Solid Merit will Tell.

For all the bitter opposition of jealous rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Coughs and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

Science and Honesty Combined.

We all know how dishonest men use science to assist in swindling. But Mr. Gillet called science to his aid when formulating Gillet's Double Extracts. His great pride in these, as well as his numerous other preparations, is more than pardonable, for no one has succeeded in equalling them, for they are not only scientifically but are HONESTLY prepared, being true fruit flavors and wonderfully delicious.

Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil nor color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous.

LOCAL AND OTHER MATTERS.

Premiums.—All those awarded premiums at the October Fair will do the Society a favor by calling at H. Dinwoodey's furniture store and getting them.

Found.—A Conference ticket for the Utah Southern Railroad. The owner can have it on identification by applying to Brother C. J. Thomas.

Correction.—In the list of missionaries to the United States called at yesterday's session of Conference, for R. T. Barratt read R. G Berrett.

The Coming Contest.—The Olympian games are about to renew for the season. The Red Stockings and Deserets will engage in the first base ball contest for the championship next Saturday. Rome or Carthage must succumb.

Erratum.—We are requested to state that the announcement published this morning, for the "Pinafores" to meet in the Theatre this evening at 7 o'clock, is not correct. The company will meet in St. Mark's schoolhouse.

Y. M. M. I. A.—The annual Territorial conference of the Y. M. M. I. A., will be held in the Theatre this evening, at 7.30 o'clock. The officers and members of the Young Ladies' Societies, and all interested in the progress of the work, are cordially invited to be present.

Pledges Redeemed.—In this evening's issue, is a list of the names of those who have redeemed their indebtedness to the Perpetual Emigration Fund, within the last six months. We hope that all the rest who know themselves in arrears to the company, will profit by the good example given.

Accident.—Brother Joseph Beswick, of Fairview, writes to us of an accident which befel his daughter, on the 2nd inst. The young lady, while getting out of a wagon, had the misfortune to fall and break her left arm just above the elbow joint, at the same time dislocating the joint. Dr. Longmore, of Mount Pleasant, performed a skillful operation and the patient at last accounts was doing well.

Street Items.—On Saturday night, it is said, an intoxicated man was set upon near the Eagle Gate, by some unknown persons and cowardly beaten with a rock about the head.

A row between a white man and a negro occurred in the alley below Squire's barber shop, last night. The white man was used pretty roughly by his opponent. They were both under the influence of liquor.

Our long expected shower arrived last night. It began about six o'clock and continued at intervals until morning. No dust to-day.

Deseret Museum.—An ancient oil painting on oak panel, a portrait of Calvin, has been presented by Brother William G. Saunders, of Ogden, also a well preserved almanac of 1788, and a few coins. Samuel Patterson, of Spanish Fork, has presented a collection of ancient Roman coins, with some curious British medals. Brother Patterson has been an antiquarian and collector for many years, and has shown much liberality in contributing to our museum. Among other relics, the Roman tessalated pavement from Cirencester, England, has been collected by that gentleman, a specimen of which may be seen at the Museum.

Weather Report.—The following weather report was received to-day:

Panaca, Nevada—Clear and Pleasant.

Pine Valley—Little cloudy but pleasant.

Hebron—Windy and cold, little snow fell last night.

St. George—Clear and pleasant.

Cedar City—Fine but cloudy.

Parowan—Clear but cold.

Cove Creek—Snowing all morning, rather gloomy; looks little like clearing up.

Beaver—Cloudy and cold.

Silver Reef—Clear, pleasant and warm.

Kanab—Windy and cold.

Frisco—Cloudy, calm, cool.

Fillmore—Snowing all morning; looks like continuing.

Nephi—Rained last night in valley, snowed in mountains, very cloudy.

Payson—Rained little last night, very cloudy this morning.

Toquerville—Cool and clear.

Paris, Idaho—Wind blowing cold, but fine.

Franklin, Idaho—Windy; looks like storm.

Logan—Somewhat cloudy, very windy and cold.

Brigham City—Cloudy and cold; n. w. wind.

Ogden—Cloudy, mild, clearing up.

Monroe—Stormy and cold.

Richfield—Stormy; very cold.

Glenwood—Very cold, looks much like storm.

Salina—Cold and raining.

Gunnison—Cold, stormy, looks if rain soon.

Manti—Cloudy, little snow on ground; looks like more.

Ephraim—Cold, cloudy and snowing a little.

Fountain Green—Cloudy and raining.

Morenci—Cloudy and cold; storming every few minutes.

Mt. Pleasant—Cloudy and cold; looks like storm.

Alta—Heavy snow, cloudy, about a foot and a half of snow fell last night.

Bingham—Cloudy; has been raining a little.

"Our Boys."—The performance of this celebrated comedy at the Theatre last night was very creditable. The piece abounds with opportunities for the display of good acting, and the company did their best to take advantage of them. We have seldom seen Mr. Margetts appear better than as "Old Middlewick." His make up and facial expression were fair exponents of the character and his acting showed that he had made a careful study of its merits. Mr. Graham was as good as ever in the character of the English fop, and made his share of the evening's fun. Mr. Sutton, though perhaps a little too boyish for the refined and high spirited Chas. Middlewick, played with ease, and to the general satisfaction. Mr. Evans also did fairly. Miss Colebrook was in her element as the fashionable, yet true hearted Violet, and Mrs. Harris appeared as Mary to unusual advantage.

"We all have our little faults," though an exemplification of its own truth, was played with spirit and created much laughter, Miss Cogswell, Mr. Bowring and all the rest acquitting themselves in usual good style.

The orchestra rendered the "Pinafore" music in fine style, but the acquisition of the clarionette did not improve it materially. The house was fairly filled, and though the performance was rather lengthy, we can confidently pronounce it a success.

