# BOSTONIA THE NAME

Of the New Town to be Built on Shores Of Utah Lake.

Bontonia, is the name selected for the new town to be built in Utah coun-ty as a consequence of the selection of the Pelican Point sile for the big reduction works with which the Boston Consolidated mines of Bingham are to be provided. This decision was reached yesterday by Mr. Newhouse.

Already the Boston company has be-gun the work of sinking wells to dewelop the best possible water supplies the best possible water supplies the meantime other details in commercion with the great enterprise will be arranged and within the next three months Bostonia should begin to assume the appearance of a lively town.

## SILVER DIPPER CASE.

# Suit to Set Aside a Certain Assignment

# Instituted.

The Crane company, P. R. Englehard, administrator of the estate of W. S. Pierce, deceased, and all heirs of sail estate have filed suit in the district court against W. S. McCornick, Eliso S. Pierce, the Silver Dipper Mining com-pany and W. W. Hutton to set aside the assignment and transfer to McCorr-pick of 151,000 shares of stock in the defendant company and to have the same turned over to the Pierce estate for administration. It is also asked that Mrs. Pierce be compelled to ac-count to the estate for all moneys re-geived by her from W. W. Hutton or

Advices from Park City indicate that the troubles of the Ontario company in clearing the drain tunnel of the ob-

struction are a long way from being attraction are a long way from being over with. There are good reasons to believe that ther are a series of caves and that conditions are more serious than a good many have ben led to sup-

The Maxfield of Big Cottonwood is in the market with ore today. Work is in progress at the Silver King Consolidated at Park City.

The Utah mine of Fish Springs has a

car of ore at the samplers today. The Uncle Sam Consolidated has five

cars of ore at the samplers today. W. C. Thomas of the Newhouse staff, returned from Beaver this morning. Broker W. H. Tibbals is expected to arrive home from the east tomorrow. Henry Catrow, manager of the Ohio

Copper company, is in Bingham today, The Uncle Sam Con, received settlement for three cars of concentrates today,

P. W. Madsen, manager of the Cenury mine, will leave for camp against omorrow.

Bupt. W. G. Page of the Red Elephant nine of Halley, Ida., is down from the northern camp.

C. H. Schley, an extensive shareholder Tintie Mining & Development Co., t) th has arrived from the cast.

Supt. Frank Janney of the Utah Copper company returned to Bingham this morning after a day's sojourn in the eits.

The Taylor & Brunton sampler re-ported five cars of ore from Tintle, two from Blugham and three from Tono-19311

The Pioneer sampler reported one ar of ore from Oasis, one from Neva-ia, two from Bingham and one from Big Cottonwood today,

The ore and bullion settlements re-ported late yesterday by McCornick & Co.: Crude ore and concentrates, \$52,-500, have bullion, \$27,800; gold bullion, \$9.600

Supl. Terry Morgan of the New York Romanza was in the city yesterday, Concentrates and crude ore are com-ing to the samplers from the Continental-Alta mines at Alta.

I. A. Jeffs has returned from a trip to Alta, where he made an inspection of the Columbus Consolidated where, resays, conditions never appeared quite so od to him as they do at the present time.

A increase from Tonopah to James A. Pollosk & Co, received late yesterday afternoon, conveyed the information that a receiver had been appointed for the Home-Tonopah property. While dy-tails are lacking it is presumed that some minority stockholder has objected to the deal for the purchase of the Mizpah Extension property.

pense of freighting the ore by team to lower Bingham and will add greatly to the convenience of things. When seen today, Manager Orem said that at the present time the company will market a car of lead ore daily, but this will shortly be increased to at least two carloads and possibly more, THE FRISCO CONTACT.

Manager Rohlping Returns With Some

Delighted Guests.

Broker William H. Alexander, Presi-dent William B. Mucklow of the Ma-jestic Copper company and D. P. Rohlf-ing, manager of the Frisco Contact mines in Beaver county, returned this morning from a trip of inspection to the latter. latter. Mr. Alexander, who was seen by a "News" representative during the day expressed himself as being greatly pleased with the outlook for the prop-erties over which Mr.Rohlfing presides, and predicts for them a bright future. The new holst at the Lulu company's property is in commission, and the new News"

property is in commission, and the new steam plant installed by the Prisco Contact will be placed in operation during the next few days. MAMMOTH STILL DOWN.

# Difficulty With Squatters Has Not Been

Entirely Settled. President Samuel McIntyre of the Mammoth Mining company has re-turned from Tintic where he went for the purpose of coming to an under-standing with some of the squatters on company ground. The Wills family, said the president this morning, is not the only case we have on hand, but matters are gradually being shaped up satisfactory all around. It may take several days to straighten matters out and in the meantime the extraction of President Samuel McIntyre of the and in the meantime the extraction of ore will go on from the zone above the

tunnel level, "We can get along very well without using the shaft," said Mr, McIntyre, "for we still have a pretty good mine above the tunnel,

## THE COLUMBUS CON.

#### Supt. Jacobson Tells of Congestion at Mine and Mill.

Supi, A. O. Jacobson of the Columbus Consolidated mine of Alta is in the city today and will probably return to amp again tomorrow, Mr. Jacobson says it will take at least until July for the teamsters to

remove the congestion at the bins, both at the mine and mill, with the produc-tion kept going ahead as usual. "We have had a large force engaged for several days," said Mr. Jacobson,

breaking a road through to the day and ten teams came through to take out concentrates, which will be moved out at the rate of a car or more a day from now on. At the mill the bins are all filled to overflowing and in order to keep the mill going steadily we have cleared off several places, laid

Mr. Jacobson says there is at least 100,000 pounds of concentrates ready for the markets and, besides this, there for the markets and, besides this, there are 150,000 pounds of crude ore piled up on the dump awaiting the teamster. At the South Columbus mine, Mr. Jacobson says fairly good progress is being made. The company is, in ad-dition to continuing the tunnel ahead, drifting on the fissure vein recently en-countered. By continuing this drift to-wards the contact, which is the same one that was encountered in Columbus Con, ground, Mr. Jacobson is confident that it will eventually open up a good

tact, they invariably open into good ore
