WEATHER CONDITIONS.

The storm area over the central west yesterday morning has moved northward during the past 24 hours and is now central about that portion of the British possessions immediately north of Montana. Precipitation was general throughout the entire west, northwest, Minnesota valley and Lake Superior region, with rain still falling this morning at Moorhead and Winnipeg, and snow at Havre and Swift Current. Temperatures are decidedly lower over portions of the Upper Missouri valley and general west, but changes elsewhere have been slight. Temperatures continue much below normal throughout the plateau.

## THE SEMI-WEEKLY NEWS.

THE GREAT COUNTRY PAPER OF THE WEST.

is issued Mondays and Thursdays and contains all the cream of the Daily and Saturday News.

LOCAL BRIEFS.

The sub-committee on parade meets this evening at 8 o'clock at the Elks' club.

Peter J. Conley, a Rio Grande auto machinist, had a finger badly crushed yesterday in the shop.

County Superintendent of Schools Ashton announces that the Farmers ward school will close on Friday for the term.

A marriage license was granted yesterday at Ogden, to a great-grandson, aged 42, and Miss Louise E. Stalter, aged 26, of this city.

While playing yesterday afternoon Maurer Fitzgerald, aged 32, of 325 First South street, fell on the street car track and dislocated his shoulder.

The Elks will choose a new member tomorrow night at their regular meeting. The resignation of E. A. Silberstein, who has removed to Duluth, Minn., was accepted.

A missionary farewell party was given in the Sixteenth ward meetinghouse last night in honor of Elder John H. Lark, who leaves in a few days for a mission to the middle states.

Edward Palmer, a miner in the Dalton & Lark at Bingham, was badly injured yesterday in a cave-in at the Mascot tunnel and is now at the Keogh-Wright hospital receiving treatment.

The heavy frost that was threatened last night failed to materialize as feared, owing to the rain and cloudy weather.

The rain and cloudy weather, however, did not prevent the farmers from getting in their crops, as the ranges are reforested and the lowlands are well watered.

The Fifth ward of Ogden has inaugurated a plan by which it will be able to materially assist the missionaries by getting up a series of concerts. The first will be given May 20 in the Fifth ward assembly room for which a splendid musical program has been arranged. The concert will commence at 8 o'clock.

An amusing incident happened after the organ recital of Sunday in the Tabernacle. An Ohio tourist of immense size, who was seated in the front row, was so large that he was unable to sit down and he remained standing throughout the service.

Henry Phillips, the Pittsburgh, Pa., manufacturing magnate, and his son, John S. Phillips, and daughter, arrived yesterday from a very enjoyable tour through the Orient and are being shown the country by President James H. Smith, of the National Bank of the Republic, whose friends they are. Mr. Phillips has large property interests in this city, and holds a good sized block of stock in the National Bank of the Republic.

Invitations are out for a recital by the pupils of Mrs. Ella C. Swetz and Prof. George E. Swetz, in the Tabernacle, tomorrow evening at which the following vocal and instrumental students will appear: Anna Broadbent, Jane Verrick, Helen Hartley, Margery Brooks, Clarence Burton, violin; Cora Snyder, Alice B. Foote, contralto; Lillian Turner, Mrs. O. S. Beckett, Mrs. A. L. Whitman, soprano; S. Winters, tenor. The recital promises to be very entertaining.

National Organizer L. H. Fitzgerald of the International Stonecutters has returned to Denver in a happy frame of mind for he has succeeded in consolidating the two conflicting stonecutters' unions in this city, with the aid of the Commercial club, and prominent individual citizens. Mr. Fitzgerald called at the Commercial club this morning to express his appreciation of the assistance given to effect conciliation by the club's arbitration committee.

Henderson is chairman.

Privates J. McCabe and D. W. Reed of D troop, First cavalry, who are visiting here en route to their homes at St. Louis and Fort Ind., say that the humane policy of General Bell in introducing American harvesting machinery into the Philippines is bound to bear good fruit. The general recently held a general exhibition day, on which the American machinery was shown in operation in the rice fields in the presence of thousands of native farmers. The latter were astonished at what was done, and the result is that several shipments of agricultural machinery will be shipped from this country to the islands. The troops say that Luzon is completely pacified, but in Mindanao there is likely to be fighting for some time as the inhabitants are mostly savages.

