**A PHYSICIAN'S OPINION.**

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."

ROME, May 20.—The Pope's encyclical will be dispatched the Brazilian Episcopacy today. He declares that none of the jubilee gifts gave him more pleasure than the news of the abolition of slavery in the Empire of Brazil.

**Buffalo Bill Arrives.**

NEW YORK, May 20.—Wm. F. Cody, his Indians, cowboys, animals, tents and paraphernalia arrived here today on the *Persian Monarch*. The deck was crowded with company. Buffalo Bill was, of course, the centre of attraction. The shore was lined with spectators, many of whom had field glasses. All are to proceed to Erastina, Staten Island, where Wild Bill's show opens May 30.

**The St. Louis Liquor Law.**

ST. LOUIS, May 20.—Today was the first real test of the Sunday closing law, and St. Louis was dry to all intents and purposes. There were about 40 arrests for violations. The saloons were closed at once. A number of drinking clubs were formed yesterday, and Concordia Garden was made the headquarters of several, and a store of liquor was purchased for them yesterday. Many people went to East St. Louis to enjoy the drinking privilege, and numerous picnics strolled to the country with kegs and pocket batteries. The river excursions were well patronized.

**To Tunnel the Detroit River.**

DETROIT, May 20.—A syndicate has been formed to tunnel the Detroit river at this point. B. Baker, of London, engineer of the immense Forth bridge in Scotland, and James Ross, of Quebec, one of the contractors of the Canadian Pacific were in this city yesterday and after a thorough investigation announced that the building of the tunnel can be accomplished with comparative ease. A gigantic syndicate known as the Michigan & Canadian Tunnel Co., and representing more than $100,000,000 of capital has just been legally formed in Canada and will be properly qualified for transacting business under the Michigan laws at once. This syndicate is composed of D. O. Mills and George Bliss of New York, Mr. Laidlow of the Bank of California and several of the officials of the Michigan Central Railway.

**A Gigantic Railroad Deal.**

MARQUETTE, Mich., May 20.—The opinion generally obtains, that a railroad deal of large proportions is imminent between the Duluth, South Shore and Atlantic and the Canadian Pacific railways, in which several foreign capitalists will be interested. Sir George Stevens, Prest., Sir Donald Smith, Director, and Mr. Van Horn, General Manager, Canadian Pacific; Mr. Farrer, a banker of London, England, Col. West and Capt. Rich, of Minneapolis, together with the officials of the Duluth, South Shore and Atlantic, are now making careful and detailed examination of all the holdings of the latter road, traveling in a special car. Their examination takes in every branch of the road as well as a visit to the great mines on mineral range road. The gentlemen are very reticent regarding the trip.

**The Pale Monarch.**

BERLIN, May 20.—During the first portion of last night the Emperor slept fairly well but was afterwards troubled with coughing. He appeared at the window at 6 o'clock. His general condition is fairly good.

**A Spanish Exposition.**

BARCELONA, May 20.—The Queen, in the presence of the Duke and Duchess of Edinburgh, Prince George of Wales, the Duke of Genoa, and a brilliant company, including the officers of several foreign squadrons, opened the exhibition today with imposing ceremonies. About 7,500 persons were present.

**The Pope's Rescript Overhauled.**

DUBLIN, May 20.—Six thousand persons assembled in Phœnix Park today to take action on the resolution adopted by the Irish Catholic members of Parliament with reference to the recent papal rescript. There were no priests present. Lord Mayor Saxton presided and Messrs. John Dillon, William O'Brien and other Parnellites made speeches. The manifesto of the Irish members was endorsed by acclamation. The crowd dispersed in an orderly manner. Dillon denied that the rescript was only a moral doctrine. He said that the Vatican would treat no other country in Europe in the same way. The Irish would neither submit nor bow to Rome. They would show the world that they were able to discern between its spiritual and political domains. Mr. O'Brien said the present deal was worse than twenty years of Balfourian coercion. The Irish had borne enough without taking uninvited blows from sources they least expected. It was humiliating to think that such a rescript in the name of Rome should be thrown into the teeth of the Irish people. A courageous, respectful, but firm protest was necessary.

**A Freighter Killed.**

SAN ANTONIO, May 20.—News has reached here from Junction City of the murder of J. T. Stroope, chief freighter in that section. Stroope, with two of his teamsters, were followed six miles by two unknown persons. After the teamsters had gone into camp, about an hour after dark, Stroope was shot to death. The teamsters were then ordered to go a certain distance away from the camp. When the fact of Stroope's death had been ascertained, they were permitted to depart, the murderers saying they had accomplished their ends. The officers are in pursuit.

## CASE OF BRIGHT'S DISEASE.

**Complicated with Gravel. How Help came at last. A Lucky Woman.**

I have long resolved that I would apprise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the happy chance of having used Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my Kidneys over nine years ago and from which I never expected to recover. First there was increasing pains in the small of my back and in my loins. I was feverish with no appetite and no sleep. I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. The distress in my back was terrible. I was burning up with a fever or constantly shivering as if cold. In a few months my physicans said I had Bright's disease, which was indeed alarming information. To add to my affliction after I had been ill about two years, I had a bad attack of gravel. When this made its appearance my physician gave up my case and I resigned myself to die. Up to this time I had four different doctors attend me, the best in the country, yet I constantly grew worse. Six years ago last June, how well I remember the day, I saw Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., advertised in our paper. I purchased a bottle, paying the price of One Dollar, and used it faithfully. After using one bottle I threw away my cane and went to New York on a visit, and three bottles cured me, this was six years ago. I have never had a return of gravel, nor of the pains or weakness in the back, and though I am over sixty years of age I am now vigorous and strong as I was in my prime.—Mrs. Emeline P. Mixer, Burg Hill, Ohio.

Avoid making a mistake, by remembering the name of medicine, Favorite Remedy. Price $1.00, made at Rondout, N. Y.
