

The Masses and the Classes Use and Praise Per-una

A Fruit-Grower's Letter.

E. Birch, fruit grower, Afton, Va., writes: My wife was very much run down out of sorts every way. She had weakness and was very weak, and had no appetite. I tried on everything I could think of, but would not touch a thing—could not eat strawberries, even. I saw Peruna in the paper one day, and after reading the printed matter on the bottle decided to have my wife try it. She had taken half of the bottle, commenced to eat, and now she is as well as the time. We both agree it beats any medicine to bring an appetite and put the nerves in good shape that we have ever had anything with.

An Old Man's Letter.

Mr. Isaac Brock of McLennan county, Tex., has attained the great age of 111 years. He spoke as follows of Peruna: "After a man has lived in the world as long as I have he ought to have found out a great many things by experience. I think I have done so. One of the things I have found out to my entire satisfaction is the proper remedy for ailments due directly to the effects of the climate. For 111 years I have withstood the changeable climate of the United States. During my long life I have known a great many remedies for coughs, colds, catarrh and diarrhoea. I had always supposed these affections to be different diseases. For the last ten or fifteen years I have been reading Dr. Hartman's books and have learned from them one thing in particular: that these affections are the same, and that they are properly called catarrh. As for Dr. Hartman's remedy, Peruna, I have found it to be the best, if not the only reliable remedy for these affections. It has been my stand-by for many years, and I attribute my good health and my extreme age to this remedy."—Mr. Isaac Brock.

A College Man's Letter.

Mr. Clyde W. Wells, Hiram, Ohio, manager of the Hiram College Basketball team in 1901, defeated Yale in 1891, writes: "Close application to my books in order to pass a creditable examination, with extra work in connection with socials and clubs, told on my constitution last spring. I had constant headache and that tired feeling when nothing in the world seemed right. One of the professors advised me to try Peruna, and I am glad that I did so, for it soon acted as a splendid nerve tonic and restorer to my fagged out system."—C. W. Wells.

U. S. Senator's Letter.

Hon. W. V. Sullivan, United States Senator from Mississippi, in a letter recently written to Dr. Hartman, says the following of Peruna as a catarrh remedy: "For some time I have been suffering from catarrh in its most incipient stage, so much so that I became alarmed as to my general health. But, hearing of Peruna as a good remedy, I gave it a fair trial and soon began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and was particularly good as a tonic."—Hon. W. V. Sullivan.

A Pastor's Letter.

Rev. S. H. Renfro of Norborne, Mo., had running ears. He says: "My head gathered and broke and my ears ran terribly. I tried several remedies with no relief. At last I got a bottle of Peruna, and it did me so much good that I kept on using it; am on the fourth bottle, and must say it has removed all my bad symptoms. My head does not pain any more, my ears have stopped running and I feel a great deal better."—Rev. S. H. Renfro.

A Judge's Letter.

Judge S. H. Mangum of Helena, Ark., says the following in regard to Peruna as a catarrh cure and general tonic: "I take pleasure in recommending your great national remedy as an excellent catarrh remedy. A Father's Letter.

Mr. Henry Wesseler, Waconata, Mich., writes: "About two months ago we wrote you for advice for our little girl. She was in a very bad condition then. We gave her two bottles of Peruna and a half a bottle of Manalin, and she is well now, which we feel very thankful for. She had catarrh of the nose which caused an offensive discharge and bad breath. She was also bothered with a stomach a great deal for about three years. She seldom complains of it now since taking your medicine. We think she had catarrh of the stomach. We give your medicine high praise, and recommend it to others."—Henry Wesseler.

Dr. Llewellyn Jordan, Medical Examiner of U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna: "Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. A Sawyer's Letter.

F. W. Radtke, 740 Mintzer street, Philadelphia, Pa., writes: "I deem it my duty to inform you that I have been troubled with catarrh for four years and could not work at my trade. I have tried almost every cure on the face of the earth, and had doctors attend me at their office and in the hospital, but could not get relief until I tried your wonderful Peruna. I was very doubtful whether it would help me, but at a good friend's advice, I tried your Peruna, which is a God-send to all catarrh sufferers. After taking but four bottles, I am very much pleased indeed. I can safely say that one more bottle will be enough. After taking the second bottle I could go to work at my trade (sawyer), and the dust has no effect on my throat now. I shall recommend Peruna to everybody who suffers with catarrh."—F. W. Radtke.

Mrs. Maggie Franks, 617 Main street, Greenville, Miss., writes: "I was troubled for a number of years with systemic catarrh. I had almost constant pain in the side, stomach trouble, a bad cough, caught cold very easily, and felt nervous and tired all the time. Peruna has made me a healthy, strong woman. A Mother's Letter.

