FREE FROM SMALLPOX.

Prof. E. D. Partridge, principal of the Beaver branch of the Brigham, Young Academy, is in the city. He reports that the school, which was closed on account of smallpox has been thurmuchly cleaned and displaced and thoroughly cleaned and disinfected, and that on July 15th the students will reassemble for review work, in order to regain, as far as possible, the loss in studies occasioned by the enforced closing of the school before the work mapped out for the year had been accomplished.

A BAD ACCIDENT.

The eight-year-old son of Mrs. Nellie Harris of the Fourth ward fell from a tree yesterday, and sustained a com-pound fracture of his right log, and an ugly flesh wound in his chin. The lit-tle fellow was attended by Drs. Allen and Taylor, and is progressing favorably. GARDEN CITY NOTES.

Blood Poison 2005 THE MOST DESTRUCTIVE OF ALL HUMAN DISEASES.

The poison ejected from the fangs of the rattle-snake is not more surely fatal than the virus of Contagious Blood Poison, which pollutes and esta like the blood, destroys the tissues and bones and eats like a canker sore into the flesh.

This horrible disease appears first in the form of a little sore or blister ; soon the glands begin to swell, pimples break out on the body, the mouth and threat become sore, making it painful to eat or swallow; dreadful ulcers appear on the tongue, copper colored splotches and other characteristic signs of Blood Poison come as the disease progresses, and the destructive virus takes deeper hold upon the system. The medical men are as sorely perplexed over the character of this blood poison as ever; they tell you to take mercury and potash alternately for three years, but the stomach of no human being can stand this treatment long ; besides, they do not cure the disease permanently, as thousands who have tried it know.

Caracas, Venezuela, May 22, via Haytien Cable .-- Venezuela's refusal to accept the French protocol covering the

renewal of diplomatic relations with Venezuela, was due to the objection of Venezuela to a clause providing for arbitrating all pending claims which originated on account of the last revobrightered on account of the last revo-lution. Venezuela proposed coming to an agreement on a total sum, without arbitration. It is doubtful whether France will accept this proposition. Judicial decision in the Bermudese case has been postponed until next week.
