FRICION OVER TREASURERSHIP.

School Board Strikes a Deadlock In the Matter of This Appointment.

TWO BANKS ARE IN THE FIGHT

Selection Hinges on Who Will be Named to Succeed Edwards—Officers Re-elected.

The next meeting of the school board of Salt Lake promises to be a lively one, as two topics were laid over from last night to be settled at that time, and on both there is a possibility of friction.

The most important is the selection of a treasurer for the board. The applicants for the position last night were representatives of McCormick & Co., and the Utah National bank, S. A. Whitney, assistant cashier of McCormick's, applying for re-appointment for the next two years, and A. C. Strong, assistant cashier of the Utah National, applying to succeed him.

The situation has been at a deadlock in the board for several weeks, as the case of both banks has been considered, and each has had its friends. In moving to defer action last night the motion in favor of doing it was voted for by Cheesman, Newman, Oberdorfer, Henderson and Moyle, while Cummings, Martin, Glavinque and Thomas voted against it, and from their talks were in favor of making the appointment last night.

FOUR TO FOUR.

It appears from this vote that there are four members, exclusive of the president, in favor of each bank, and therefore the key to the situation lies in the choice for a successor to Mr. Edwards, whose removal from the Fourth product caused his resignation a few weeks ago. Mr. Thomas, it was thought, would bring in a nomination last night, but this matter, too, went over, and a man will be named at the next meeting. His vote will probably throw the matter one way or the other.

MARTIN FOR STRONG.

In the discussion last night C. S. Martin opened with a motion that A. C. Strong's application be accepted. Mr. J. Cheesman opposed it for the reason he stated, that under the law the Utah National was restricted from making loans as large as the school board would have to make in the form of overdrafts at times. He stated that at one time last year, the overdraft amounted to \$1000, and that the Utah National could not legally provide this sum of money. Judge Henderson also held to this opinion, but Mr. Martin explained that the Utah National intended to share its deposits and overdrafts with another bank. If Mr. Strong was chosen, and stated that McCormick's, he believed, had shared theirs with the State Bank of Utah.

STANDING OF BANKS.

At this point some feeling was injected into the meeting by Cummings who stated that at one time McCormick & Co. had squeezed the school board out of its right place, and by Thomas who resented what he styled the reflections of Mr. Cheesman on the standing of the Utah National. Mr. Cheesman explained that he was talking only the law, and that the federal statutes prevented the national banks from loaning over a certain small per cent of their capitalization, which in the case of the Utah National was \$100,000. Cummings stated that he had advanced sums which the school board would need at times.

Judge Henderson then moved to defer action until next meeting, and the motion carried by the president's vote, over a tie.

OFFICERS RE-ELECTED.

In the selection of officers for this year, there was no radical reorganization. The board was re-elected president, Judge Henderson was unanimously chosen for Vice President and L. P. Judd was re-elected clerk.

In providing for the Morris home, the salary of Mrs. Clara French was raised from \$65 to \$75 per month and the following substitute teachers were selected as regulars: Belle Shirley, \$65; Mrs. E. V. Stevens, \$60; Ann Kingsbury, \$65; D. H. Fowler, \$60; Mrs. Emma P. Glover, \$60; Georgia Wheeler, \$75.

"GYM" SUITS FOR GIRLS.

Estella Taylor, Beatrice Buckle, Ivy Dix, and Helen Bailey, were released from their contracts. It was decided to continue the present arrangement in regard to the training school at the University of Utah, and to recommend that parents of girls in the High school provide them with gymnasium suits proper for exercising.

Mrs. S. K. Kinney and Mrs. C. H. McMahon, appearing on behalf of a committee appointed to work for a re-education home for boys. They urged that a school room be fitted up and a teacher provided for the Morris home.

EXPENSES ESTIMATED.

Clerk Judd submitted the following estimate of expenditures for the school year ending June 30 next: General expense, \$18,000; interest on bonds, \$31,500; teachers' salaries, \$22,500; janitors' salaries, \$1,200; fuel and lights, \$12,000; books and school supplies, \$19,000; maintenance and repairs, \$45,000; rent, \$600; furniture and apparatus, \$600; building fund, \$20,000; sinking fund, \$21,622.90. Total, \$494,641.90.

Rev. Carlisle P. B. Martin, L.L.D. Of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which induces a cough and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take, I can most cordially recommend it to all persons needing a medicine for throat or lung trouble. \$50.00 a bottle. Sold by Z. C. M. I. Drug Dept., 112-114 Main street."

Dangers of a Cold and How to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effective medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by all druggists.

Every Movement Hurts.

When you have rheumatism, muscles feel stiff and sore and joints are painful. It does not pay to suffer long from this disease when it may be cured so promptly and perfectly by Hood's Sarsaparilla. This medicine goes right to the spot, neutralizes the acidity of the blood, which causes rheumatism, and puts an end to the pain and stiffness.

Biliousness is cured by Hood's Pills.
