EDITOR AND PUBLISHER.

Local and Other Matters.

FROM THURSDAY'S DAILY, JULY 19.

Methodist School.—The Methodist School purposes spending Saturday at Lindsey's Gardens.

To Ogden.—President B. Young and party went up to Ogden to-day, with the intention of attending a meeting of ladies, in the Tabernacle of that City.

Plaster Mould.—Yesterday, Messrs. Geo. M. Ottinger and J. H. Rumell succeeded in obtaining a very excellent plaster mould of the face of the late Dr. C. F. Winslow. A casting from it will probably be ready by to-morrow.

Not Found.—The old gentleman, named Beach, of Logan, who has been missing since last week, has not yet been found. Last Sunday the people of Logan turned out to search for him, but could find no trace of him. It is generally believed that he was drowned, in attempting to cross the river, in Logan cañon, after his horses.

Lost His Feet.—About noon to-day Albert Angel was at the railroad depot, with a wagon and team. The animals got frightened and one of them jumped too close to a switch engine of the Utah Central railroad, the wheels of which passed over his front feet, injuring him so badly as to necessitate his being killed. The horse was the property of Brother D. F. Brown.

Drowned.—On June 20th, at Coe and Carter's tie camp, Weber Cañon, George Carter was accidentally drowned, in the Weber River.

An inquest was held over the remains, by a jury, before Mr. James McCormick, Coroner of Summit County. The verdict was that deceased was accidentally drowned while attempting to wade the Weber.

From papers found among his effects it appears that Carter was formerly of Montreal, Canada.

Meeting House.—A mass meeting of the members of the 21st Bishop's Ward was held on the public square of that part of the city last evening. The attendance numbered between two and three hundred. It was decided that the public building to be erected should be a meeting house, to be built by donations. The site for the structure was selected, and the spot was dedicated. Counselor W. L. Allen offering the dedicatory prayer. Ground was broken by Bishop Burt and others.

To-day workmen have been engaged in excavating for the foundation and a commencement was made in hauling the material upon the ground.

Swimming Baths.—Would it not be well for the City Fathers to take under consideration the propriety and necessity of having swimming baths in a fairly central part of the city? They would be a benefit in a sanitary point of view, and would be delightful for use in the hot seasons.

It is true we have those sulphur baths, at the Warm Springs, but they have several objections—they are not sufficiently central to be available to the general public; they are not cold water baths; only a portion of the general public have any desire or necessity to be medicated.

Probably the introduction of swimming baths in a central portion of Salt Lake City may not be feasible or expedient at present, but as they would be an undoubted benefit, it can do no harm to moot the subject and reflect upon it.

From North.—Brother Geo. L. Farrell, of Logan, is in the City.

To the Square.—The walls of the new addition to the City Jail are up to the square, and the structure is about ready for the roof.

The Scotch Party.—The Scottish re union at Fuller's Hill last evening was a very enjoyable affair. A large number of the natives of Auld Reekie, as well as many "Southrons" and people of other countries participated in the festivities. Songs, recitations and speeches were given during the afternoon, and dancing to the stirring music of Olsen's band, with an occasional song by way of variety, filled up the evening. It was an orderly, respectable entertainment, and nothing occurred to disturb the general harmony.

There was no national feeling displayed. All were friends and citizens of the world, moved by fraternal sentiments.

Fuller's Gardens were lit up with numerous lamps. The dancing hall is airy and pleasant, the shade of the foliage and the arbors is delightful, the view from the hill is magnificent, the proprietor and his lady and assistants are courteous and attentive to guests, and the place is a pleasant retreat from the dusty streets of the city.

Street Fight.—Last evening Col. M. M. Kaign and Col. B. A. M. Froiseth met on First South Street, a short distance west of the Kimball and Lawrence corner. A few angry words passed between them, when they came to blows. Col. Kaign administered some sharp strokes with a cane, while Col. Froiseth, not being thus armed, struck out lustily at his assailant with his fists, but was obliged to beat a retreat in much disorder.

The parties were to appear before Justice Pyper to-day, but Col. Froiseth being the worse for wear, the trial was, on his account, postponed until to-morrow, at one o'clock.

The cause of the quarrel was, so far as we could learn, that Surveyor General Kimball has been charged with malfeasance in office. Col. Froiseth was one of his chief accusers, and he had circulated a report that Col. Kaign had "white-washed" General Kimball, in his report, as United States investigating commissioner, to the department at Washington.

Col. Froiseth is an aspirant to the office of Surveyor General, but we understand, is not likely to get it. There are many who are not aware of any reason why he should. He may, like many other office-hunters, suppose he should get a position just because he needs and wants one. A larger-minded man would, in our view, be more suitable for the place.

Wasatch Stake.—A special Conference was held at Heber City, Wasatch County, on Saturday and Sunday, July 14th and 15th. Elders John Taylor and Franklin D. Richards were present, gave some excellent instructions, and organized the Wasatch Stake of Zion, as follows—

Abram Hatch, President of the Stake; Thos. H. Giles, First Counselor; Henry S. Alexander, Second Counselor.

Thos. Rasband, Bishop of East Heber Ward; John Muir, First Counselor; Harmon Cummings, Second Counselor.

Wm. Foreman, Bishop of West Heber Ward; John Crook, First Counselor; Geo. T. Giles, Second Counselor.

David Van Wagoner, Bishop of Midway Ward; John Watkins, First Counselor; Alva J. Alexander, Second Counselor.

Nymphus C. Murdock, Bishop of Charleston Ward; Enoch Riechen, First Counselor; Edward Buys, Second Counselor.

Wm. E. Nuttall, Bishop of Wallsburg Ward; John C. Parcell, First Counselor; Francis Kirby, Second Counselor.

