In this business we stand alone. This company owns and operates more Saving Stamp Stores than any other concern in the world. Do not miss this opening, as there will be on exhibition goods in greater variety, and of finer quality than have ever been offered by a stamp company in this city. As a matter of fact there is no comparison between the goods and methods of this company and those of any similar concern in this country.

One Book of AMERICAN SAVING STAMPS will give more than Two Books of Any Other Stamp Company in Existence. Seeing is Believing, and we want you to come and see.

REMEMBER, no article on exhibition is for sale, but all may be had without cost to you.
