AMERICAN.

Disastrous Shipping Fire. NEW YORK, 10.-This morning the hull of the burning vessel Nic-taux floated against the pier occupied by the American Export Lumber Company, at Hunter's Point. The premises occupied by the com-pany is on both sides of Newtown came in contact with the pier, they were unloading a large number of vessels. The fire immediately communicated to the lumber yard and spread with lightning rapidity. From the lumber yard fire spread to vessels, and notwithstanding the efforts made by several tugs which scene from the river is one of inde-scribable grandeur, flames rising in day. High street never before pres every direction, devouring every- ented such an elaborate display of

ing their receipts for the month of July shows a gain of about 32 per cent., the increase in mileage being about 42 per cent. During the month there was no special influence at work to standate traffic, although the grain movement continued large. The volume of earnings for seven months from January fore imposed.

The Cuban Indemnity.

Commodore Jeffers says while left the main band of Victorio This is the same band that attacked the coach on the 9th, compelling it to return to Fort Quitman and wounding one passenger.

army reunion in Columbus, Ohio. The Treasury Department requires that when the proprietor of a bonded warehouse desires to discontinue it, a written request be addressed to the collector or other chief officer of the customs at the port where the warehouse is situated.

to the Oregon Railroad and Navigr approach any nearer than about 100 amination of witnesses before the last night. The most skilled mining engineers have been on the ground all day and are now triying to smother the fire by closing up all the openings, thereby cutting off all the air. Failing in this they will try to extinguish the fire by forcing a powerful body of steam in the workings. Pipes for this purpose are now being laid. Experienced miners say that nothing will over-come the fire but water. This, however, will be the last resort owing to the many disadvatages and tre- a simple purgative they are unequaled.

mendons cost. Colorado Clippings.

DENVER, 10 .- General Grant, Col. Fred. Grant, and W. W. Smith arrived at Manitou this morning from Gunnison. U.S. Grant, Jr., leaves for California to-morrow evening. The Tribune's Santa Fe special says: The Territorial Democratic Convention yesterday renominated Hon. Miguel Otero for delegate to Congress.

The State firemen's tournament began to-day. The hook and ladder race was especially close and interesting. The teams ran 500 feet raised a 25-foot ladder and put a man on top. Nine teams tried for the championship, viz: Idaho Springs hooks, Harrison hooks, of Leadville, and hooks No. 2, of Denver. Their time was 26 seconds. The hose race was not concluded to-dry.

Clardy for Congress to- the range of mountains between him and the Indians, thus concealing his movements. He left camp convention here to-day nominated south of Van Horn's at 3 a. m., on Jas. H. Hopkins for Congress for the the 5th, and arrived at Rattle Snake

Springs, at 12 that night, marching sixty-five miles in 21 hours. Arriving there he found himself in advance of the Indians. At 2 p. m. served moving towards the springs. The troops of the Tenth Cavalry, G, held fire until it was thought the ing confusion and a general scattering of the Indians. From the high SALT LAKE CITY mountain the Indians perceived the smallness of the force opposed to them and advanced to the attack, trying to work their way to the der Captain Carpenter and Lieuten-Governor A. H. Colquitt. The con- ant Jones, made their appearance more and a company of the Twenty-Fourth Infantry appeared about eight miles southeast, coming around the point of the mountains. The Indians sent out a party to attack it, but were again repulsed and retreated to the main force. At this time a party of Indians was seen coming down the canyon, between the troops, with the intention of at-tacking the train and of getting to water. They were also driven back. The Indians retreated into the Carriza Mountains, pursued by the troops. Col. Grierson says it is im-possible to tell the loss of the Indians, owing to the nature of the country. Many were shot from their horses. Captain Nolan's command is now watching the canyon, and Captain Carpenter, with a force, has gone to Sulphur Springs and

Water Holes, about 20 miles from Rattle Snake Springs. Captain Livermore, with a company of the troops, is now opposite Fort Quit-
