LITTLE BOY KILLED.

With the loss of his son, the father of a little boy has met a tragedy.

A most lamentable accident occurred yesterday afternoon at the residence of a family living on the corner of 1st and 2nd streets.

The unfortunate boy, who was only three years of age, was playing with a tin toy train on the sidewalk in front of his father's residence.

The train was being pushed over by a hand which was not his own, and the train struck the boy's head.

The boy was killed instantly, and his father, who was standing by, was so shocked that he fell into the street.

The accident occurred at about 10 o'clock yesterday morning, and the body of the boy was taken to the morgue.

The father, who is a well-to-do man, is now in a state of great grief, and his friends are doing all they can to comfort him.

The coroner's jury has returned a verdict of accidental death, and the body of the boy will be buried tomorrow.
