GOOD WORK. Commercial Cleb Taking Up Live Matters-Convention Secured.

At the regular meeting of the board of governors of the Commercial club last night the announcement was made that the next annual meeting of the National Association of State Dairy and Food departments of the United States will be held in this city in Octeber, 1903. A communication to this effect was received by Secy. Fisher Harris yesterday. Considerable business was brought up

at the meeting. Col. T. G. Webber, who is chairman of the railroad and trans-portation committee, reported that he and the other members of the commit-tee had secured from the Trans-Missouri freight bureau a readjustment of commodity rates from Chicago to Sa't Lake on blue demins, and other commodities, with a modification on the proposed new machinery rate. The board also received a report from

The board also received a report from J. C. Leonard, chairman on the special committee on irrigation, relative to the progress that had been made towards an amicable settlement of the existing differences among the various canal companies in Sait Lake valley. He also reported that steps were being taken to secure Utah's share of money under the new irrigation law. The decision was also reached to call a special meet-ing of the club for Saturday night, at which time the club will be addressed on the subject of the city's water sup-phy and irrigation matters pertaining and irrigation matters pertaining

to Utah generally, A committee of five was also appointed from the club membership to investigate the existing smoke nuisance thoroughly and then report, at the same time making suggestions as to the best way to counteract the avii. The personnel of this committee was not made public
