

## THREE WEEKS OF BASEBALL HERE.

Salt Lake Nine Will Hold Down Walker's Field for a Spell.

## OPENING GAME WITH SPOKANE.

Home Team Expected to Brace Up and Capture a few from Now On.

Coming tomorrow the Salt Lake team will be home for a straight three weeks of baseball. At 2:30 p. m. the series will open with Spokane and continue with a game each day until Monday inclusive, a game each day will appear on the scene on Tuesday Butte will appear on the scene for a week to be followed on the next Tuesday by Boise. The faithful anti-knockers who have been following the fortunes of the Salt Lake nine with an optimistic eye are expecting the home team to even up matters during the next 21 days, as the boys, judging from past experience, have shown a propensity to play better ball on their home grounds than they do when strangers in a hostile territory. It is generally conceded that the Salt Lake team will settle the question of talent to remain the cellar or pull on the first or second floor. A position on the roof of the cupola, however, is not expected save by the most optimistic of the bleachers—still, if all side patrons of the fickle goddess who looks after the fortunes of baseball nines could condescend a smile, who knows.

### MODERN BASEBALL.

Atlanta Parson Scores National Game in Emphatic Language.

Dr. Broughton of Atlanta, in a sermon just preached at the professional baseball player unmercifully. He said: "My charge against baseball is not the ball of the boy at school, or the game for recreation. It is distinctly against the modern professional game of the larger cities and towns of today. I have reasons to support my position, and am going to submit them to you in the fear of the Lord for your consideration, and if I do not make out my case, I am perfectly satisfied to leave the question."

"It is unfit for exercise. Everybody that has ever played professional baseball knows that the exercise is too severe for any physical benefit. Science tells all against this fact. The movements are too rapid and violent. The excitement among the players is too intense. The danger is obvious. Dislocated fingers, broken limbs, mangled noses and black eyes are constant reminders of this fact."

"It encourages a low purpose in life. Nobody, however, strong a crank he may be, will claim that the professional ball player of today is imbued with lofty ideals. He is bound to admit that the man who aspires to no higher and better calling than gambling around all over the country, knocking ball, is actuated, to say the least of it, not by the loftiest motives of life."

"This low motive of life becomes contagious. The public is affected. Think of it! The little woman who has the training of the mind and heart of my boy year in and year out does not receive as much encouragement, sympathy and financial support as the tough who perambulates the professional diamond without any object in view except the money that comes from it. I maintain that such professionalism is hurtful."

### ON SAUCER TRACK.

Nine Numbers on the Program for Salt Palace Tonight.

There are nine numbers scheduled on the program at the Salt Palace saucer track this evening. The main event will be a two-mile lap handicap, with 15 entries. Twenty amateurs will undertake to pedal in the five-mile open lap race and several of the same riders will take a crack at the quarter-mile open lap race. Chapman will also endeavor to lower the mile motor paced record.

### TENNIS TOURNAMENT.

Plans for a Meet of Players from Throughout the State.

D. McPherson Boyd, secretary of the Salt Lake Tennis association, last evening mailed the following invitation to the members of all the tennis clubs in the state: "A meeting of the lawn tennis players of the State of Utah, will be held at Mr. Salisbury's house, 224 east First South street, Salt Lake City, on Thursday evening, 22nd July, at 8 o'clock, to make arrangements for the state tournament for championships in both singles and doubles. All players will be cordially welcome at the meeting."

"Any player unable to attend the meeting, but desirous of entering the tournament, will kindly communicate with Secretary D. M. Boyd, 371 McCormick building, Salt Lake City."

"While the games will be played entirely for the sport, several of the prominent merchants of Salt Lake City have kindly offered prizes for the successful contestants. The entrance fee will be a nominal one of not to exceed \$1. The purpose of setting a date for championship tournaments to be played in the fall, it will be the first of its kind in the state. All tennis clubs, both in and out of the city will be organized into one central body, and this society will then affiliate with the national tennis association. The tournament will be held under the auspices of this organization and conducted on the same lines as the large matches in the east."

