LOCAL AND OTHER MATTERS.

**REMOVE THEM.**—All persons who place obstructions on the sidewalks, such as barrels, boxes, fruit or vegetable stands, furniture, etc., should remove them forthwith, or they will be called upon by City Marshal John H. McFarland, to remove them. In another column, relative to the removal of all such obstructions before the 29th.

**PROBATE COURT.**—The case of Obey, for the murder of C. L. Dolson, was called up in the Probate Court this morning, this being the day set for the commencement of the trial; but by the request of counsel, the Court held it over until the 5th of next month.

**CALLS.**—We had a pleasant call this morning from G. W. Vinton Esq., general agent of the firm of Deane and Co., manufacturers of the celebrated "Moline" plow, who is here on a business trip, and will visit this city again on his way to the east.

**WORKS.**—This morning we were shown by Brother George M. Galsford, forty-five feet of tape worm, recently taken, by Dr. Plant, of the 10th Ward, from a six year old son of his. Brother Galsford states that the time between the administering the medicine to the boy and his being relieved of the worm was only two hours and a half—a remarkably short time. He also states that Dr. Plant's charges are exceedingly moderate and that he is a member of the church, having recently arrived from Rotherham, England, with a company of emigrants this season.

**CALDER'S CHERRY.**—We were shown a small limb bearing a great quantity of very large, red, fleshy cherries of a pleasant subacid flavor, with small stones, from the garden of Brother D. O. Calder, who, perceiving the excellence of the fruit this season, has budded a number of trees from this stock.

**EXCURSION.**—A number of gentlemen connected with Z.C.M.I. and their friends, had a very pleasant excursion to Lake Side yesterday. A few of the boys went out the evening previous, taking with them the edibles and "drinks," and made some general preparations. The company took breakfast at the dining room of the grove, the day was spent in dancing, singing, boating, etc., and a general good time was enjoyed by all who participated. The excursion was planned by the Z.C.M.I. department, and was directed by Messrs John Clark and George Bourne.

Per Deseret Telegraph.

**PAROVAN, July 25.**  
The 24th was celebrated here with zest. At sunrise firing of cannon, music from brass and martial bands and hoisting of flags. The people assembled at 10 a. m. there was a patriotic oration by Silas Smith, speeches by Haines and Mayor Dalton, music and spicy toasts, and a party was given in the evening by Mayor Dalton. The day's proceedings passed off in peace and good will.

**SEVERE ACCIDENT.**—A ten year old boy of Mr. Leonard Wins, of this city, met with a very severe accident on Tuesday morning by being kicked in the head by a horse. The little fellow is extremely fond of horses, and on the night previous to his being injured he slipped out of the house to the stable and slept in the latter place, with the intention of getting up early in the morning, harnessing an animal, hitching it to a sulky and going out for a ride. It is supposed, however, that he got up in his sleep, as he was found at a very early hour on Tuesday morning, by the stableman, in a frightful condition, his skull being fractured in several places. Several large pieces of bone have been taken from the injured parts since the accident. We understand that, considering the nature of his injuries, he is doing remarkably well.

**PERIODICALS.**—Mr. Dwyer, of the Salt Lake News depot, lays the following on our table:

"Harpers Weekly," and "Leslie's Illustrated Newspaper" for July 27, and "Harpers Monthly," the "Galaxy" (which we have not received), and the "Popular Science Monthly" for August.  
"Harpers" contains Mount Desert (Illustrated), Soda Water (Illustrated), The Mountains (Illustrated), Jimmy (Illustrated), The Golden Gate (Illustrated), On the Cronies (Illustrated), and a number of other articles.  
The "Popular Science Monthly" is a very valuable periodical, and is replete with scientific articles popularized to meet the wants of the masses of the public. It is worthy of extensive patronage. Some of the contents of the current issue are: Modern Literature, Nutritive Salts, Physiology of Sleep, Judges, Jurors, and Insanity, Corpulence, Physical Science, Night and the Visual Organ, Causes of Physical Degeneracy.

