NOTHING LIKE IT

FOR WHOSE BENEFIT

Its peculiar efficacy is due as much to the process and skill in compounding as to the ingredients themselves. Take it in time. It checks diseases in the outset, or if they be advanced will prove a potent cure.

No Home should be Without it.

It takes the place of a doctor and costly prescriptions. All who lead sedentary lives will find it the best preventive of and cure for Indigestion, Constipation, Headache, Biliousness, Piles and Mental Depression. No loss of time, no interference with business while taking. For children it is most innocent and harmless. No danger from exposure after taking. Cures Colic, Diarrhœa, Bowel Complaints, Feverishness and Feverish Colds. Invalids and delicate persons will find it the mildest Aperient and Tonic they can use. A little taken at night insures refreshing sleep and a natural evacuation of the bowels. A little taken in the morning sharpens the appetite, cleanses the stomach and sweetens the breath.

A PHYSICIAN'S OPINION.

"I have been practicing medicine for twenty years and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator, promptly and effectively move the Liver to action, and at the same time aid (instead of weakening) the digestive and assimilative powers of the system."

L. M. HILTON, M.D., Washington, Ark.

A SURE CURE FOR THE PILES.—You need not suffer from this most distressing disease again in all your life. Emali's Pile Cure acts as a poultice and lubricator, absorbs the tumors and allays the intense itching at once. No caustic, no acid, no pain. A. McGibbons Esq., 19 Poplar street, Allegheny, Pa., writes: "I had itching and bleeding piles so bad I could not sit, stand or walk without intense suffering. I doctored with many physicians, and tried all the (so called) cures that I ever heard of, in vain (paying out hundreds of dollars), until I used Emali's Magic Balm, or Ointment. After the first application I enjoyed the best night's sleep I had for ten years, and two boxes have cured me completely." ☞ Wherever introduced Dr. Emali's Balm takes the lead, and has the largest sale of any Pile remedy in the world. Sold by druggists everywhere or sent by mail, 50 cent boxes. Address Zion's Co-operative Mercantile Institution, Salt Lake City. d&w ly

EVENING NEWS.

Tuesday, April 17, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.]

High Water.

WINONA, Minn., April 16.—The Mississippi has never been known to be so high in April. The rise of yesterday and to-day is unprecedented. The water is creeping over the railroad tracks at the ferry landing. At the West End everything is afloat. All the houses on West Third street between these limits are in the midst of a broad sea, stretching from Fourth street to the Wisconsin shore. On the north side of Fourth street the water is driving the people out. The lake is rising and the water is running over Huff street and backing up into the rear yards of Mark street. The water is still rising, and a few inches more will prove disastrous.

Brewery Lockout.

NEW YORK, April 18.—The brewery lockout has begun and more than 5000 brewers, brewery wagon drivers, maltsters, helpers, wagon makers, coopers, painters and apprentices in this city, Brooklyn, Jersey City, Newark, Paterson and Staten Island are out of work. The financial week of the workmen ended at noon today. According to instructions of the unions, every brewer in every one of the above named cities returned to work as usual this morning. There were few outward indications that the greatest lockout that has ever occurred in this section of the country would occur in a few hours. Just before noon the proprietors of each brewery met the men and informed them that their services were no longer wanted, that they had unanimously decided to be their own bosses, and would not submit to anything dictatorial from their men. However, if the men sought re-employment as individuals, and disconnect themselves from the unions, they would get work. The men passed quietly to the cashier's desk, after they had heard what the proprietors had to say, received their weekly pay and departed. At noon time, owing to the agreement, every brewery door closed and business for the time is suspended.

Baldwin's Horses.

ALBUQUERQUE, N. M., 16.—Stuart Harold in charge of Lucky Baldwin's horses was interviewed about the recent accidents on the Atlantic & Pacific Railroad. He said at Ash Fork, Arizona, one car loaded with horses jumped the track. The drawhead was broken and bent, the axle so that it was two and one-half inches out of plumb, but the car was not overturned nor the horses injured. The following day at Yucca, the other two cars were derailed but did not upset. This last accident occasioned a delay of twenty-four hours. Harold says none of the horses were seriously injured or thrown out of their stalls. He admits that they were badly shaken up. He could not state whether it would interfere with their engagements at Nashville or not. Volante was in the last accident. The cars are being put in order here before leaving for Nashville, with a stop possibly at St. Louis.