### "CYCLONE" KELLY HERE.

Arrives and Signs Articles to Meet Tommy Kelly at Salt Palace.

"Cyclone" Kelly and his manager, Charlie Long, arrived in Salt Lake yesterday, and made preliminary arrangements for a boxing contest with Tommy Kelly, which is scheduled for the night of Aug. 1, at the Salt Palace. The articles, which were signed, are an agreement by both men to weigh in at 135 pounds at 3 o'clock on the afternoon of the debate and \$100 is alleged to have been posted by both to insure the agreed avoidance. The title public is indebted to Benny Miles and Jack Fisher, who have engineered the match.

Both men are said to be in good condition already and an interesting function is assured as the principals have a record for mixing things in a fashion that leads patrons to entertain the belief, at the termination of hostilities, that they have had their money's worth.

Kelly has been training with Dave Barry, who fights Harry Polcy this month in San Francisco, consequently the cyclone is already in good trim. Training quarters have been arranged for and the first work will commence at Social Hall this afternoon in Willard Dean's gymnasium. Among other accomplishments this year Kelly figured in an eight-round draw with Tommy Ryan. Ryan thought Kelly an easy mark and was careless in training with the result that when it came to go into the ring Tommy experienced a very strenuous time generally. In Pueblo, Colo., Kelly met Jimmy Ryan and fought twenty swift rounds. Kelly was a heavy favorite and Ryan was a draw. He has a number of scalps to his credit including those of Charlie Stevenson, George Cole, Jimmy Handler, Bob Stone, Bill Larry, Fred Cooley and Trainor Brooks. He fought a six-round draw with Jack O'Brien and knocked out Larry Tompler and Jack Bennett. In a fight with Billy Woods he was accused of laying down.

again and when taped will give him no trouble. As a preliminary to the big event Jack Kelly, the younger, brother of Tommy, will meet Tommy Burns to a decision for a side bet of from \$100 to \$500, the details to be arranged later.

#### "Pittsburg Phil" III.

New York, July 19.—George E. Smith, popularly known among horsemen as "Pittsburg Phil," is reported, according to the American, to be seriously ill from lung trouble. He is being treated near Saratoga Lake, in the Adirondack mountains, but little hope is felt for his recovery. Smith accumulated a large fortune in his turf ventures, but was warned some time ago that repressions of his emotions while witnessing races upon which he staked large sums was destroying his health, and he practically retired.

#### "PENNY" GOSSIP.

Owing to slim attendance there was no meeting of the Salt Lake Automobile club last night at the Commercial club.

The Z. C. M. I. Juniors defeated the Capital Hill team in a football game, 10-0. The meeting took place on the Capitol Hill grounds.

The team elected to meet the Ogden eleven on Monday, to be selected from the following Salt Lake cricketers: R. F. Howard, J. W. Young, William Reid, Alfred Knapp, Harry Jackson, G. H. Knapp, W. H. Nightingale, Harry Evans, A. E. Hoare, R. H. Hoare, E. Hoare, W. White and H. Sanford.

The Wingfield sevens, representing the amateur rowing championship of England, were won yesterday afternoon by St. George's of the Thames Rowing club. F. Kelly, Leander Rowing club, the holder, did not defend the title.

Alfred G. Vanderbilt's 60-horsepower automobile, driven by Paul Sartori, established six new track records at the Empire City track yesterday. Sartori made 15 miles in 14 minutes, 42.5 seconds, beating Oldfield's record and winning by a mile.

The Canadian tennis tournament was finished yesterday with the winning of the men's singles championship by Beals Wright of Boston, over L. H. Weidner of Chicago. As the award of the title, the win, the challenge cup becomes his permanent property.

George Hodson, the Western League pitcher, who went to Park City, left the park yesterday for St. Joe, Mo., where he goes to finish out the season with that team.

Forsyth, Spokane's latest twirler, has to date pitched two ten-inning games and lost both of them.

