### FUNERAL OF MARY PARKER

Impressive Services Held in Hooper Meeting House Thursday.

Gambler Fined—First National Bank Loses Its Suit Against G. R. Belmont.

All that was mortal of Mary Nelsbitt Parker was consigned to the silent world yesterday afternoon in the Hooper cemetery. The funeral services were held at the Hooper meetinghouse which was entirely too small to accommodate the large concourse of sympathizing friends and relatives, who attended to pay a tribute of respect to the memory of a noble young woman.

The services were presided over by Bishop Childs. The ward choir furnished some very sweet music, and Mrs. Will Howell of Ogden, sang a very beautiful song entitled "Calvary." The speakers were Elders George G. Smith, Francis M. Belmont, James H. Jones, Heber Scoville, and Bishop Childs. Each speaker dwelt on the beautiful life of the deceased, who had accomplished a vast amount of good during her lifetime in teaching the youth of Zion in the Sunday school and Y. L. M. I. A. and in other ways.

The floral offerings were numerous and beautiful. The members of the Primary association and Sunday school attended the funeral and marched from the house to the church, thence to the cemetery. The funeral cortege was nearly a half mile long. Interment took place at the Hooper cemetery.

### BANK LOSES ITS CASE.

The case of the First National bank against G. R. Belmont to recover \$2,000, alleged to be due on a note, was heard by Judge Hart and a jury yesterday. A number of witnesses were examined on both sides, and the case submitted to the jury last evening, who brought in a verdict in favor of the defendant.

### GAMBLERS FINED.

Judge Howell again disposed of two gambling cases. Arthur Bailey charged by John Waite with gambling, was found before his honor on the charge of gambling, and the testimony of complaining witness, he changed his plea of guilty to guilty and was fined \$100, which he paid.

The case against Waite was next called for hearing. He is the man who prosecuted the cases against Smith and Bailey and his attorney, Brig. Bowman swore to a complaint against Waite, Bowman and Bailey both testified that they had seen Waite play games of chance for money. At this point Waite changed his plea to guilty and was fined \$100. Judge Howell asked anyone found guilty of gambling was just as guilty as anyone who ran a gambling house, but as it was Waite's first offense he was not fined so heavily.

The Lehi, Utah, Co., April 2.—Both here and at American Fork considerable interest has been awakened over the valuable limestone deposits lately discovered on the 12-mile plain in Rush valley, three months ago Messrs. Within the last few days a number of Salt Lake, Ogden and Lehi capitalists have become interested in the company. The limestone will be known as the Lehi limestone company, with headquarters at Lehi, with a capital stock of \$100,000 shares with a par value of \$100 per share. ### DESERET EVENING NEWS: FRIDAY APRIL 3, 1903.

### A CONVERSATION WITH A CLIMAX.

When a Professional Man Talks It's to the Point.

Several famous American physicians and surgeons were recently dining together after a session of a national meeting held in New York.

"I had a remarkable case this winter," remarked a surgeon, present, whose name as a specialist in rectal diseases is world wide.

"My patient was a woman, a delicate, nerve racked creature, who had suffered so fearfully from the ravages of hemorrhoids, that she had been obliged to wear a truss, and she was in the grip of the trouble, and yet her heart was weak and her strength so wasted by this fearful disease, that we dared not operate."

"I had ceased my visits to her for a time, but she had given up all hope when one morning she entered my office looking like a new woman; the pallor had disappeared and the lines of suffering were nearly eradicated from her face. She told me that she had purchased a proprietary medicine, named the Pyramid Pile Cure, and that from the first insertion of the suppositories she had obtained instant relief. I made an examination and found the return in excellent condition, the inflammation entirely disappeared and the swollen veins in normal condition."

"I was so interested in the case that I had the remedy analyzed carefully and was so pleased with the result of the action, that I procured a quantity of the most healing and reliable remedies present in the Pyramid Pile Cure and in a more convenient form than I could secure them otherwise, that I wrote to the Pyramid Drug company at Haverhill, Mass., asking for their booklet on Piles, their Nature, Cause and Cure, which by the way is sent free, and have since used their Pile Cure extensively and with best results in my practice. I do not hesitate to recommend it to you all. It will often save your patient from a painful surgical operation which in many cases results fatally."

Murray for \$9,000; Charles and Daniel Lloyd have purchased the place of Thomas W. Lloyd; price, \$12,000; Thomas W. Lloyd, from William Murray, city lot and residence, price, \$1,000; Alex. E. Maughan, from William Maughan, city lot and residence, \$1,800; John Perkins from David Murray, farm property, \$800; Adam Glen from James Parks, farm property, \$800.

Ordinary household accidents have no terrors when there's a bottle of Dr. Thomas' Electric Oil in the medicine chest. Heals burns, cuts, bruises, sprains, instant relief.

### Herbicide Cures.

Fever and Ague. A dose will usually stop a chill, a continuance always cures. Mrs. Wm. M. Stroud, Midolton, Texas, May 31, 1899, writes: "We have used Herbine in our family for eight years and found it the best medicine we have ever used, for a gripple, bilious fever, and malaria." 60c at Z. C. M. L. Drug Department.
