CHICAGO, 19.—One failure, and that of A. C. Badger & Co., private bankers, is reported in the *New-York* *Evening News*.

PROSPECTS OF THE N.P.R.R.

NEW YORK, 19.—Sam'l Wilkins, Secretary of the Northern Pacific, speaking of the岐事 of Jay Cooke & Co., said he had no doubt of the future of the company.

IT WOULD BE EASY TO

SELL OUT THE WORKS IF IT WERE NOT FOR THE WORKS BEING SHIPPED.

The board of directors of the line reported to Jay Cooke & Co. that it had not a dollar of capital paper, and up to the present not a note of theirs was ever paid in Wall St. Not a bond was in Wall St. A bond was issued by the company, and the interest on the bonds is paid.

THE FIRM IS REPORTINGLY IN

DIFFICULTIES.

Jay Cooke & Co. are engaged in making a statement at this time.

THEIR ADVICE IS ENTITLED TO

THEIR CONFIDENCE IN EARLY RESUMPTION.

Fisk & Hatch have negotiated

A LARGER AMOUNT OF RAILROAD

SECURITIES THAN ANY OTHER HOUSE

IN THE COUNTRY, SOME \$5,000,000 IN ALL.

TOWN AND THEIR SUSPENSION WAS

FORCED THEREBY.

The latest rumors say that Henry Clews & Co., and Vermilye & Co., are in trouble, but the heads of the firms are safe.

Fisk & Hatch have always been esteemed solid, and were interested in the sale of U. S. bonds, and the 5-20's long, and were identified with the firm of Jay Cooke & Co. in the Pacific Northwest, and lately with the Pacific people and Ohio, which they have carried to successful positions.

A STATEMENT OF THEIR AFFAIRS IS BEING PREPARED, AND THEY ARE confident of their confidence in early resumption.
