

that the Mormona, so far from seding to the sum of human sovils, have mate-rially increased the sum of human hap-piness. There is absolutely no suffic-ing among them, and until within the hast few years there was no open vice. Mormoniam has increased the sum of human happiness. What system liss done more? What one can hope to do more? That it is chargeable with grave offeness we do not doubt; that its adve-cates have resoluted in the contains data-gerous elements calculated to jeopardise the peace of society is proveduing its those and dangerous dedicines, react to no erronees and dangerous dedicines, react to no emersi sense, perpetuate no erronees and dangerous dedicines, react to no
