## TALK OF THE TOWN.

The last day of June.

Another scorching day.

President S. M. is up from Provo. Solitude, thy name is the Police Court!

Liberty Park is being rapidly fitted up for the celebration.

Thomas Clark, formerly of England, has been admitted to citizenship.

Lieutenant Willard Young, U. S. A., is home on a six weeks' furlough from West Point.

The Arlington Minstrels play for two nights at the Theatre next week—the 4th and 5th.

The Seventies of the 10th District held a meeting on Monday night and adjourned sine die.

Robert Watson, Esq., manager of the Logan Co-op, is at the Hot Springs, north of Ogden, prostrated by rheumatism.

The Plinyon-Climax case is still stricken down by an indignant compositor.

In Provo, on the 4th, W. H. Brown will read the Declaration of Independence and John E. Booth, Esq., will be the orator of the day.

Salt Lake, Ogden and Provo will vie with each other as points of attraction on Monday, and each city thinks it can "get away" with the others.

"Under the Gaslight" on Saturday afternoon and night. The hundreds who were turned away last Conference, by the crowded house, now have an opportunity of witnessing this great play.

The singing at the funeral of Sister F. M. Little yesterday afternoon was most excellent. It was rendered by a select choir, led by Elder H. G. Whitney, accompanied on the organ by Brother H. E. Giles.

Four tents of surveyors are pitched in the vicinity of the Sixth Ward Jordan Bridge. It is supposed they are in the employment of the Denver and the Grand Canyon Valley Railway, but "divil a word" will they say upon the subject.

The body of George Cooper, the elder of the two brothers drowned on Sunday last in the Jordan, was found yesterday about 11 a. m., floating on the water near Pettib's, several miles below where the accident occurred.

The speakers at the funeral of Sister Little were President Joseph E. D. Woolley and Elder C. W. Penrose. The opening prayer was by President George F. C. and the benediction by Counselor D. H. Wells.

## LOCAL AND OTHER MATTERS.

Address, Wm. Wilkes, 20th Ward, Salt Lake City.

30th June, 1881.

Attention, Firemen.—The regular meeting of the Wasatch Engine Company No. 2, will be held at the engine house, 12th Ward, on Friday July 1st, 1881, at 7.30 p. m. Every man requested to be present.

By order, WM. R. ADKINS, Sec'y.

Changes.—The Millennial Star of June 19th, announces: "Edward King, Traveling Elder in the London Conference, is released to return home with the June 25th company. David McKay is released from being Traveling Elder in the Glasgow Conference, and is appointed Traveling Elder in the Dundee Conference."

All Invited.—The inhabitants of Salt Lake City and vicinity should remember that the coming celebration of the 4th of July, at Liberty Park, is free to all, irrespective of race, creed or condition. All will be welcome. Those who have not been formally invited, should join in with their respective wards and attend the grand picnic. Printed invitations have been issued to such as could not be conveniently reached in other ways. But all should consider themselves invited.

Another Death.—Sister Christina Christensen McCarty, only daughter of C. Christensen, late bishop of Levan, died from erysipelas at Ephraim, on the 21st inst. She left her husband and three children, two boys aged 7 and 3 years respectively, and a little girl of 17 months. Her father and husband are in Arizona. The deceased was generally beloved and respected. Her oldest brother, John E. Christensen, watched over her faithfully day and night. The mother and grandmother were also there.

## Powder Accident.

—Yesterday afternoon, between 5 and 6 o'clock, August J. Cannon, a son of Hon. George Q. Cannon, aged 18 years, met with a painful and serious accident at the family farm, south-west of this city. In company with a number of playmates he was amusing himself with some fire-crackers, and having a broken one from which he thought the powder had been extracted, lit it for a torch. As it did not ignite readily he endeavored to expedite the process by blowing upon it. While so engaged, the powder took fire and flew up into his left eye. He was at once taken into the house, where he received every care possible until the arrival of Dr. Romanus B. Pratt, who was sent for immediately. She cleaned out much of the powder, but some still remains inside upon the eyeball. The orb was much swollen last night and has been to-day, but the patient was feeling quite comfortable about noon. The Doctor is not yet certain whether the sight can be saved, but expresses a belief to that effect.

"Under the Gaslight."—The famous sensational drama of "Under the Gaslight," which has never been played out to crowded houses, will be presented on Saturday afternoon and evening by an excellent company of home talent, including Messrs. David McKenzie as "Snarky," Mr. John Lindsay as "Ray Trafford," Mr. P. Margetta as "Old Ryke," Mr. John C. Graham as "Bermudas," and Miss Nellie Colebrook as "Laura Courtland." Mrs. Ardelle Cummings and Miss Edith Clawson will also appear. The cast is exceedingly strong, and the performance will be correspondingly excellent. Get tickets at once.
