

"O for a Horse with Wings!"

Streets were not known of the Pasteur Horse Nail, so he might have been called to depend on his horse's feet, without wishing him wings.

LOOK WELL TO YOUR HORSE'S FEET.

For unless you know well and look well to your horse's feet, you are liable at any moment to have him lame. If you do, however, his power will be well up to his full, making him a better creature, as does more frequently the case than the reverse.

THE PUTNAM NAIL IS ABSOLUTELY SAFE. It has Power and Durability, and is the only nail that in the world satisfies with the full confidence of the most exacting.

## What Scott's Emulsion Has Done

Over 25 Pounds Gain in 10 Weeks.  
Experience of Prominent Citizens.

The California Society for the Suppression of Vice, San Francisco, Oct. 27, 1889.

I took a severe cold upon my chest and lungs and did not give it proper attention; it developed into bronchitis and in the fall of the year I was threatened with consumption. Physicians ordered me to a more congenial climate, and I came to San Francisco. After my arrival I commenced taking Scott's Emulsion of Cod Liver Oil with Hypophosphites regularly three times a day, and took nine avapments went from 155 to 180 pounds and over; the cough meantime ceased.