**YOUNG LADIES RETIREMENT BALL.**  
The ball, under the auspices of the Ladies Retirement Society, in the Thirtieth Ward Assembly Rooms, last night, was an excellent affair. Among the guests were President B. Young and Geo. A. Smith, and Elder Geo. C. Cannon. Before dancing commenced, minutes of meetings held by the retirement societies of the 11th and 12th wards were read by Miss Shippey and Miss Maggie Miller, and an original essay on retirement was read by Mrs. E. R. Shippey. President Young made a few appropriate remarks and the balance of time was occupied in dancing. Those who participated in the affair appeared to enjoy themselves.

**TWENTY-FOURTH AT OGDEN.**—C. W. Parson, editor of the Ogden Junction, gave us a call this morning. He says they had a splendid celebration yesterday at Ogden. A salute was fired early in the morning, during which one of the cannon burst, shattering it and its carriage into fragments; fortunately no person was hurt, most of the stores were closed, and business suspended. A very large concourse of the citizens assembled about noon, in Farr's Grove, when an oration was delivered by President B. Young and speeches by C. W. Parson and Milo Anderson Esq., interpreted by music from the Ogden band, which was a grand success, there was a general picnic, which was followed by dancing and rural sports. The oration and speeches were short and spicy, and the celebration was one of the best ever held in Ogden, finishing with a grand ball, in the evening, at Woodman's Hall.

**FATAL ACCIDENT.**—We regret to have to record a most distressing accident which occurred early yesterday morning to Geo. A. Wells, aged between twenty and thirty years and son of President D. H. Wells. It appears that on the evening of the 23rd, the unfortunate lad requested leave of his mother to sleep away from home with some of his companions, and that his request was not complied with, owing to his mother's anxiety for his safety. It was thought he had retired to his room, but it transpired that he had gone to a place which he had been told of being early called upon by his companions. A few of the latter called upon him about midnight, and he went with them, but he was unable to arouse him. They called upon him, however, about an hour afterwards, when he was found lying on his back, with them. One of the boys had a pistol, and the intention being to shoot pigeons, the pistol was loaded with small gauge rock. The pistol was handed to the unfortunate youth, who held it up in his hand, and the probability is that he was attempting to bring it down on his head, when it was in a line with his abdomen, in which position it was discharged, making a frightful wound, causing his lovely to prostrate. The accident

occurred a short distance north of the Eagle gate, shortly before 6 o'clock. The poor fellow expired and fell to the ground, and Mrs. Lucy D. Young, hearing the shot and the cry, darted from her house to the spot, picked him up and ran back to the house, carrying him in her arms.  
Drs. Anderson, Fowler and Richards were immediately sent for, Dr. Fowler arriving first. These gentlemen rendered all the medical assistance possible. They enlarged the wound, replaced the intestines and injected morphine into the veins of the sufferer to relieve him from pain. He expired at fifteen minutes past two o'clock yesterday afternoon. The funeral services took place this afternoon. Deceased was born December 18th, 1859, and was a lad of great promise.

