

OUT OF WORK.

[CONTINUED.]

"Well, I don't deny it," he replied doggedly; "and the money and children, too."

"Right," he replied. "My all means. But a man shouldn't drive a carriage and then, don't you know? And now and then a trip on a Sunday down to Greenwinch or Richmond? Or to Brighton and back for three shillings?"

"A man must get out a bit sometimes," he replied doggedly; "and the money and children, too."

"Right," he replied. "My all means. But a man shouldn't drive a carriage and then, don't you know? And now and then a trip on a Sunday down to Greenwinch or Richmond? Or to Brighton and back for three shillings?"

SINGER'S New Improved Silent

FAMILY SEWING MACHINES

THE BEST IN THE WORLD,

Because of them are in constant use, while a very large proportion of other makes are no longer used, owing to their being partially or utterly impracticable.

The New Improved Attachments for Hemming, Mending, and capable of performing a range and variety of work never before attempted upon a single machine; using either silk, twist, cotton, or worsted threads, and sewing with equal facility the very finest and coarsest materials, or anything between the two extremes, in the most beautiful and substantial manner.

The New Improved Attachments for Hemming, Mending, and capable of performing a range and variety of work never before attempted upon a single machine; using either silk, twist, cotton, or worsted threads, and sewing with equal facility the very finest and coarsest materials, or anything between the two extremes, in the most beautiful and substantial manner.
