

FIRE DRIVES OUT AUDIENCE.

Pike's Opera House in Cincinnati
Partially Destroyed.

THERE WAS NO PANIC AT ALL

Two Thousand People Fled Out in
Good Order—Some Women Fainted
on Reaching the Street.

Cincinnati, O., March 30.—The Pike opera house in Cincinnati, between Vine and Walnut streets, in which the Pike opera house is located, was partially destroyed by fire this afternoon. Standing room had been taken at the matinee, which was proceeding when the flames broke out. The audience retired in good order, but some women fainted after reaching the street.

There were about 2,000 people at the matinee and the performance of "Sag Harbor," by the Pike stock company, with Miss Collier and Byron Douglass in the leading roles, had proceeded only ten minutes when the portieres between the corridors and the north aisle were seen to be ablaze.

The fire started from some unknown cause in the basement, store room of the Adams Express company, and extended up through the first floors, practically under the auditorium, which is on the second floor. A great volume of smoke indicated there was a volcano under the auditorium, but the theater staff and the stage folks succeeded in reassuring the people and all were gotten out safely and with comparative quiet.

When the people reached the street they found the whole fire department of the city playing on both sides of the building and it required some time for the officers to force the crowd away. Many were hunting for missing friends and it was difficult to connect the half-crazed, anxious ones that there had not been a holocaust. A great portion of the women fled without their new Easter hats and wraps, and the individual losses will be considerable.

The only thing burned in the theater was a portiere, but the auditorium was badly damaged from water and it will not be used again this season. The Pike stock company was playing its closing week of the season here and had previously transferred its scenery for next week at Detroit from the building. Mr. Hunt, however, lost \$10,000 in scenery that was stored in the lower part of the building. The members of the company saved all their costumes and baggage. Total loss is \$15,000.

Chinaman Dead from Alcoholism.

Milwaukee, Wis., March 31.—The body of Charles Lee, a Chinese, is at the morgue. Lee is said to be the first of his race in this country to drink himself to death. His death is attributed by the coroner to "alcoholism." Lee, had no fixed occupation, and what money he got, it is said, went for drink. He was found dead in his room.

Albert T. Patrick Married.

New York, March 31.—Albert T. Patrick, convicted last week of murder in the first degree, for plotting the death of millionaire William Marsh Rice, and now awaiting the death sentence, and Mrs. Addie L. Francis have become husband and wife in the matrimonial room of the Tombs, according to the American and Journal.

A penitence did it, despite all measures taken to prevent.

The arrangements were so perfectly made, so secretly planned and so cleverly executed that not until the marriage was irrevocably complete were Patrick's guards cognizant that it was intended. The fact that Commissioner of Correction Hynes had declared his opposition to a marriage between the prisoner and the woman, who has been so faithful to him during his long incarceration, and the exacting tension of the long-drawn out trial,

CATARH CURED, HEARING RESTORED.

After 25 Years of Suffering with Catarrh, Which Caused
Deafness, Mr. W. Scott, Was Completely Cured by

DUFFY'S PURE MALT WHISKEY.

W. SCOTT,
373 N. Fifteenth Street,
Philadelphia, Pa., March 10, 1901.

Dear Sirs—I have now used four bottles of your Malt Whiskey, and think I owe my life to this whiskey. I am 67 years old and have had catarrh of the nose, throat and head for twenty-five years or more. I am now hearing. About six

made the Tombs officials more alert to prevent a marriage in the prison.

The marriage is said to have been accomplished, however, while the matron was present. The latter, however, was so much preoccupied while attending to the linen and her other duties that she was unaware what was going on.

Mrs. Francis, accompanied by her attorney, her sister and Patrick's father, called at the Tombs and asked for a conference with the warden. He was escorted to the matron's room and after a few moments the guard is said to have stepped outside. It is said the wedding contracts were then signed by Patrick and Mrs. Francis in duplicate. Under a law enacted by the legislature a year ago this form of marriage is lawful when the signing of the contract is witnessed by two persons. To perfect the ceremony it is only necessary to file the duplicate contract with a magistrate within six months.

