Never a political sequence of leasure in the army. The lit is thought will be passed, without any very funportant amendments, for, while there are those who uppose a numerical reduction of the army, it is conceded that this bill, though making important economical changes, will not impair its fighting strength.

There is a strong sequence of local a conceded that the probable that it will be passed, without any very funportant amendments, for, while there are those who uppose a numerical reduction of the army, it is conceded that this bill, though making important economical changes, will not impair its fighting strength.

There is a strong sequence of local a conceded that the probable that it will be passed, without any very funportant amendments, for, while there are those who uppose a numerical reduction of the army, it is conceded that this bill, though making important economical changes, will not impair its fighting strength.

There is a strong sequence of the army to wear their uniforms. The object if to cultivate a political sequence of the army to wear their uniforms. The object if the cultivate and the excess of officers of leaves of the army to wear their uniforms.

the army. This it is thought will be accomplished by showing at a glance the large number of officers who have nothing to do but draw their pay. This class is very numerous in Washington and in some other cities, but, from the fact that they wear citizens' cities, they are not distinguishable from civilians. Our canada on Tunnsylvadia. als Avenue without brushing against generals, colonels and majors on every block, and they are daily on the floors of the House and Senate as lebbyists. If they could be required to advertise their professions by their uniforms, our legislators and them.

here. These are officers who have been in this city for years, drawing pay with military regularity, have perhaps the excuse of trivial office, but doing no service that an intelligent tensyear-old

that an intelligent tentyear-old boy might not perform by writing his signature five or six times a day under the word "approved," on a precent paper that he never impects, filled out by a department clerk. The propriety of wearing the uniform is quite as applicable to the navy as to the army. Whenever an officer is detailed for work in the civit establishment of either service, and the excuses that have been invented for such so-called work are numerous and far fetched, a dlark must be detailed to do the a clark must be detailed to do the clerical work of the superfluous office. Thus a treble extravagance

Sater Bench was born in Northle, Rag-land, January St., 1965, tens buyined into the Church of Jesus Christ of Latter-day Saints by Elder C. V. Spensor, in 1864, and ordered the plains in a band cart company hi 1856. She was an affectionate wife, a friends to mourn her death. Fits died as she had lived, a consistent Lagler day