Benj. Cluff, Bishop of Center Ward; John Harvey, First Counselor; Sidney W. Worsely, Second Counselor.

John M. Murdock, President of the High Priest's Quorum; John Jordan, First Counselor; Chas. N. Carroll, Second Counselor.

Thomas Todd, President of Elders' Quorum; Willard Carroll, First Counselor; Henry Ohlweiler, Second Counselor.

Thomas Rasband, President of Priest's Quorum; John Muir, First Counselor; Harmon Cummings, Second Counselor.

Thomas Hicken, President of Teachers' Quorum; Fredrick Giles, First Counselor; Joseph Moulton, Second Counselor.

Joseph S. Murdock, Gustavus Johnson, John McDonald, Elisha Jones, Attavill Wooten, Joseph Cluff, Henry McMullen, Daniel Biglow, Henry Clegg, John W. Wing, George W. Brown, John W. Witt, High Councilors.

James H. Moulton, President of Deacons' Quorum; Fredrick Hasband, First Counselor; Lorenzo G. Giles, Second Counselor.

M. S. SHELTON,

Reporter.

Financially Duped.—We have taken the trouble to obtain some facts in relation to the cloth peddlers who were recently operating in several counties of this Territory. They were in this locality only a brief period, probably not longer than two or three weeks. During their stay they managed to dupe the people to the tune of a large sum of money. We are not prepared to state the exact sum, but some idea may be formed of it when it is known that the banks of this city and Ogden discounted for them notes amounting in the aggregate to about \$15,000.

The peddlers took notes only from those who did not possess the ready cash, and it is probable that the cash payments largely exceeded the notes. We are aware of persons handing over to those swindlers cash for from \$150 to \$500 purchases.

This is a somewhat remarkable showing, in view of the amount of warning given to the people concerning those itinerant traders. It appears, however, that some people can only learn wisdom by hard experience, and very slowly by that means.

FROM FRIDAY'S DAILY, JULY 20.

Warm.—The thermometer stood 101° in the shade, at Logan, at one p.m., yesterday.

The Hoppers.—The grasshoppers were flying in clouds in mid air, over the city, this afternoon.

Another.—Yesterday a boy named Laphis was picked up in a state of insensibility, at Bingham Junction, having been sunstruck.

Sunstroke.—Mr. Alexander Daft was sunstruck yesterday, while riding in a wagon, a short distance south of this city. He is able to be out to-day, but is very feeble.

Missionary.—We have seen a letter from Elder John W. Sharp, who is laboring in Tennessee. He is baptizing a few, and is blest in his ministry. The sick are healed by the power of the Lord.

Dropped Dead.—This morning Christophina C. Goss, wife of Brother Frederick Goss, Superintendent of the United Order of Tailors, dropped dead. Deceased was a resident of the 6th Ward.

Accident.—On the 18th inst. a four-year old son of Mr. Lars Larson, of Fairview, Sanpete County, fell upon the floor, while at play, and broke his arm. The limb was set by Dr. H. C. Longmore, of Mount Pleasant, and the patient is doing well.

A New Settlement.—We learn that a new settlement has been formed, about twenty miles above Allen's Camp, on the Little Colorado River, by Brother Tenney and a few families. The location is a beautiful one, but it will require considerable labor to convey the water upon the land.

Arrested.—Yesterday deputy U. S. Marshal Crowe arrested Dr. Jeter Clinton, at his home, at Tooele, and brought him to this city last evening. He was taken to the Penitentiary for safe keeping. We understand the grand jury has found an indictment against him, but upon what particular charge has not yet transpired.

In Arizona.—We understand that Elder Peterson's Company, from Colorado (of whom mention has more than once been made in the columns of the DESERET NEWS), have arrived in safety, at Sunset Crossing, on the Little Colorado River, and that it is their intention to locate there, under the presidency of Elder Lot Smith.

The Ladies' Meeting.—The ladies meeting, held at Ogden, yesterday, was one of the most profitable and spirited assemblages that ever convened there. President Brigham Young delivered an address replete with practical wisdom, that could not fail to have a lasting and beneficial effect upon the minds of the listeners. He dwelt particularly, and with great clearness, upon the duties of mothers in rearing children. It was probably one of the best discourses of the kind ever delivered.

In the course of the proceedings he recommended the ladies to practically apply themselves to the industry of silk raising.

Elder Albert Carrington, President D. H. Wells and Elder John Taylor also addressed the congregation, which was very large, filling the Tabernacle in every part.

Fatal Shooting Affray.—The report alluded to in yesterday's NEWS, to the effect that Mr. Leonard I. Smith was shot and killed, yesterday afternoon, near the Half Way House, not far from the terminus of the Utah Western Railroad, proved correct. The person who killed him was Charles Wells, a nephew of Mr. Smith, and who had lived with the latter for several years. Wells had been stopping on Mr. Smith's ranch, and it was alleged, had been guilty of criminal intercourse with the latter's wife. Yesterday Mr. Smith ordered him away from the place, and he left, went to the place of Mr. Bates, and got a six-shooter and returned. The two subsequently met, Mr. Smith being armed with a shot-gun. It is alleged that Wells fired the first shot, which took effect in Mr. Smith's thigh, the latter returning the fire and hitting Wells in the arm. Wells shot again, the bullet entering Mr. Smith's side. The latter, then being entirely disabled, called to his assailant to spare his life. Instead of doing so, Wells beat him over the head with his pistol, and then, taking the shot-gun that was used by Mr. Smith, broke it in pieces upon him, beating his brains out with it.

Wells was arrested, and a number of indignant citizens collecting around him, an effort was made to lynch him on the spot, some parties even going so far as to procure a rope with which to hang him. By the interference of the more cool and collected, however, this summary punishment was prevented.

The remains of Mr. Smith were brought to the city last evening, for interment.
