and left another for her to take in a short time. They helped her right a way, and she says she will never be without them again. Last winter my husband was taken with pluerisy on both sides, and I know he would have died if it hadn't been for the Pills. In less than haif an hour he was sweating, and we authorize him to return the price of first package (only) if it fails to been fity. Mile's Medical Co., Elkhart, Ind FOR FINISH FIGHT IN FALL

The news that Battling Nelson and Gans have signed up for a finish fight at Ely, Sop. 7, for a purse of \$39,000, Nelson to get two-thirds. Is surprising news. Articles were signed in San Fran-cisco, so they say. Gans has caused his most intimate acquaintances to wou-der if they really hear right, but fig-ure that if the articles are signed they surely must be hearing correctly. Addi-tional news is expected.

for the professionals and a half-mile open and mile handlcap for the ama-teurs, are among the events scheduled. Lap races and short handlcap runs are mighty popular this season and are bringing out speed that is breaking records almost every evening.

A TRIPLE TRAGEDY.

Arthur Livingstone is Dead, Mother-in-Law Dying, Wife Seriously Injured. Law Dying, Wife Seriously Injured. Great Falls, Mont., July 10.-A special to the Tribune from White Flsh says that owing to family differences a triple tragedy occurred there as a result of which Arthur Livingstone is dead, his mother-in-law is dying, and his wife is seriously injured. A short time ago the Livingstones separated and the husband had gone to his mother-in-law's house to talk things over. Shortly after neighbors saw the two women fleeing from the house with Livingstone pursuing them, shoot-ing as he ran. After shooting both Liv-ingstone went to a bridge nearth and leaning over shot himself in the ear, his body falling into the river below.

## BONI WILL TRY TO STIR UP BIG SCANDAL

Paris, July 9.—The attorneys for the Prince de Sagan are in no way sur-prised that Count Boni de Castellane in-tends to attack not only the Prince de Sagan, but his wife, in his forthcoming suit to gain possession of his three chil-dren. They say that they expect that the count will attempt to create as much of a seandal as possible, and they look forward to a protracted legal battle. The Prince and Princess de Sagan ar-rived at Versailles today and took up their quarters in a hotel, where they probably will remain until the opening of their house in Paris in the autumn. They both decline to talk of the sult brought by Count Boni. Paris, July 9 .- The attorneys for the
