Supt.

Assignee's Notice.
The Store Building on Main Street, lately occupied by Wm. Harrison, 20 feet by 110, and the household interest in the lot on which it is situated, will be sold at PUBLIC AUCTION, to the highest bidder for cash, at the premises, on the 15th day of September, 1877, at 2 o'clock p.m.
J. D. M. CROCKWELL,
Assignee.

Schenck's Pulmonic Syrup.
For the cure of Consumption, Coughs and Colds. The great virtue of this medicine is that it ripens the matter and throws it out of the system, purifies the blood and thus effects a cure.
Schenck's Sea Weed Tonic, for the cure of Dyspepsia, Indigestion, etc. This tonic produces a healthy action of the stomach, creating an appetite, forming chyle, and curing the most obstinate cases of indigestion.
Schenck's Mandrake Pills, for the cure of Liver Complaint, etc. These pills are alterative, and produce a healthy action of the liver without the least danger, as they are free from calomel, and yet more efficacious in restoring a healthy action of the liver.

Deseret Museum.—Received from G. Hall, Esq., of this city, a specimen of leather tanned by a new process, in which the salted hide was only in the pit three days, and completely tanned. Also specimens of various tanning materials used; some from Australia, from Singapore, pods of the devil and valonia. A very fine specimen of crystals of salt, from the Great Salt Lake, contributed by W. W. Ritter, Esq., and sample of leather alum from the Spanish Fork Cavern, presented by Thomas Winter, Esq., have been added to the mineral cabinet. O. N. Adams, Esq., has contributed a fine specimen of ore, containing over one thousand dollars to the ton, from the Silver Cloud, Camp Floyd district. Many discoveries of useful minerals are now being made, and it would be well for these to be made profitable by preparing them for the market. A good manufacturer of the various salts found so abundantly in Utah might conduct a profitable business, and give employment to numbers of "four boys."

Found Dead.—The following note, came to hand, by mail to-day. It was written upon the back of a letter in the Swedish language:—"Sep. 9th, 1877. 'We were coming down the east of Tropic, on a path, when we found the body of a man. He had been dead a day or so. He was badly scratched and his clothes torn. We also found a writing we cannot understand, therefore we send it for you.'"
HERQUIST AND WATSON.

Although the note was dated the 9th, the envelope bore the Payson postmark of Sep. 20th. The letter in Swedish, evidently written by the deceased, is not dated. The following is the English translation of it:—"Dear Hannah and Children:—I left Brigham Canyon on the 7th and have now been two days in company with two young men, and I am tired and have sore feet, so I shall not go with them now, and have made up my mind to stay over the night. The name of the place is—G—knows. They told me it was about ten miles from here to Tropic. I hope I will be there in the morning, when I will send you these lines as well as some money. I hope you are all in good health and doing well. I think I will get work here. As long as I can get work I shall stop. May God bless you in all your ways. I will get work for this time. God bless you all."
M. A. WALKER.

SALT LAKE CITY,
Sept. 12, 1877.
Large variety of new patterns of WALL PAPER at H. Dinwiddie's Furniture Store, 1151 SPRING CANYON AND ROCK SPRINGS CANYON.—The only reliable market for lamp, assorted and fine coal. SALT LAKE CITY, September 21, 1877.
Buying at 112; Selling at 112 1/2.

LOCAL AND OTHER MATTERS.

Thermometer 70 degrees F. in the shade at 1 p.m. to-day. Cloudy.

Tanning Association.—All persons interested in the Deseret Tanning and Manufacturing Association should pay attention to the notice for a meeting at the City Hall, to be found in another column.

The Deciding Game.—The concluding game of the base ball series between the Deseret and Red Stockings, for the territorial championship, will be contested to-morrow afternoon, upon Washington Square. The game will be of unusual interest, as each nine will strive to eclipse any proficiency it has hitherto manifested, and many spectators will likely be present. The game will commence at 3.30.