Base Ball.—A match game of base ball was played on Washington Square, yesterday afternoon, between a picked nine and the Depot Club, the latter being the victors by a score of 13 to 0.

SUNDAY SCHOOL UNION.

The monthly meeting of the Deseret Sunday School Union was held on Sunday night at the Theatre, Superintendent George Goddard presiding.

Superintendent Moses Thatcher being called upon gave a statistical report of the Sunday Schools in Cache County, spoke of the cultivation of the art of music, and said he had noticed a marked improvement in that direction in the Sunday Schools since the introduction of the song books issued by the Union. He advised the teachers in giving instructions to our youth when calling attention to the inventions of the age, by men, such as the telegraph, steam, etc., that we should always show them that they are from God, and that he should receive the praise.

Supt. John B. Malben, spoke of the duties of children toward their parents, and of the training of our children in the pure principles of our religion.

Supt. Ballantyne said more interest was being taken in the Sunday Schools in Weber Stake since they had commenced having reviews and giving prizes.

Supt. S. S Jones gave a statistical report of Utah Stake Sunday Schools and stated that the children were more than usually interested. He advised all returned missionaries to take hold and assist in the Sunday Schools.

Supt. Goddard said that he with his assistants had visited a number of the schools in the city, where reviews were being held. He spoke of the necessity of correct doctrines being presented to the children, and asked the parents to see that their children were supplied with the books issued by the Union, that in asking this he was not begging, as it was for the benefit of their own children.

General Superintendent George Q. Cannon had learned that the missionaries who were now being called on missions were much better able to fill them than formerly, and taken in connection with the fact mentioned by Bro. Goddard of 22 out of 23 young men recently called, being members of Sunday Schools, he could understand the reason why they were so. He said, teach them the principles of truth and they are fully equipped to fight against the follies of the world, and said as with the mariner and his chart, so it is with the gospel. It is a chart for our youth and points out the way for them to go. It is the bounden duty of parents to talk with their children and explain the principles of the gospel to them and to find out their secret thoughts, and direct them aright, and not leave all to the Sunday School teachers.

Brother Erastus Snow spoke of the fears he had entertained in the past for the future of our youth, but that the anxiety had been lifted from his spirits by seeing the way the young people were associating themselves with our Sunday Schools and Mutual Improvement Associations, and he prayed God to bless them.

The 16th Ward Choir furnished the singing for the occasion.

The meeting was then adjourned to the first Monday of next month, in the 14th Ward Assembly Rooms.

Not Deserving of Pity.

Beggared spendthrifts, to whom money has no exchange value but pleasure.

Persons who will persist in dying by inches with dyspepsia and liver diseases, when Dr. Pierce's Golden Medical Discovery and Pleasant Purgative Pellets are unfailing remedies for these maladies.

Parents who spare the rod and ruin the child. Fast young men and women are generally spoiled children to begin with.

People who suffer from catarrh, when Dr. Sage's Catarrh Remedy is a safe, reliable, and well-tested remedy for this loathsome disease.

People who marry for money, and find too late that the golden glitter is all moonshine.

Women who suffer death every day of their lives, when Dr. Pierce's Favorite Prescription will effectually remove these painful weaknesses and impart a healthful tone and strength to the whole system.

People who live beyond their means and find that style and pride, like everything else in this world, unless placed upon a secure foundation, are subject to the law of gravitation.

Invalids who do more toward fostering disease, by living and sleeping in the low, unventilated rooms of the ordinary house, than the best medicines can accomplish toward recovery, when, at a moderate expense, they can secure all the hygienic and sanitary advantages of the Invalids' Hotel at Buffalo, N. Y. Every physician knows how much recovery depends upon good nursing and the hygienic conditions of the sick room. Chronic diseases are especially subject to these conditions.

DIED.

At Brigham City, April 4th, of diphtheria, MORONI MELVIN, son of Moroni and Maria Welch Phillips, aged 2 years, 5 months and 8 days.

The People of Utah have declared that

LOUIS REGGEL

IS THEIR BEST FRIEND.

WHY?

Because he sells Better Goods at Lower Prices than any other man in the Territory.

HOW DOES HE DO IT?

Read Our Circular and See.

WE have the pleasure to announce to the public a new departure in the locatives of our agency in New York City for the purchase and selecting of Our Stock, in order to enable us to quote lower prices than others who buy on long time and ask big prices in these days of

PANICS & HARD TIMES.

We are always on the look out for every Auction Sale and every Failure. We are always on the look out for every House on the Verge of Bankruptcy and Ruin, and with the cash in hand, we buy the lump, or in the lot, every class of merchandise that we can get at less than its value. Therefore, we can mark in plain figures

BARGAINS UNHEARD OF BEFORE!

We believe the people will patronize that house that sells the Best Goods for the least money; what we believe in is Pluck instead of Luck. Cash instead of Credit. Brains in the place of Cheek, and Science and Ability, beating back and crushing into oblivion these

Moonshine Merchants'

With their tough and tremendous long time prices.

Hard luck and harder times pinch some high toned concern, they must have money to meet the inevitable note to-morrow.

They all know we have the cash; the hard and solid cash and a thousand will buy double its value, and we can, and do offer goods away below the regular wholesale jobbers of Broadway, New York.

When Bankruptcy and Ruin overtake the victim, we are always there with the Almighty Dollar. This is the music and these the prices that crowd our store, whilst other merchants sleep on their counters, little dreaming of the Day of Disaster and Ruin of all who buy on long time and sell on longer, who pay big prices and sell at figures that no people can afford to pay.

Bear in mind that your own welfare is concerned in this Circular, and by paying us a visit we can guarantee you a large discount from prices you have been used to paying. We invite an early visit and inspection of our Large Line of

DRY GOODS AND CLOTHING!!
