THE "MORMON" PROBLEM.

COMPARATIVE CRIMINALITY OF
"MORMONS" AND NON-"MORMONS."

Notwithstanding the local
malice, the most lawless and
element in Utah—and they know it
too—they have the supreme im-
pudence to state about the "depravity"
of the "Mormons," whose morals
are incalculably purer than those
of their malevolent accusers.

Let your readers ponder well the
following conclusive criminal statis-
tics from the records of Utah's sec-
ond city—Ogden—for the years 1881
and 1882.

Send the news to Congress!
GADSDEN, Utah,
Jan. 16th, 1883.

Dear Sir:
In reply to yours of Dec. 23d, 1882,
I send you the following:
The population of Ogden City is
estimated at a little over 7,000. The
proportion of "Mormons" to non-
"Mormons," as near as can be esti-
mated, is 85 of the former to 15 of
the latter.

The following shows the number
of arrests during 1881 and 1882, and
for what arrested:

	1881	1882
Drunkennes	98	100
Disturbing the Peace	12	10
Prostitution	11	11
Selling Liquor on Sunday	3	3
Smoking Opium	1	1
Gambling	1	1
Swearing	1	1
Assault and Battery	1	1
House-breaking	1	1
Grand Larceny	1	1
Murder	1	1
Burglary	1	1
Mayhem	1	1
Fornication	1	1
Totals	133	136

Of the number of arrests in 1881,
there were 21 "Mormons" and 190
non-"Mormons." 8 were women,
all non-"Mormons."

Of the number of arrests in 1882,
there were 22 "Mormons," and 234
non-"Mormons." 7 were women,
6 of whom were non-"Mormons,"
and 1 a "Mormon" girl 14 years of
age.

All of the last named crimes in
1882, viz: house-breaking, grand
larceny, murder, burglary, mayhem
and forgery, were committed by
non-"Mormons."

During the two years 1 boy has
been arrested for petit larceny.

Weather Report.—The following
authentic weather report for to-day,
January 17th, is supplied by the
Deseret Telegraph:

Paris, Idaho—Snowing and blow-
ing.

Franklin, Idaho—Cloudy and
calm; appearance of snow; about
five inches of fresh snow fell yester-
day morning; ther. 23.

Logan—Cloudy, looks like snow;
light wind; about four inches of
snow on the ground.

Corinne—Cloudy and calm; snow
three inches in some places; here it
is three feet; was blowing here yester-
day; about blown everything over.

Bellevue City—Cloudy; S.E. wind;
ther. 27.

Smithfield, Utah—Cloudy and
calm.

Ogden—Cloudy; been snowing.
Bullionville, Nev.—Clear, cold and
windy.

Daily Mail.—A daily mail has
again been established on the route
from Junb to Fillmore.

Jury and Witness Claims.—The
Territorial Auditor is prepared to pay
all claims for jury and witness ser-
vices rendered from 1876 to the end
of 1882.

Will Lecture.—President Joseph
F. Smith will lecture under the aus-
pices of the Mutual Improvement
Association of the 15th Ward, this
evening, commencing at 7 o'clock.
The public are invited free.

The Triumph of Right.—Hon.
John Shary, Chairman of the Terri-
torial Central Committee of the
People's Party, has received a dis-
patch from Washington, conveying
the welcome tidings that Hon. John
T. Caine was sworn in at the House
of Representatives to-day, as Utah's
Delegate for the unexpired term of
the Forty-seventh Congress.

Mark of Appreciation.—This
morning, Brother William Knox,
foreman of the wagon shop on the
Temple Block, was presented with
a large and beautiful volume—
"Dore's Bible Gallery," the engrav-
ings being among the best in exist-
ence. The donors were the fellow-
workmen of the recipient, who took
this method of expressing their ap-
preciation of his many excellent
qualities, and the solicitude he has
always exhibited for their comfort.
The presentation of the gift was ac-
companied by any amount of good
wishes.

Concert and Ball.—No one can
examine the programme of the con-
cert and ball in aid of the Masonic
Library, to be given at the Walker
Opera House, without being struck
with the excellent quality of the
entertainment. The musical per-
formances will be conducted by Mr.
George Carless, whose ability to do
justice to the position is too well
known to require any comment.

The performers include some of the
leading local instrumentalists and
vocalists. The doors will open
at 7 o'clock and dancing will begin
immediately after the concert.

A Tour Through Millard.—This
morning, Apostle F. M. Lyman re-
turned from a tour through Millard
Stake, having visited every settle-
ment in it, beginning a week ago
last Sunday and concluding last
Monday night, holding twenty-one
meetings within that time. He was
accompanied on the greater portion
of the trip by Elders Ira N. Hinck-
ley, D. Thompson and Joseph D.
Robinson, the Presidency of the Stake,
and Bishop Black of Deseret. They
organized Leamington Ward, Lars
N. Christiansen being appointed
organist, with W. A. Walker and
B. T. Textorius as Counselors, and
L. W. Stout, clerk
of the ward. Brother Lyman had a
splendid time. He found a more
united feeling among the people of
Millard than he ever witnessed.

Comparative Morality.—Last
Friday the News published an ex-
hibit of the relative criminality of
the "Mormon" and non-"Mormon"
population of this city, as obtained
from the police records. The show-
ing was highly complimentary to the
moral plane upon which the "Mor-
mon" community stand, and prop-
ortionately discreditable to their
defamers. It manifested the fact
that the non-"Mormon" population,
(one fourth of the whole) supplied
three fourths of the criminals of
this city during 1882, while the
"Mormon" (three fourths of the
population) produced but one fourth
of the criminality. Placing it in
another form; relatively, providing
the population were equally divided,
the non-"Mormons" would produce
nine criminals to one by the "Mor-
mons."

Instead of Salt Lake being an
isolated instance in this connection
the situation is still more
strongly marked in other cities and
towns of the Territory. An in-
stance is given to-day, by "Histori-
cus," the facts presented by him
having been obtained from the re-
cords. A similar showing could be
correctly made in any part of the
Territory where the population is
mixed, and in those places where
the people are purely "Mormon,"
crime is comparatively unknown.

So much for the tainted moral at-
mosphere in which the "Mormons"
move, and the pure tone of the self-
exalted "Liberator." We do not
wish to illustrate with individual
instances of moral turpitude on the
part of boisterous defamers of an
orderly community, unless circum-
stances should demand, preferring
to hold a good deal in reserve.

A good new milk cow wanted.
See advt.

The grand concert and ball in aid
of the Masonic Library comes off
to-morrow night. It will be a bril-
liant and artistic affair.

Yesterday a Salt Lake bicyclist
rolled up Arsenal hill on his spin-
ning machine, for the purpose of
combining healthful exercise with
the exhilaration produced by a fly
through the bracing breeze. He
couldn't do it to-day.

Akron, Ohio, May 7th, 1890.—
Some three years ago I had a horse
become very lame from a spavin. I
treated it with Kendall's Spavin
Cure with marked success. Since
then I have sold a good many bot-
tles, and have heard of cures result-
ing from its use. I am frank to say
I can cheerfully recommend it as an
honest remedy. Yours truly,