# THE PAVING OF SOUTH TEMPLE

Residents Have a Heart-to-Heart Talk With the Council.

NO DEFINITE ACTION TAKEN

Whole Matter Will Be Gone Over Wednesday Evening - Discussions Pro and Con.

The city council and a number of South Temple street residents had a heart-to-heart discussion for about four hours last night on the question of paving that street from State to Tenth East street. No definite action was taken, however, and without transacting any other business, the council adjourned until Wednesday evening, when the whole question will be gone over again and the citizens will be given another opportunity to be heard.

Judge O. W. Powers, John D. Wood and Joseph Lippman addressed the council in favor of the paving, and Robt. J. Deighton, Charles Crane, B. H. Schettler and Bishop Empey argued against it. Judge Powers stated that every sort of public improvement which the city undertook had been fought by some who opposed it. He argued that the paving of streets would bring people here to live, bring in capital, increase tax valuations and thereby benefit the entire city.

Mr. Crane said that the aggregated wealth represented by the other side reminded him of Belshazzar's feast. He objected to being taxed in order that the wealthy might drive in their rubber-buggy cars without getting a speck of dust on their wheels. He stated that he did not envy them their good fortune, but that the poor objected to being taxed just to add a little to their pleasure. Councilman Develer argued that Mr. Crane was seeking to array class against class, rich against poor. He said that the rich deserved credit for increasing real estate values and giving employment to the poor.

It was suggested by some of those who opposed the paving, that there would be no objection if a means could be devised whereby the paving could be paid for on the installment plan. It was finally decided to lay the matter over until Wednesday.

WHAT IT WILL COST.

According to the estimate of the city engineer it will cost the city \$102,000 to pave the intersections of the streets, build a retaining wall, park the street and relay the water mains.

PAIRLEY'S CANYON RESERVOIR.

Considerable discussion was had on the matter of expending \$75,000 in year beginning work on the Parley's canyon reservoir. The matter was finally laid over until City Engineer Kelley can submit plans and estimates for a steel reservoir instead of a stone one, as the former is considered the cheaper. A resolution was introduced providing for the holding of a special election to vote on the issue of \$350,000 water bonds for the construction of the reservoir. The resolution was also laid over until the engineer's estimate is completed.

NORMAL SCHOLARSHIPS.

Supt. Nelson Appoints Them to the Various Counties.

State Supt. of Schools Nelson has appointed the 50 free normal scholarships in the University of Utah among the counties of the state as follows: Beaver, Carbon, Davis, Emery, Garfield, Grand, Iron, Juab, Kane, Millard, Morgan, Plute, Rich, San Juan, Sevier, Summit, Tooele, Uintah, Wasatch, Washington, Wayne and Weber, one each; Boxelder, Cache and Sanpete, two each; Salt Lake, four; Utah, five; Salt Lake City, eight; Ogden, three; Provo, one and Logan, one.

In giving each county superintendent of the appointment Supt. Nelson enclosed the following communication:

"The law provides that appointments to normal scholarships in the University of Utah shall be made by the state superintendent of public instruction on nomination by the county boards of examiners, or city boards of education, as the case may be. The law states that it shall be the duty of the state superintendent of public instruction, on or before the last day of May of each year, to apportion to the counties and cities, on the basis of school population, the number of normal scholarships to which they may be respectively entitled.

"Enclosed herewith you will please find a copy of such apportionment for the year 1903. The scholarships extend over a period of four years. Each county in the state is entitled to at least one scholarship, as shown upon the certificate of apportionment.

"I trust that no county in the state may fail in making its nomination or nominations before the beginning of the academic year. You will, of course, send the nominations to this office."

MRS. JUDGE INVOLVED.

Salt Lake Woman Said to be in Trouble With Customs Officials.

San Francisco, May 18.—Mrs. Mary Judge, a prominent mining woman of Salt Lake, arrived from the Orient on the steamer Siberia, and, failing to "declare" certain dutiable articles in her baggage, has become involved in serious trouble with the customs authorities. She is liable to pay a fine of \$90 besides losing the articles seized by the customs officials. Mrs. Judge emphatically denies any attempt upon her part to defraud the government.