Mrs. George Van Dusen, Mohawk, Herk county, N. Y., writes: "Having derived so much benefit from your grand medicine I felt as if I must write to you and tell you what a great help it has been to me. My little daughter when but two months old took a severe cold and it settled in her head and continued to get worse, and in a few months terminated in the worst case of catarrh that has ever been known in this part of the state. After doctoring with the best doctors for three years and receiving no benefits, we were persuaded to try an advertised catarrh cure. We thought it was helping her at first, but after using twenty or more bottles she was as bad as ever. As a last resort we began with Peruna, and she is now nine years old and for the past year has been the healthiest child you ever saw. The catarrh has entirely disappeared; no discharge, no odor at all, but we still keep the precious bottle in the house, and at the first appearance of cold with any of us, we immediately take Peruna, for we know there is nothing like it. In our estimation it is priceless."—Mrs. George Van Dusen.

A Policeman's Letter.

Mr. Chas. Rehm, Lieutenant of Police, 43rd Precinct, Chicago, Ill., writes: "When I have suffered any bad consequences from exposure and colds, I have found that there is nothing so quickly restorative to the system to healthful activity as Peruna. An Alderman's Letter.

Hon. Otto Engelard, Alderman of the 29th Ward, 561 Beiden avenue, Chicago, Ill., writes: "My experience with Peruna has been most satisfactory. Last winter I suffered very much with kidney trouble, getting but little relief from the different remedies tried, until I used Peruna. In a few weeks I began to feel a change, and in less than three months I was completely cured, and have had no trouble in that direction since."—Otto Engelard.

A Traveler's Letter.

J. Edward Clark, 402 Temple street, Los Angeles, Cal., writes: "I fully believe Peruna saved my life. About two years ago after returning from Alaska, I was taken with catarrh of the stomach and in fact of the whole system. My stomach failed me as nothing I ate seemed to do me any good, but always gave me pains and belching of gas. My kidneys got sore and weak, I had palpitation of the heart, my lungs were sore, and it was difficult to draw a long breath. I also had fainting spells, and while walking was afraid I might fall to the sidewalk. I also had to get up at night and sit in a chair to keep from smothering. My legs and arms pained me most of the time, my feet were cold on the hottest day, my tongue was coated, I had chills from my head to my feet. I was weak and had very little life and everything looked dark to me, and often wished for the end. "I took all kinds of medicine—do not think there is a drug-store in this city that I did not get some truck from. I also used vapor baths, dieted, drank all the mineral waters, had many consultations with two of the best doctors of this city, used their prescriptions, but all seemed of no use. "After months of this kind of work I fully made up my mind to try Peruna, and thank God for it, as I had not used over two bottles until I felt a change, and have been getting better ever since, and now I am well and strong. All my friends tell me how well I look. Let me say to those who are sick, try Peruna if you have any of my symptoms, it will cure. Don't expect to be cured by one bottle, but stick to it until cured."—J. Edward Clark.

A Fireman's Letter.

Mr. John Sweeting, Captain Fire Department of Evanston, Ill., says: "Sometime ago we had such continual hard service that I, as well as my men, was completely exhausted and fell my nerves give way. One of our men had tried Peruna a couple of years ago and he advised us to try it. We did so and found the change simply marvelous. A dose seemed better than a meal, and in ten days we were all feeling fine."—John Sweeting.

Hon. Wm. N. Selig, a prominent business man of Chicago, Ill., in speaking of Peruna the great catarrh remedy, says as follows: "After having used several remedies for indigestion with no beneficial results, I was induced by a friend of mine to try Peruna, and I gladly say that it perfected a positive cure. A Cavalryman's Letter.

Anton J. Frank, Captain of the 12th Ohio Cavalry, Co. D., writes from 827 Lincoln avenue, Chicago, Ill.: "No praise bestowed upon Peruna could be too high. I suffered for years with a complication of troubles of the pelvic organs from exposure in the army, and could find no relief until I tried Peruna. It means life and health to me, broken down as I was and unable to enjoy life. I am now feeling well and strong, and without one ache or pain."—Anton J. Frank.

Mr. Z. L. H. Burns, Chaplain of Lincoln Lodge, Sons of St. George, writes from Benton, Ind.: "I do not know just how Peruna is made, but I do know there is as much difference in effect in using Peruna and any other medicine as there is between night and day. Every dose seems to instill life and health. I have been troubled with catarrh of the head for years, also with influenza. But it is all gone. Peruna seemed to cure it in an incredibly short time. I only used three bottles and I am today as healthy and well as any man could wish to be. Inclement or damp weather I do not dread, as Peruna cures a cold in a short time."—Z. L. H. Burns.

Santelmann.

C., writes as follows: "I have tried one bottle of Peruna and I can truthfully say it is one of the best tonics I ever used and I take pleasure in recommending it to all sufferers who are in need of a good medicine.