The Trespass Nuisance.—Last evening, at the Bishop's meeting, a motion was adopted in relation to the herds of cows and other animals trespassing upon what is known as the "Big Field." It was resolved that, on and after Monday next, energetic steps should be taken to prevent such trespasses. Those who have been in the habit of driving their animals to the locality indicated should take notice.

Wedding.—Last night, at Camp Douglas, Adjutant W. W. McCammon was united in marriage to Ida, eldest daughter of Lieutenant Quartermaster Charles H. Warren, Rev. R. M. Kirby performing the ceremony. There was a reception and marriage feast on the occasion, at the house of Lieut. Warren, in which a large number of guests from this city participated.

The newly married pair have our best wishes for their prosperity and happiness.

Deseret Museum.—Received from G. Hall, Esq., of this city, a specimen of leather tanned by a new process, in which the salted hide was only in the pit three days, and completely tanned. A Beautiful Spot.—Probably the most beautiful place in the Territory is Spring Lake Gardens, about four miles south of the City. The pretty little lake, fringed on the larger portion of its border with trees and shrubbery, dotted with pretty little islands, and well supplied with sailing boats, is of itself a prominent attraction.

During the last few years ample improvements have been made, the whole of the receipts as well as a considerable amount of other means, being applied in making additional attractions. The grounds are well supplied with patent and ordinary swings, trapeze apparatus, croquet grounds, conveniences for the modern game of "ring toss," &c.

A large new dancing hall, 50 feet by 82 feet, is partially completed, and it is intended to add to it and make it double that size. No intoxicants of any kind are sold on the grounds, and parties are not allowed admittance on Sundays. The manager, Mr. George Calder, preserves the resort in the strictest respectability in every particular. He has also shown good judgment and taste in making the many recent improvements.

If the waters of the lake were occasionally thoroughly drained off, done, we presume, could easily be done, it would obviate any tendency to malaria which might arise from the water not being supplied in motion.

Altogether it is a very pleasant spot.

Selecting the Site.—At eleven o'clock to-day President John Taylor and Elders Wilford Woodruff, Franklin D. Richards, George Q. Cannon, Brigham Young and Albert Carrington, of the Quorum of the Twelve Apostles; Angus M. Cannon and David O. Calder of the Presidency of the Salt Lake Stake of Zion; Edward Hunter, presiding Bishop of the Church; the members of the new tabernacle building committee, and a large number of others met at the southwest corner of the Temple Block. The object of the gathering was to decide upon a site or location for the proposed new tabernacle. It was determined that the southwest corner of the building should rest upon a point forty-four feet from the south and west walls of the Temple Block, and temporary stakes were driven accordingly, to mark the site.

The dimensions of the structure will be somewhat larger than originally intended—118 feet by 64 feet in the clear. The stand will be in the west instead of the east end. The gallery will encircle the whole interior of the building, and that portion in the rear of the stand will be apportioned off to be occupied by the organ and choir.

The floor will rise on a continuous incline beginning some distance from and in front of the stand, towards the east, which will give the congregation in the body of the house a full view of the speakers.

Under the portion of the gallery occupied by the organ and choir will be a vestry, or entrance hall to the stand. The building will be surmounted by a tower, rising from the centre of the roof.

Grouse Creek.—We acknowledge a call from Brother R. F. Cooke, formerly of Grantville, who is now residing at Grouse Creek. He reports a good country in that region; plenty of grass and plough land, abundance of water, and wood so close that a load can be obtained in a couple of hours. He raised a good crop of newly-broke land this season, and says the vegetables exceed in size and quality those grown in Tooele County. The range for stock is splendid.

Grouse Creek is thirty-five miles north-west of Terrace, on the C. P. R. B., and by crossing a divide ten miles of the journey can be saved. It is in Utah, and one of the Kimballs is Bishop of the settlement, composed of between thirty and forty families, with plenty of room for more. Brother Cooke is well satisfied with the place, and will make it his permanent abode.

