

NEW YORK CASH STORE.

OUR WONDER SALE

WAS THE MOST extraordinary and impressive event in the history of merchandising in this city. At the season of the year when all progressive houses unload at a sacrifice, preparatory to receiving their new stocks, we resolved to make a record breaking cut price sale that would surpass anything ever attempted in the west. The crowds that filled our store throughout the week attested the success of our efforts. No department and no article has been overlooked in this great midwinter cleanup; and while our prices have been lower than the lowest, we have made a still deeper cut in the price of everything.