FIRE ON A STEAMER.

The Pretoria Was Compelled to Return to New York.

New York, March 30.—The steamer Pretoria of the Quebec line returned to this port tonight with fire in her forward hold. Her passengers came in a short time previously on the steamer Noordland of the American line, having been transferred at sea.

The Pretoria left this port Saturday afternoon bound for Hamilton, Bermuda, with Capt. McKenzie in command. At midnight smoke was seen coming out of the forward hold. The fire could not exactly be located. The engines were stopped and Capt. McKenzie got ready for any emergency. The lifeboats were put in condition for hastily lowering and were stocked with provisions. At this time the vessel was 100 miles south of Sandy Hook.

At 9 o'clock this morning the steamer Noordland, bound from Philadelphia to Liverpool, home in sight. The Pretoria signalled her and she was soon alongside.

While the Noordland lay close by Capt. McKenzie began a thorough search of the hold to ascertain just how bad the fire was. On the hatches being opened he found that a shipment of hay in the front compartment was blazing quite furiously. The next compartment was stored with petroleum which fact accentuated the danger. Capt. McKenzie then decided to remove his passengers. They had remained quiet and soon were transferred in lifeboats. Then both vessels came on New York.

The passengers of the Pretoria spoke highly of the treatment accorded them by the captain and crew of the Noordland. A collection was taken up among the passengers of the Pretoria for the officers and men who manned the lifeboats.

A Bridal Walking Tour.

New York, March 31.—Samuel Shafkin and his bride have arrived at the city after having walked a large part of the way from St. Louis. Shafkin met his childhood sweetheart at San Antonio, Texas, soon after being discharged from the army. They were married and in a few days Shafkin received word that his father was ill. They had money enough to reach St. Louis but were compelled to walk from that city to Pittsburgh. At points in Pennsylvania they received help from the police and managed to ride a large part of the journey through Pennsylvania and New Jersey.

SCHOONER RUN INTO.

Result Was Three of the Crew Were Drowned.

Philadelphia, Pa., March 30.—With the greater part of her crew of eleven men asleep in their bunks below deck, the little fishing schooner Edna Earl, bound for the sea, was run into and sunk in Delaware bay, off Reedy Island, Del., late last night and three of her crew drowned. The drowned are William Smith, Dennis Ford, father-in-law of Smith, both of Philadelphia, and Patrick Nolan of Baltimore.

AN EASTER HAT ROW.

Two Young Men Fatally Wounded As a Result.

Chicago, March 31.—Because a number of boys made remarks about the Easter hats of two girls who were accompanied by two young men, George Stranz, 16 years old, of 633 west Seventeenth street, and Stanley Goblinski, 18 years old, of 643 west Seventeenth street, were mortally wounded by one of the men. The stranger who did the shooting was pursued by a number of citizens and the police, but he made his escape. During the excitement the two girls and the other man, George Stranz, were standing

FIVE DOLLARS A BOX.

The Price Cut No Figure With Him.

"I want to say for the benefit of some poor dyspeptic that Stuart's Dyspepsia Tablets will give comfort and a cure

every time. Five dollars a box would not stop my purchasing them should I ever suffer again as I did for a week before using them.

The one 50 cent box I bought at my drugist's did not work and my digestion is all right again.

Many of my neighbors have also tried these tablets and found them to be just as represented and Mr. Ellms also wants me to use his name in endorsing Stuart's Dyspepsia Tablets. Signed A. ELLMS and CHAS. F. BUTZELLE, Asst. Postmaster, South Sudbury, Mass. Mrs. Jas. Barton, of Toronto, Canada, writes: "For eighteen months I suffered from what I supposed was biliousness and kidney trouble, and took medicine from three different doctors, without any sign of cure. I felt so ill at last I was hardly able to do my work."

