Later Mr. McPike visited Thaw in the Tombs and had a conference with the prisoner, lasting 15 minutes. There are other allenists in the em-ploy of the Thaw family than Dr. C. C. Wiley of Pittsburg, who for three hours yesterday was under a stinging cross-examination by Dist.-Atty. Je-rome. The distirct attorney's method of examining Dr. Wiley lends a new interest in the appearance of these alienists. Mr. Jerome has been a stu-dent of insanity himself for yea's and he displayed yesterday a knowledge of mental disorders which fairly took his hearers off their feet. He has yet to cross swords, however, with some med-ical men of eminence in their profession, and the battle is awaited with a keen appreciation of its lively interest and its effect upon the case. The exclusion of Mrs. Harry Thaw, May McKenzie and Mrs. William Thaw from the courtroom, has given the big chamber a rather desolated appearance.