Correspondence.
Ogden City, Utah, Sept. 19th, 1877.
Editors Deseret News:
One of the loveliest scenes upon which I have gazed for a long time past, was the thought of Zion's children who took part in the

GRAND JUBILEE CONCERT.
It took place to-day at the Tabernacle in this city. It was the second of the season and was gotten up under the management of the officers of the Sunday School Union of Weber County.
At half past nine o'clock, a. m., many of the youth of both sexes from quite a number of the wards in this county assembled on Union Square, where the procession was formed under the direction of Prof. Monch, Marshal of the day. The procession extended about two blocks in length.

Shortly before ten o'clock, headed by the Ogden Brass Band it marched up Main Street to the Tabernacle, where under the direction of the Marshal the immense assembly of Sabbath School children were seated, and who with the spectators completely filled the house.

The building was then opened, and tastefully decorated for the occasion by Mr. John Frost and family, assisted by Mr. Thos. D. Dee, Mrs. T. G. Odell, and the two Misses Dinsdale. The stand was illuminated with beautiful lanterns, and in the centre stood an artificial weeping willow, artistically arranged by Miss Elizabeth Carr.

The Grand Chorus, with the "Jubilee Song" by the full company, followed by an appropriate prayer by Bishop Robert M. Quarles.

The programme consisted of anthems, songs, duets, glee, &c., of which the following are a part: "On Hail God, Never Forget the Good Ones," "There is a Light in the Heart," "Wake the Song of Jubilee," "A Voice From the Waves," "Gather Round the Standard Bearer," "Richard the Third," "What are the Willows Saying," "The Gipsy Countess," "The Ship on Fire," &c., &c. Those who took part in the exercises were the First District Sabbath School, Monmouth Sabbath School, Misses Malthe Brown, and Martha Jacobson, Third District Sabbath school, Prof. Wm. Pugh and John Fowler, Miss Sarah Fowler, Mr. Wm. Fley, Mrs. Mary Freeman, and the Choir, Misses Nellie, and Polly and Mary Driver, Mr. Clarence Hoyle, The Marriottes, Slaterville and Lynne Sabbath schools, the Ogden Brass Band, under the direction of Capt. W. Pugh. The "Old Hundred" by the full company concluded the entertainment. Every place was well rendered, and elicited the hearty appreciation of the numerous spectators.

In the afternoon there was dancing, singing, and various athletic exercises at Jones Grove, the brass and quartet bands were in attendance. At night there was a grand ball in the First Ward Assembly Rooms. The day was beautiful, all that could be desired. Everything went off peacefully and harmoniously. The Jubilee Concert was a musical and intellectual feast, and will be long remembered by those who were present on the occasion.

Will Dr. Plant Explain?
BEAVER CITY, Beaver County, Utah, Sept. 19th, 1877.
Editors Deseret News:
In your semi-weekly issue of the 15th I find the following in a testimonial to Dr. Plant:

"Dear Sir:—For the past seven years I have been afflicted with rheumatism, and afflicted with I know not what. I consulted Dr. Plant, when, after twenty-four hours' treatment, I passed from my mouth and nose, and under two hours' treatment, much worse, resembling the snake, &c. Since which time I have gained my strength."
"MRS. TANNER.
"Beaver City, Beaver County, Utah."

I have resided in Beaver over ten years, and can say positively that no such invalid by the name of Tanner, or by any other name, has resided in this city. Since reading the above I have inquired of the only "Tanner" families known in the place, and of business men and strangers, as to new comers, and can hear of none bearing the designation here given. Will the Dr. or the good lady please give us the Christian name of Mr. Tanner, husband of the lady, and inform the public in what part of the city he and she reside, lest some should be wicked enough to question the facts.
DANIEL TYLER.

TWO SIDES.—Remember that all questions have two sides; one is the right side, the other is the wrong side; one is the side of justice, the other injustice. If you take the right side, the just side, ultimately, men, however much they may oppose you and revile you, will come to your support. Earth, with all its powers, will work with you and for you, and he is pledged to conduct you to complete happiness. If you take the other side, there is no power in earth or heaven that can lead you through successfully, because it is appointed in the councils of heaven that justice and truth alone can prevail.
