If Utah's wonderful and varied resources, her magnificant achool system, and the laborancia cheir, could be seen and heard, it would result in much good in paying the way for the elders to reach the homes of the people and get a respectable hearing.

# "Cardui Did Wonders"

"I am getting along fine and feel splendid, since taking Cardni," writes Mrs. Stella Halquist, of Laporte, Minn. "I am not troubled, like I used to be, with backache, headache, and those pains and that tired-out feeling. I had other female troubles too, but they have almost disappeared now. I cannot praise Cardui enough, for it did wonders for me."

Cardul can be depended upon to help you, too, if you will give it a fair trial. Consisting only of pure, vegetable ingredients, it has nothing harmful in its composition, but acts gently, and in a natural way, upon the womanly organs, which it has been found, in thousands of cases, to restore to health, after other medicines

had failed.

Women who need strength, should find it in Cardui, for Cardai is a strength-building female tonic.

Women who need health, should find it in Cardui, for Cardui has been found to cure female disorders, by its curative action on the female organs.

Pain, weakness and disease should all disappear, when you take Cardui persistently, until it has had a chance to thoroughly act upon your entire system.

Try Cardui.