**THE JUBILEE.**—We believe the Children's Jubilee in the Twentieth Ward yesterday was one of the best affairs of the kind ever got up in the Territory. About \$225 was subscribed by members of the ward and others, nearly all of which was expended in prizes for the little ones. All of the prizes were of a useful and substantial kind. The examination of the educational competitors showed that many of the latter had attained considerable proficiency. The following were awarded prizes:  
For Reading: 5th reader, Anna McRay; 4th, reader, Willard Squire and Alice Dye; 3rd reader, Eliza Burt and Ellen Dunbar, 2nd reader, Ephraim Parker and Lizzie Sansome; 1st reader, Emma Cromar and For Layman.  
Arithmetic: John C. McRay, David McRay, Andrew Burt, Heber Romney.  
Writing: Joseph Burt, Ralph Savage, Aggie Mackintosh, Hannah Dunbar and Eliza Gibson.  
History: Joe. Romney and John Reed.  
Church History: Geo. E. Anderson, Sarah Sansome, Wm. Ottinger and Kate Miller.  
Composition: Sarah Romney and Martha Long.  
General Excellence: Georgiana Romney, Grace A. Hodgson, Geo. Cushing, Emil Messer, John Toronto, Margaret Snedden, Anna Murray and John J. Snowball.  
Drawing: Jas. Naisbitt, Thos. Latimer, Cha. Reynolds and Ed. White.  
Cabinet Organ Playing: Annie Savage, Janet Sharp and A. West.  
Recitation: Nellie Ladlaw, Mattie Lambourne, Lizzie Hagel, Mary Teasdel, Sarah D. Rose, Albert Paul, Arch Egan.  
The specimens of handwriting displayed comprised probably the most interesting and creditable feature. Look of space will not admit of our giving a detailed account of the articles exhibited. In the mechanical department was a lady's stand with an inlaid top composed of black walnut, redwood and white pine, made by W. C. Dunbar, Jr., which was an excellent piece of workmanship, especially when it is considered that the young gentleman who made it had only worked at the cabinet business about three months, having been employed two years previous as a building carpenter, an apprentice of Brother W. N. Allen. There was also a bridge and halter by David Dunbar, and the upholstery work on a lounge by E. Messer. These ladies also had a few other articles. E. Leinhardt received prizes in that department.  
Fencing old pants: Vilate Romney, Alice Sharp and A. West.  
Knit stockings: Francis Lyons and Annie Burt.  
Darning stockings: Mary Ann Sansome, Isabelle Wright.  
Straw Hat Making: Elizabeth Ramsey.  
Needlework: Christine Lyons, Sarah Letimer, Mary A. Luff, Lizzie Sansome, Marcela Wilcox and Elizabeth Adamson.  
Crotchet Work: Alice Dye, Hannah Dunbar, Sarah Teasdel, Alice Sansome and Jessie Wright.  
A large variety of prizes were also awarded to competitors in various games, such as base ball, running, jumping, etc. In the latter category a few of the boys excelled all the others, there being but one other lad who was anything like a match for him.  
Captain Croxall's band was present during the greater part of the day and entertained the proceedings with excellent music, and altogether there was a good and a splendid time and even the grown folks laid aside the gravity supposed to belong to age and experience and "pitched in" and had a really fine time.  
There was a Sunday school jubilee also in the 10th Ward, at which the proceedings consisted of singing, dancing, picnics, games, etc., the whole winding up in the evening with a dance by the teachers and the larger pupils of the school and their invited friends all going off "as merry as a marriage bell."  
There was, we understand, something of the same kind in the 4th Ward.

**RECEIVED.**—We have received, from Messrs. Campbell & Patterson, "Frank Leslie's Lady's Magazine," "Harpers' and "Demore's," all for August. Also "Harpers' and "Leslie's" for September, for July 27th. Those and all other first-class periodicals are for sale at the store of Messrs. Campbell & Patterson, at the corner south of the Old Constitution building.

**THE NEW MEETING HOUSE AT PAYSON.**—At the dedication of the new Meeting House at Payson, on Saturday last, the dedicatory prayer was offered by Elder Willard Woodruff, and the Spanish Fork choir sang the following song:  
**MAIL, BRIGHAM YOUNG!**  
TUNE—Hail, Del.  
Hail, Brigham, prophet of the Lord!  
By God and angel hosts blest;  
We praise his name who heard our prayer,  
And bade thy wrongs redressed.  
Hail, all hail, to Brigham Young!  
May he be ever blest!  
We thank thee for the word of God  
Held in the peaceful West.  
And now we more than ever know  
He'll never forsake nor leave  
Those who obey his righteous law  
And in his love believe.  
CHORUS: Hail, etc.  
We feel it is a precious word more;  
To hear thee speak from here,  
Oh, may it never be hushed in death,  
Till Christ descends in power.  
CHORUS: Hail, etc.  
Though wicked men had laid their snares,  
With seeming tact and skill,  
To take thy life, to blast thy power,  
Yet thou art with us still.  
CHORUS: Hail, etc.  
For God, who reigns in heaven above,  
Hail thee who art from here,  
And though thy wrath was very fierce,  
We did not feel alarm.  
CHORUS: Hail, etc.  
The good to have thee here to-day,  
The word of life to give;  
May every hungry thirsty soul  
A full supply receive.  
CHORUS: Hail, etc.  
Father in heaven, may wisdom rest  
On teachers and the taught,  
And may the meetings here, to-day,  
With precious truths be fraught.  
CHORUS: Hail, etc.  
Spanish Fork.  
The Meeting House is one of the most elegantly finished buildings for the purpose for which it was designed. It is well lighted, and the interior is well adapted to the enterprise and taste of the people. A full description of it will be given hereafter.
