It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizy spells, bearing down pains; they must stoop over, when to atoop means torture. They must walk and bend and work with racking pains and many aches from kidney fils. Kid-neys cause more suffering that any other organ of the body. Keep the kidneys well and health is enaily main-tained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people you know. Mrs. Sarah Pearson, of 542 Eliza-beth St., Sait Lake City. Utah, says: "I had suffered from kidney trouble for years. I do not know what caused it, in fact, I think I inherited the trouble. There was persistent pain a scross the kidneys and it hurt me when I stooped or lifted anything. Then the secretions from the kidneys were irregular, scalded and contained a sed-iment like brick dust. Oftentimes there was a blurring before my eyes and they smarted. I used a number of remedies but without much bene-nt. I finally saw Doan's Kidney Pills advertised and got a box at the F. J. Hill Drug Co.'s store. I found that pare changed to be. They cleared up the kidney secretions and rid me of the aches and pains I have described, such they secretions and rid me of the use of this remedy that I am, indeed, glad to recommend it to others." — To sale by all dealers.