"I thought I would try a box of Stuart's Dyspepsia Tablets and see if they would make me feel better, never really thinking I had dyspepsia, but after only three or four tablets had been taken all the acid trouble disappeared and then I discovered I had acid dyspepsia, while the doctors had been treating me for kidney and bladder trouble and one of them treated me for rheumatism."

"My digestion is fine, my complexion clear and I am able to do my work and low spirits are unknown to me."

"I am so thankful for finding a cure so good and so pleasant to take as Stuart's Dyspepsia Tablets. I am surprised at the change they have made in me."

All druggists sell and recommend Stuart's Dyspepsia Tablets, because they contain only the simple natural digestives, and taken after meals prevent acidity and cause prompt digestion and assimilation of food.

Physicians everywhere endorse them because they are as safe for the child as for the adult; they are invaluable for sour stomach, nervous dyspepsia, heartburn, gas on stomach and bowels and every form of stomach derangement.

on the street corner when the two couples passed. Goblinski is said to have said to Stranz, "You are making about the hats the girls wore. One of the girls' escort objected and Goblinski repeated the remark insisting at the same time that no insult was intended."

Without a word of warning, it is said, the stranger drew a revolver from his coat pocket and fired four shots into the crowd. Only two of the bullets took effect. Goblinski was shot in the abdomen and Stranz was shot in the right breast.

Goblinski and Stranz were hurried to the county hospital, where attending physicians say they have little hopes of their recovery.

No Communication with Steyn.

Pretoria, March 30.—The efforts of Acting-President Schalkburger to open communication with Mr. Steyn, former president of the Orange Free State, have thus far been unsuccessful.

Dewet and Steyn have crossed the main line of the railroad going west. They were escorted by Van Niekerk and Vandermere, and have been traced to Paris, about 30 miles northwest of Hellesmond, by Col. Garrett.

Josephite Conference.

Lamoni, Ia., March 30.—The world's conference of the Reorganized Church of Jesus Christ of Latter-day Saints, which convenes at Lamoni April 6, promises to be one of the largest gatherings of the church ever held. Among the ministers and delegates already arrived are all the members of the quorum of twelve apostles, of whom Gomor T. Griffiths comes from England, R. C. Evans from the Canada mission, and Joseph Luff from California. This conference will be one of

great interest to the church throughout the world.

The twelve apostles have been in daily session since March 20, the special duty of the twelve being the oversight of the missionary work throughout the world. The first presidency of the church is composed of Joseph Smith, president; A. H. Smith and E. L. Kelly, counselors; A. H. Smith also holds the office of patriarch, and E. L. Kelly the office of bishop. The Zion's religious society, auxiliary to the church, held their conventions her from April 2 to 5.

Death on the Transport Kilpatrick.

San Francisco, March 30.—The transport Kilpatrick arrived today from Manila with the Seventeenth infantry and discharged soldiers, nearly 1,000 men in number.

There were five deaths on the voyage. Shortly after leaving Manila, Mrs. B. F. Pope, widow of Lieut.-Col. B. F. Pope, died. Mrs. Pope was bringing the remains of her husband home.

The other deaths on the Kilpatrick were V. Thompson, corporal company D, Twenty-first infantry; William Louke, private, Twenty-second infantry; Private M. Stuart, Twenty-fourth infantry, and J. J. Riley, civilian.

Benefit for Actors' Fund.

New York, March 31.—By a benefit performance given at the Academy of Music, the Actors' fund of America realized \$2,250, which is to be applied to the running expenses of the Actors' Home. The money for the institution itself is already provided.

Many persons volunteered that the performance was carried almost into the early hours of this morning. Thirty numbers were given.

Coney Island to be Reformed.

New York, March 31.—Coney Island has been plunged in gloom by the announcement that a wave of reform will sweep over the resort. Police Commissioner Partridge has decided to abridge the privileges of the islanders during the summer, and a circular letter bearing his signature has been read to members of the police force, calling for volunteers to assist in the work.

In calling for volunteers Commissioner Partridge says applications will be received from patrolmen of undoubted sobriety. Only "frank and willing" men are wanted, who will do "real police duty," and not consider the seasonal assignment as in the nature of a summer junket.

