LOGAN.

LOGAN, UTAH, - - OCT. 14, 1895.

Cache County Items.

The names of the Democratic nominees for city councilmen, as selected in the various wards on Saturday evening, are as follows: First municipal ward, W. N. Thomas, John E. Carlisle; second ward, Wm. Worley, Frank Benson; third ward, Robert Davidson, Evan Jones; fourth ward, John Dahle, W. C. Cates; fifth ward, Niels B. Hansen and William Hyde. Delegates to the city convention which will meet today to nominate candidates for the various general city offices were also elected.

Niels Y. Hansen's six-year-old boy was attacked by an infuriated cow on Friday morning, and but for the timely assistance of a man who witnessed it, would certainly have been killed. As it was he was tossed in the air and alighted on the cow's back and fell from there to the ground. The vicious animal was about to renew the attack, when the man, who was running to the scene as fast as he could, yelled and distracted her attention until he reached and rescued the child. The little one received a severe scalp wound and numerous contusions, and for a time was supposed to be dangerously injured, but he is now entirely out of danger.

Henry Parkinson's eighteen-year-old son, of Wellsville, picked up his shotgun on Thursday morning, with a view to taking it out to the field where he was working, as there were a number of prairie chickens in that neighborhood. By a premature and unexpected explosion while he was in the act of inserting a cartridge, the index finger of his left hand was so badly lacerated and broken that Dr. Ormsby found it necessary to amputate two joints.

While out driving with a spirited team on Friday evening, George Naylor had a runaway. The team got loose from the buggy and ran a considerable distance. Mr. Naylor was pulled out of the vehicle but was not hurt.

Chief Electrician P. L. Nunn, of the Hercules power plant, has gone to Provo to superintend arrangements for the setting of a similar plant. He will return in time to place the new machinery in position here, when the new power house which is being built is finished. The work is being pushed as rapidly as possible so as to have the plant in active operation before the weather becomes severely cold.

The Pay Train will hold the boards in the Thatcher opera house on Tuesday evening, and from that time until the 2nd of December five other companies will visit Logan.

James Hansen, of Providence, was severely kicked on the knee-cap by a horse the other day. Quite a lengthy gash was cut.

The annual conference and annual jubilee of the Sunday schools of the Cache Stake will be combined this year, and will be held in the Logan Tabernacle on Saturday and Sunday next. A fine musical program will be rendered and members of the general Sunday school superintendency are expected.

The local fish and game club petitioned the city council at its last meeting to place a screen at the head of the Logan and Hyde Park canal, to prevent fish from going through the canal and either being destroyed by going through the mill wheels or passing through the ditches and into the fields. The matter was referred to a committee, which has taken the required action.

Aurelius Miner will probably reside in Logan. He has been here during the week examining the fine residence property he obtained from Moses Thatcher as a portion of the consideration paid when Mr. Thatcher bought Mr. Miner's residence in Salt Lake.

Prof. Karl G. Maeser will be in Cache valley from Oct. 22nd to 26th, during which time he will deliver twelve lectures on the necessity of religion in class work.

The Temple reopened on Tuesday last. A number of young couples from various parts of Utah, Idaho and Wyoming have been married during the week.

The members of the A. C. of U. Athletic association gave a very pleasant ball on Saturday evening in the college gymnasium. The "Longfellow" literary society of the college has been reorganized for the year and will hold the usual weekly sessions.
