Arthur Brown Held to the District

Court After Hearing.

The preliminary hearing of Arthur Brown upon the second complaint charging him with forgery and uttering a forged Instrument, which was The Y. W. C. A. gave a house warmconducted before Judge Whitaker in the city court yesterday afternoon, resulted Second East street. The building is the in the defendant being bound over to the district court the same as in the hearing on the first complaint yester-day morning. During the second preliminary, Attorney Kinney made the same objections to the jurisdiction of the court and the proceedings as in the case yesterday morning and the court again overruled all objections and pro-

resid with the examination. Practically the same witnesses tes tified in the case in the afternoon as the first case with the exception of F. M. Orem, whose name was forged to the check in question on the second heatring, while W. C. Orem, was the principal witness in the first case. At the conclusion of the evidence Attorne Kinney moved that the defendant i discharged because the state had fulled to make a case against him. The mo-tion was dealed by the court. The at for the defense then asked that the ball in each case be reduced from \$5,000 to \$1,000, which was done, As-statut County Atterney Hanson con-senting thereto. This makes the total amount of ball \$2,000, which Brown hinks he can secure.

Thomas R. Feeny, a Bell Telephone lineman, aged 25, was electrocuted yesterday afternoon, at Bingham Junction, while testing a wire on a pole. In some way he stepped on a live wire strung below while having hold of the telephone wire, thus completing a circuit, and 2,000 volts passed through him. The body was kept from falling to the ground by the nimbleness of fellow workmen, and was lowered to the ground and brought to this city, preparatory to being shipped to Lexington, Ky., where his parents reside. The deceased was a member of the A. O. U. W., and the K. O. T. M. orders in Kenucky, and was a locomotive engineer trade. He came to this city last