What has become of Pete Dowling, Butte's star pitcher? He is reported to be in Cheyenne and on two occasions Wilmot is said to have sent him transportation.

President Lutes is reported in Spokane as saying: "I have no fault to find with the players, but hereafter if my instructions are carried out there will be no ducking on the part of the umpires and player. I instructed both umpires at Butte Sunday to strictly enforce instructions already given, and added that decisions of the umpire over strikes and ball must not be questioned. The practice of players drawing the bat over the ground near the plate to show where they thought the ball had gone must be stopped and umpires have been instructed to fine any player who even hesitates that the decision has not been a just one. If the umpires do not carry out the orders given, men will be found who will."

Yes, gentle reader, the word "fan" is a derivation of "fanatic." His habit is the bleachers where he roosts and crows. He is also handy when the umpire misbehaves.

And now there is said to be a big turf scandal brewing at Brighton Beach. Alcorn's secret known horsemen have been broken by the "trust."

On Friday night the Butte lovers of boxing will be given a chance to size up the fighting abilities of that clever lightweight, Jimmy Gardner.

The Chicago club wants Bill Carney, of Spokane. Early in the season Carney received a wire from the Chicago manager, saying: "Keep up the good work, Carney, and we will have you next year." This means the big leaguers are watching the work of the new star in the P. N. L. Carney's hitting has been of such a sensational order that it would attract notice and money. Now comes the news that Brooklyn wants the Indian right holder. It is almost an assured fact that Carney will play for the Brooklyn team next year, and that with Chicago. He has been playing for some time, and the manager is personal friend of Carney's. Minor leagues can not hope to keep their stars. The drafting clause prohibits that, and as soon as a man becomes a star in the minor leagues he is called to the big organizations, where he has to play hard all the time to hold his own.

## AT THE RESORTS.

The old boys of the G. A. R. enjoyed themselves at Lagoon yesterday. A number of the G. A. R. were in uniform, including Col. Kaighn, but most of the veterans preferred citizens' attire. The oldest man on the grounds was Col. Henry Logan, who will be 89 years old in December. He was with the Sixty-fourth Illinois infantry, and followed Gen. Sherman on his march to the sea. Not a few veterans participated in the athletic events of the day. W. P. Rowe, winning the 50-yard foot race, there was a boys' race won by Eugene Carr, and a race for older boys was won by Harm Thomas. Gertrude Neuhansen won the girls' race. A. C. Buckingham captured the men's race, and Mrs. J. S. Stevens, the women's race. The athletic program closed with a boat race in which there were three entries. It was won by A. C. Buckingham. The day closed by a well patronized dance. There was quite a good attendance from Ogden.

The ladies of the Relief corps served baked beans to all who forgot to bring their lunches. The address of the dining was by Attorney-General Bredson, who made interesting points on the history of the Civil war, and advocated the holding of frequent reunions, both for the entertainment of veterans and their influence on the young. The star singers of the evening were Miss Emma Ramsey and John James. The prize for the most graceful waiter was awarded to Mrs. E. E. Wilson of Salt Lake, and Miss Sprouts of Ogden was elected the most popular lady on the grounds.

The money realized from the excursion goes to fund for the national encampment at Boston and to send a delegate to the encampment from Utah.

The Sunday schools of Liberty stake will spend tomorrow at Liberty Park. Sports and games will form a part of the day's amusement, and valuable prizes will be awarded the winners. An invitation is extended to all, both old and young, to participate in the day's festivities.

The Veteran Volunteer Firemen, at a meeting held last night, completed arrangements for their excursion to Provo Falls and Heber City, Sunday, July 31. The train will leave here at 8:30 a. m., and returning will leave Provo Falls at 8:30 in the evening. The committee in charge are: R. J. Knight, J. W. Shell, W. H. Bywater, S. R. Skidmore and E. J. Petty.

The Utah Philippine society will run an excursion to Saltair tomorrow, the same being for the benefit of the sick fund. As the outing is for a worthy cause, there should be a liberal response to the invitation extended.
