## ARRESTED FOR EMBEZZLEMENT.

Martin Palmquist, Wanted at Red Oaks, Iowa, Apprehended by Sheriff.

## SUIT FOR \$2,000 DAMAGES.

W. H. Smith of Idaho, Held in \$1,000 Bonds for Horsestealing — Wedding Bells — City Briefs.

Sheriff Bailey, assisted by Deputy Delap, made a clever capture last evening in the arrest of Martin Palmquist, alias Martin Nielson, wanted at Red Oaks, Ia., on the charge of embezzlement.

Sheriff Bailey received a letter Wednesday morning from Sheriff William Thomas of Red Oaks giving a description of the embezzler and a photograph, stating that Palmquist is wanted there on the charge of embezzling funds of the Gert's Piano company, while employed as their agent and to arrest at any expense necessary and hold; that he will come to Ogden for prisoner. The letter containing the information had not been in the sheriff's hands 24 hours before the man wanted was behind the bars at the county jail.

Palmquist came to Ogden about three weeks ago from Red Oaks and has been employed by the McKannon Bros., piano merchants, of this city, as salesman during that time, going under the name of Martin Nielson. He had shaved his mustache at Cheyenne and took the quite different from his photo, but the sheriff Bailey saw him he was sure he was the right man. Palmquist was greatly surprised when the sheriff told him he was under arrest, but confessed that he was the man wanted, but that he cannot punish him on the charge of embezzlement, as he was in business for himself and bought four of five pianos from the Gert's company and left without paying for them. He also states that he has a wife and three children living at Red Oaks, whom he asked be notified of his arrest.

## SUIT FOR \$2,000 DAMAGES.

A complaint has been prepared by Judge Adee to be filed in the district court at Brigham City, Utah, against the Southern Pacific Railroad company. The complaint alleges that the plaintiff was employed by the defendant company as ruffian working on one of their trains on the Salt Lake near the Ogden-Lucan cut-off, that on June 7, 1903, while so employed by the neglect and carelessness of the defendant company, plaintiff was thrown from the train, and had his leg broken and sustained other injuries, and he therefore asks damages in the sum of \$2,000 and costs of suit.

## HORSE THIEF UNDER \$1,000 BOND.

W. H. Smith of Idaho was given his preliminary hearing before Judge Howell yesterday afternoon the charge of horse larceny, that of stealing a fine horse from Samuel Jost. The case was prosecuted by County Attorney Hulanicki. The testimony of the prosecution went to show that Smith stole a fine horse from Samuel Jost, who he then traded it for another horse and then sold the one he traded for. The court held him to answer to the district court in \$1,000, which he was unable to furnish.

Take \$500 from their Colorado Home and Start Out to See The World.

## THREE WEEKS OF ADVENTURE.

Now on Road Home with Father—Death of Alfred Smith—Wilson-Morgan Wedding—Notes.

Special Correspondence. Provo, Utah, Oct. 9.—Two sisters, Louise and Annie Brandt, aged 15 and 11, respectively, daughters of Gustave Brandt, a ranchman living near Ouray, Colo., were brought to Provo yesterday afternoon by Constable Mitchell of Clinton, and taken to the sheriff's office, and their father, who was on a train going east was notified, and returned last evening and took the children home.

The girls left home on the 22nd of September, taking with them \$500, for the purpose of seeing the world, and naturally made for Salt Lake City as one of the principal points of interest. When their money gave out they secured assistance by telling a story of being orphans and homeless, or any other plausible story that came to their mind, at least the older girl did. They finally decided to go home and started to walk and at this time the escape became a mistake. At Clinton they told Constable Mitchell a story of being taken from home by a man who knew they had \$500, and who took the money from them and leaving them in the hands of a man named Provo from which they escaped.

Mr. Brandt had, however, come to Salt Lake to look for them and was notified, so along with Constable Mitchell he came and brought the girls to Provo.

Of these men Mayor Ashton, Councilmen Bonnell and Burton, Recorder Belcher, Treasurer Davis and Marshal Wagoner, are the present incumbents of the respective offices, to which they were last night nominated. A very general gathering of the voters of the city at an early hour showed a healthy interest in the approaching election, the court room being packed to its utmost capacity, but everything passed off quietly and expeditiously, the proceedings being marked by but one lively incident, which was the election of aspirants for the position of marshal, but the fight soon narrowed down to Mr. Wood and Mr. Tom Sabe, with the result that Mr. Wood was winner by a small margin.

An almost unprecedented rainfall has gladdened the hearts of the people of this county during the past two or three weeks, until they are almost ready to cry "Hold, enough."