VAN KURAN RELEASED.

Ex-Treasurer of Oregon Short Line Secures Necessary Bondsman.

Arthur J. Van Kuran, the ex-treasurer of the Oregon Short Line railroad who embezzled about \$5,000 of the company's money, was released from the county jail at 4:30 Saturday afternoon under bonds in the sum of \$5,000, pending the decision of the supreme court on his motion for a new trial.

As was announced in Saturday's "News," negotiations were under way for his release and his attorneys were using every effort to secure bondsmen. The bond, as accepted, is signed by Frank Knox, William B. Land and three other sureties.

Van Kuran was convicted of the crime of embezzlement and sentenced to two and a half years in the state prison, but his case is now before the supreme court. He has been confined in the county jail more than 13 months, and during that time he has been very low with appendicitis, but he is now low with physical condition, which speaks well for the treatment he has received during his incarceration.

BEEKEEPERS TO MEET.

Annual Convention on April 5—Working for Stronger Organization.

The Utah Beekeepers' association will hold its annual spring convention in the City and County building, Salt Lake City, April 5, 1902, at 10 a. m., and 5 p. m. This promises to be a very interesting meeting and the attendance of all beekeepers in the state is desired. One important matter that will come up for consideration and action is a stronger organization for the protection and benefit of the beekeepers. It is expected therefore that every county will send one or more representatives.

COL. W. M. FERRY'S
HANDSOME GIFT

Westminster College to Have a
New Home Shortly.

SOUTHEAST OF THE CITY.

Site of Twenty-One Acres Presented
To the Trustees—Value Placed
At \$20,000.

Westminster college people are happy over the announcement that Col. William M. Ferry of Park City has presented the trustees with a site for the new buildings of the institution. It is 21 acres, cornering on Eleventh South and Thirteenth East streets and extending south to Parley's canyon creek. The value of the property is placed at \$20,000. The trustees had formerly decided to purchase the Crammon farm of 60 acres, a mile and a half south of the site presented by Col. Ferry, but the consolidation of the street car lines made it apparent that there would be no street railway extension that far south, so this scheme was given up. The new location will afford both city light, water and street car accommodations. The grounds are now being fenced in, and it is expected that papers will arrive any day from Washington completing the formality of the change of name from Sheldon-Jackson to Westminster college. At tomorrow afternoon's meeting of the trustees it is expected that the new site will be formally called College Hill.

The change of name was due to the fact that Mr. Jackson is not of such prominence as would really warrant an institution of national pretensions being named after him, although he is a most worthy and highly esteemed citizen; and a number of wealthy men from whom assistance was expected declined to take such an action in view of the fact that the name of the institution retained its name. The facts were laid before Mr. Jackson, and he readily and willingly relinquished further claim to have the college retain his name. As was with difficulty that the trustees retained the name of the University of Michigan.

WOODWARD BURIED.

County Attorney Buttlar Threatens Proceedings Against Lynchers.

[Special to the "News"]

Casper, Wyo., March 31.—The body of Chas. F. Woodward, lynched Thursday night by a mob, for having murdered Sheriff Ricker, was interred in the cemetery at this place Saturday, his wife having arrived from Thermopolis Thursday, attended the funeral and it was with difficulty that pallbearers were obtained.

So far as known, Mrs. Woodward, has at no time expressed an opinion as to the lynching of her husband. The woman certainly possesses a great amount of self control, for County Attorney Buttlar, threatens to issue warrants for the arrest of the lynchers claiming that he knows most of them. It is, however, not thought that Buttlar knows the men who would have any of them arrested, it is said it would not be a healthy proposition for Buttlar.

The people of this county are determined that murderers and thieves must leave their vocations. The action of the mob was not so much against Woodward as against this class of law-breakers. The body was cut down by the corner within two hours from the time he was shot. It is thought by conservative men that the Woodward incident will close with his death that there will be no arrests made and that it will have a wholesome lesson on evil doers throughout the state.
