You Will Like It

As the rolling snowball that grows with every increasing volume with each succeeding revolution, has been the history of Ghirardelli's Ground Chocolate, for over fifty years. Year after year the demand for it has increased by greater and still greater bounds, necessitating frequent increase in factory capacity.

That's evidence conclusive that the peculiarly rich flavor, which is preserved by the Ghirardelli process of preparation, pleases, and that's why we say you will like it.

Ask your grocer for it. Be sure that you get it.

MANUFACTURER OF FINE

FURS!

From Abroad and At Home Come These Master Works in Fashionable Rich Furs For Women and Misses.

A sense of thorough completeness marks this showing. It leaves nothing wanting. It goes beyond the border of suggestion into the realm of fact. Here side by side are the masterful works from the recognized Parisian authorities, the clever adaptations and original concepts of our own organization, the most inexpensive and the most pretentious models that have ever graced a showing for a new season.

"Most Astonishing Values In Furs I Have Ever Seen."

These—the words of a recent purchaser—express the thought of almost every one who sees this tremendous and all-inclusive fur stock of ours. We are proud of it, and justly so, because we know that never before has a single stock so great in the aggregate, offered such uniformly low prices.

There is scarcely a Fur piece or a Fur coat in the whole showing that has been price marked for more than one-half its intrinsic worth.

This fact is due entirely to our foresight and our ability to pay ready cash for the raw pelts last spring prior to sharp advances due to London March sale. You must bear in mind that after our present stock is disposed of prices such as we are offering now will be a thing of the past—so it is well to make your selection now. You need not pay the full amount if you don't want to. Pay a deposit and we will store the furs free of charge until Christmas.

SEALSKINS.

The low prices we quote should not create a doubt as to the value of the goods we offer. Here's why we can do better for you in furs than any other store in the West. The bulk of our stock is the product of our own shops. This eliminates the middleman's profit, and assures fresh, reliable goods. You take no risk. We guarantee in every reasonable way every purchase you make. This has been our policy ever since we located in the Knutsford Hotel corner stores over fourteen years.
