DELIGHTED VISITORS. A Party of Texas Editors Who Have Been enjoying here for a Week.

For the past week that Lake has had within its gates a party of qualified writers and journalists from the State of Texas. These people have been in attendance on the convention of Western Editors recently held in Denver, and to enhance the enjoyment of their trip they decided to continue as far west as this city before returning to their respective homes. During their stay here they have been visiting the post in interest in and about the city, and have been highly delighted with what they have seen and heard.

With the party is Mrs. William Davis Cox, editor of the Press Bulletin, a well known journalist at Temple, Texas. Mrs. Cox gave the Press Bulletin call on Friday afternoon, at which time she expressed herself as being simply charmed with our beautiful city. She said she had been so delighted during her short stay here that she had decided to spend some time in our beautiful city. Well to this office was Miss Frances Culmore, a young lady connected with the Houston Daily News. Miss Culmore has been in the city for some time, and is highly delighted with her visit to Salt Lake. The party left, however, bound, on last evening's train, after an absence from their Texas homes of about three weeks' duration.

Highland Ward, FURT PAYNE, De Kalb County, Ala., Sept. 14th, 1877.

We are very desirous of leaving at the residence of Highland Ward, who want to visit about thirty years ago. Will you kindly insert a note in your paper to that effect? Any information will be thankfully received. Very respectfully, ARNOLD HOWARD.

Gospel Week in Montana. A. WAGNER, Miss, Sept. 23, 1877.

On the 10th instant I received a call to leave for the missionary field in the State of Montana, and the following day I left for the same day.

This place has been visited recently by Bro. M. F. Dowry and Edward Simpson, who held several meetings here which were well attended. From the reports I learn that Bro. F. D. Edwards and his wife, who visited here in 1855 and on May 10, 1856, organized the first branch of the Church here with Bro. W. U. Sullivan as president, Bro. E. N. Williams as secretary, and Bro. J. H. Smith as clerk.

From Chihuahua, Mexico. COSME FAHRENGER, Chihuahua, Mexico, September 10th, 1895.

It is some time since I have seen any communication from Lake place, and thought a few lines might be of interest. We have had an excellent rain this season which commenced about the first of July. The streams have been higher than ever before since our settlement here, and some of our crops are badly damaged. This is especially true of the potato crop, which is rotting in the ground and a large part of the corn will not be ready for use.

Our Mexican mail is very interesting as our papers are very irregularly and some are not at all. Our friends have greatly enjoyed reading the news from this city and we are glad to hear that you are all well. We are glad to hear that you are all well and hope to hear from you again soon.
