Capital Notes

WASHINGTON, 16. - The House committee on foreign affairs has directed Wilson's bill to be reported providing for the payment over to China the Chinese Indemnity fund, except such sum as is neceseary for the liquidation of certain claims on the part of the United States against

Cox's bill was also directed to be reported paying to Japan \$785,000 from the funds in its possession, and to cover the remainder into the

Freasury. The ways and means committee referred the subject of McKay's approach to Judge Kelley for im-

proper purposes to a sub-committee composed of Tucker, Frye and Mor-

Edmunds' electoral count bill provides for a meeting of the electors on the second Monday of January in-stead of the second Wednesday of December, and provides for a State disposition of any controversy under such laws as it may have in existence before choosing the electors; the two Houses to proceed in conformity with the decisions of the res-

ective States. once to the exclusion of other bills, so that several days may elapse beyond the day set before a debate upon the funding bill is entered upon. Meanwhile the opinion is gaining ground among members that three and a half per cent, is the proper rate of inhalf per cent, is the proper rate of interest for the new bonds to bear, and aside from the few ultra-greenbackers, no serious opposition to the passage of the bill

s anticipated. It was the intention of the Senate committee on foreign relations to take up the Inter-Oceanie Canal question to-day, but in consequence of the exhaustion of the appropria-tion for public printing, the docu-ments recently transmitted to Congress have not yet been returned from the printing office, and no ac-

tion was taken, Hon. Lucius Fairchild, United States minister to Spain, will represent the United States at the conference to be held in Madrid to arrange with the envoy of Morocco, rules relating to the protection by

The Sccretary of the Interior to-day received a telegram from Los Pinos Agency dated March 14th, stating that a number of parties have already staked out placer have already staked out placer claims, and taken up ranches on the Uto Reservation, and others are preparing to follow. The telegram says: 16 The next two weeks will see the gangways had caved in and improvement the state of the part the reservation swarming with trespassers and a conflict is inevitable,"
The agent concludes with a request that troops be ordered to the reservation swarming with trespassers and a conflict is inevitable,"
The agent concludes with a request that troops be ordered to the reservation swarming with trespassers and a conflict is inevitable,"

The agent concludes with a request that troops be ordered to the reservation swarming with trespassers and a conflict is inevitable,"

I would be a conflict in the adjacent breast came up as swiftly as they could possibly be holsted, while others descended to be a conflict in the adjacent breast came up as swiftly as they could possibly be holsted, while others descended to be a conflict in the adjacent breast came up as swiftly as they could possibly be holsted, while others descended to be a conflict in the adjacent breast came up as swiftly as they could possibly be holsted, while others descended to be a conflict. vation for the purpose of protecting the Utes. This matter was the subject of consideration at a meeting of the cabinet to-day, and later Secretical excitement prevailed.

DEPARTMENT OF THE INTERIOR, ) Washington, March 16, 1880. It having been brought to the attention of the Interior Department that persons are now entering the Ute Reservation, in the State of Colorado, for the purpose of locating ranches and mineral claims, notice

States, and no location made thereon can or will be recognized as legal, except those made after the lands shall have been regularly restored to the public domain.

C. SCHURZ. Secretary.

washington, 16.—Rellogg's motion for an investigation of the newspaper charges against him was, on motion of Thurman, tabled; ayes 34, nays 25; a party vote.

Edmunds introduced a bill regulating the proceedings of the Electoral College in voting for President; referred to select committee.

The Senate resumed consideration of the Star service bill, in which Beck continued his remarks.

mittees of the Senate and the House of Representatives, informing them of the threatened difficulty, and urging prompt action upon the pending agreement. It is said at the War Department that troops are now stationed at convenient points near the reservation, and if it is deemed necessary can be readily called into service to keep off invaders and preserve peace. It is understood that a proclamation will be issued if the periods. The prices given in the letter were, as stated, when we could get coal when we wanted it, and not as now, when we can only get coal through our friends ordering it, and are consequently to a greater expense in getting it, and are consequently to charge more for it. The prices given in the letter were, as stated, when we could get coal when we wanted it, and not as now, when we can only get coal through our friends ordering it, and are consequently to a greater expense in getting it, and are consequently to a charge more for it. The committee propriation of \$6,665,000 to complete the payment of pensions the present fiscal year. An appropriation of \$62,765,000 is required to pay the pension rolls during the present year. Judging from the large additions to the rolls continually being made, the next Congress will be called upon to pass a still larger de-

ficiency bill. The Senate elections committee by a strict party vote has decided to submit to the Senate resolutions, declaring that Kellogg is not and Spafford is, entitled to a seat. The republicans submit a minority re-

The House committee on ways and means decided to devote next week to several questions involving changes in the tariff laws and hold daily meetings until they are disposed of.

The Chinese Trade.

NEW YORK; 16,-The Shanghai correspondent of the London Times writes, reviewing the China market and the prospects of trade. He says: Except in a season of abnormal de-pression in America, it is unlikely that the United States will be for many a day a serious competitor with England in the Asiatic or any to the Discussion between the Rev. Dr. J. P. Newman and Prost. Brigham Young. Also other foreign market for piece goods. The carrying trade of China tends it is likely that the whole of the river navigation along the Tang-zee, between Shanghai and divers routes, river carrying trade of China, the American flag has departed; the only American steamers left being two or three men-of-war that are too unseaworthy to sail home. The German interest both on shore and at sea steadily declines, and we Eng-lish are 'left to share the trade, a most profitable one at times, so far as regards China, There is no lack tree, of energy or enterprise among our age. Addressmerchants.

Emigrants Going East. COUNCIL BLUEPS, 16 .- The Union Pacific emigrant train from San Francisco brought to Council Bluffs this evening about 600 pass The train to-morrow will bring 500 more. There were about 50 Chinese on to-day's train, a number of these people are going to New York, Boston and elsewhere, on a visit, taking foreign powers of Jews and other subjects of the Sultan of Morocco.

The Secretary of the Interior toStates, Many Chinese are also going
