SAXE'S BULLS.—Rollin P. Saxe, who has lately done a rushing business importing stock, will be in Ogden on July 3rd, where he will offer for sale until the 10th of said month, fifteen extra choice Durham Bulls. d186 s&w 1c

GREAT POPULARITY.—Dr. Price's Cream Baking Powder and Special Flavorings, Nectarine, Rose, Lemon, etc., have been before the public many years and have gained for themselves, on their own merits, an extensive sale, both in this country and the British Provinces. Their great popularity is mainly due to the scrupulous manner in which they are prepared, the using of the purest and best materials, with special reference to their healthfulness. We never tire of using them, for they are always the same. Articles in which they are used have no disagreeable odor or sickly taste, but are always enjoyable.
