Notice to Grocers. — An unprincipled firm have recently been copying our advertisements entire, with the single exception of substituting their name in place of cours. The imposition, although well calculated to deceive your customers, can be easily avoided by a little care on your part to see that Dooley's Yeast Powder is the one that they are searching for. While the action of the party only adds further testimony to the popularity of our Yeast Powder, we deem this caution necessary, not deem this caution necessary, not only for your protection but that of the customer. A good prevention is to have the boots or shoes made sufficiently large and wear in them a pair of those cork socks, which are for sale at the boot and shoe shops, which are material aids in keeping the feet dry and warm. Good health cannot be maintained unless the head is kept cool and the feet warm. The lower extremities of children should be kept warmly lad. The custom of keeping their little legs exposed to the cold atmosphere in winter time is an inane one, being barbarously cruel, rendering them liable to attacks of disease leading oftentimes to death.
