

## ABOUT THE COURTS.

trial Day in Legal, State, County and City Courts.

## THE GRIM OF THE THIRD DISTRICT.

Board of Education—T. J. Strode, Pres.; Justice, H. C. Strode; From the Just. Hall's.

Today was an extremely dull day in the courts, as well as in the state, county and city offices. These days always provide the trustees of great business. Tomorrow all will be closed up, but will return with more commercial activity on Monday.

Court's Business.  
The following cases were listed and carried over to the court of the Newcomer, in order to make the calendar more interesting:

*John W. Christie vs. St. Mark's Hospital*: A hearing was had of arguments on a bill of complaint of alienation of property for a new hospital and the matter taken under advisement. Defendant was granted leave to file a counter claim.

A notice of removal of summons by publication was made in the case of Amos Johnson vs. Gustav Johnson. Hearing on damages to plaintiffs in the case of the G. E. Bank, Trust & Commerce company was set for Saturday, July 11.

Probate Business.  
In the matter of the estate of Blanchard B. Furtado a hearing was had on final account of administration and letters of attorney, which was granted by Judge John C. Andrew.

estate of Wm. H. Lawler, the hearing on executors' first account account and petition for partial distribution was continued.

H. L. Carter was appointed guardian of the two minor children of Alvin P. Cutler.

Conciliations in partition were re-pointed in the estate of Franklin C. Andrew, deceased.

An order of sale of personal property was made in the estate of Jim Womack, deceased.

A petition for an order of sale of real estate in the estate and guardianship of Clem B. and Flora Wiseman, deceased, was granted.

Taxes Abated.

The board of equalization made the following statement in regard to cases:

Morgan Brown... \$1,000  
L. C. Green... 1,000  
John C. Andrew... 1,000  
George... 1,000

John Bonham, Henry Raby and Johnson Gregory were denied any abatement of their taxes. Six assessments were abated from the city, while several applications were referred pending further action.

The other day, when news was brought to him that his wife had been driven to the depths of Merton, attempted to bribe his way past the train for the city gates out, and was captured. Two boys were in at the time. One of them, named Charlie Clinton, was known as the tall Indian, and his head and one of the rails with him force to cross the rail in a terrible manner. Death resulted instantly.

The other boy, whose name is Martin Aldrich, was also thrown against the rail, but was not so severely injured, at least it is thought, as he will recover. A large portion of the scalp was torn off, and the skull was injured.

The mother of the Clinton boy was attending the Convales in this city. The other boy's mother is in Ogallala Creek and has been sent to Ogallala.

THE GREEN BAG.

There was no criminal business in the third district today.

Judge Stith's court is adjourned till Monday morning.

The docket to the criminal and five days were allowed for filing an appeal. The State, Ogallala, and San Joaquin, defense, and the case submitted.

This week has been a very dull one.

DAILY WEATHER VANE.

Observations Taken at Utah, Idaho, Montana, Oregon and Nevada Stations.
