Wool.

BOSTON, 5.—The wool market is steady, and there is a good demand, especially for reasonable grades of Pennsylvania fleeces—40 to 42 for X and XX. Michigan X fleeces, 38 to 40, and No. 1 fleeces, 43 to 45. Unwashed fleeces are in demand. Western Territory and Texas wools are most inquired for, and may be quoted at 18 to 23 for low coarse, 25 to 35 for good average lots, 32 to 35 for choice selections of fine and medium. California wool is quiet at 25 to 32 for northern spring; the latter price being for choice. Combings and delaine selections are in demand at 42 to 45 for fine delaines and 46 to 48 for fine and No. 1 combing. Pooled wools are in demand at 42 to 45 for choice, 48 to 50 for superfine, and 25 to 30 for common to good. Foreign wool is quiet and sales are confined to small lots of Australian and Mediterranean carpet wools at previous prices.

Meat in Missouri.

WASHINGTON, 5.—A route agent reported to the Postoffice department that a mob composed of Democratic roughs surrounded the postoffice at Highville, Mo., Saturday last and threatened to demolish the office and mobbed the postmaster, who was compelled to fly for safety to Kansas City. Acting Postmaster General Hutton has instructed Inspector Edgerton at St. Louis to proceed immediately to the scene of the disturbance and report the facts in the case to the Department.

Nevada Convention.

RENO, 5.—Governor Kinkaid has withdrawn from the contest for Governor. The Gazette says this is a victory of the people against the machine.

The Republican State Convention met at 10 o'clock. The platform as adopted refers to the history of the party, endorses Arthur, calls for the enforcement of the anti-Chinese laws; promises to defend the public school system against sectarian influence. The railroad plank demands from Congress such legislation as will place the people of Nevada on terms of equality in respect to transportation charges with the communities especially favored by the railroad monopoly. Another plank pledges the party of Nevada to such a course of legislation as will extend to the railroad and all other corporations doing business in the State the same protection and the same rights and privileges before the laws as are accorded to individuals—no more, no less. It calls for postal telegraph service; for silver coinage to be placed on the same basis as gold; for laws to secure the purification of the jury box; to reduce the State expenses; for the codification of the mining laws. A clause was introduced for a calling for a constitutional convention to reduce the expenses of the State and prevent discriminations by railroads.

Railroad Wreck.

HARRISBURG, Pa., 5.—A wreck occurred about midnight between three freight trains on the Pennsylvania Railroad near this city. Twenty-seven cars were wrecked and two men reported injured. The wreck was caused by one train running into another while the third ran into the first wreck. All travel is blocked.

The Strikers.

PITTSBURGH, Pa., 5.—The first mills to announce their intention of resuming as non-union mills are those of the Amalgamated Association. Those that have decided to prolong the strike are Wilson, Walcott & Co., and Sprang, Chalfant & Co. They start this week.

Cleaned Out by Mexicans.

TOMBSTONE, A. T., 5.—Information is received from Sonora that an important civil crisis is about to explode. A state of dread and uncertainty exists along the Sonoran Valley. Nearly every grog shop in Tombstone has been cleaned out by Mexicans, who are flocking in by dozens, buying up all the arms and munitions that can be obtained, and it is understood that Governor Ortes has ordered a draft of all able bodied men in the State to sustain him.

Broken Bank.

DENVER, Col., 5.—The News-Silver Chief, Col. special says: The Custer County bank closed its doors this morning. The liabilities are \$400,000; assets, very small. The bank was owned by Harrell Bros., and was run in connection with the Bank of Salt Lake, which failed yesterday. There is great excitement among the depositors of both banks. The whereabouts of the Harrells is unknown, and the cause of the suspension is a mystery.

Another Chinese Decision.

SAN FRANCISCO, 5.—In the case of one of the alleged Chinese merchants, who arrived here on the steamer City of Rio Janeiro, from Panama, and who had been arrested in Judge Field, in the United States Circuit Court, to-day, decided that merchants coming from countries other than China may land without certificates.

Anti-Prohibition.

CHICAGO, 5.—The democratic county convention to-day selected delegates to the State convention next Thursday, and unanimously adopted a resolution opposing summary and prohibitory legislation, and instructing their delegates to abide by this resolution.

New Play.

NEW YORK, 5.—The new play, "Chicago," a vivid picture of California life, was produced last night with success before a crowded house at Haverly's Fourteenth Street Theatre.