The Emperor Dying.

BERLIN, April 16.—At the evening conference of the doctors concerning the Emperor it was found the fever and bronchitis were unchanged. It is undeniable that Dr. Mackenzie this morning believed the Emperor's end was approaching. The Empress urgently summoned the members of the family to hasten to the castle. Crown Prince William galloped from Berlin and arrived first. He was soon followed by Empress Augusta and others. Prince Bismarck was at the bedside an hour after receiving the summons. There is a marked discharge of bloody mucous from the Emperor's throat and the swelling is progressing downward.

Prince Bismarck, accompanied by the Minister of Justice, had another interview with the Emperor this evening, when his Majesty signed an order appointing the Crown Prince to act as his representative.

9 p. m.—Better reports have been received from Charlottenburg. The Emperor left his bed and sat for a while in an arm chair. The Grand Duchess of Baden visited him at 7 o'clock. After the visit he slept for an hour.

9:15 p.m.—The Emperor is very weak and it is reported that inflammation of the lungs has set in. Towards evening he fell asleep.

At midnight all the members of the imperial family were summoned to the Emperor's bedside. The worst is feared.

Professors Leyden and Senator were summoned today for consultation on the Emperor's condition. Professor Senator took part in the conference today. Professor Leyden will arrive tomorrow from Weisbaden. Professor Senator, who is one of the greatest German authorities on internal diseases, carefully examined the Emperor's guest and reported that he found no trace of organic disease of the lungs.

The doctors predict another bad night. The attack of bronchitis is supposed to have resulted from the Emperor's drive on Saturday in the cool northwest wind.

Peasant Uprising.

BUCHAREST, April 16.—The peasant uprising is extending. Several village magyars have been killed. Large bands are assembling with the avowed object of attacking Bucharest. The telegraph wires have been cut at several railway stations. Special trains are bringing troops from Moldavia to protect the capital.

Prize Fight.

ST. LOUIS, April 16.—A brutal prize fight took place this afternoon at St. Clair, Missouri, between Arthur Flint, of St. Louis, and Hugh McManus, of Kansas City. The mill was for $1000 a side and a purse of $1000, skin gloves, to a finish, Marquis of Queensbury rules. Flint had decidedly the best of the fight, knocking McManus down nearly every round, until the 18th, when he received a tremendous blow on the jaw. After that he weakened, and in the 17th round he was knocked completely out. Both men were badly used up.

Not Sane.

NEW YORK, April 16.—Judge Barrett, in the supreme court today, decided against Miss Harriet Elizabeth Coffin, the eccentric young heiress who was recently the subject of proceedings *de lunatico thuirendo* before the sheriff's jury. The jury found Miss Coffin to be of sane mind. The matter came before Judge Barrett on a motion to confirm the finding of the sheriff's jury. Judge Barrett says the testimony taken before the sheriff's jury all went to show that Miss Coffin was of unsound mind.

Mark Twain Loses $10,000.

NEW YORK, April 16.—Mark Twain admits that he loses $10,000 on the American Exchange failure. Mark is riled at this, and describes Gilly as a supercilious, light-headed, crack-brained fool, upon whom is written "jackass."

British Grain Trade.

LONDON, April 16.—The *Mark Lane Express* in its review of the British grain trade during the past week, says: Deliveries of English wheat continue to fall off. As a result provincial markets have advanced 6d. Cals. Foreign wheat is firmer, and is quoted at Liverpool 1d per cent advance. Corn has risen 3d. The value of oats is maintained.

Opposition to Stanford.

SAN FRANCISCO, April 16.—The statement that Senator Stanford's name would be urged for the Presidency before the Republican State Convention of California, brought out large numbers of expressions from the papers of the coast. The *Chronicle*, in the leading editorial today, says there is a fatal objection to his candidacy. Although his private life and character are irreproachable, every offense that has been charged against the Central and Southern Pacific railroads, would be heaped upon his shoulders. It urges Stanford's friends to persuade him to abandon a course which can only lead to disappointment.

School Children Chloroformed.

FAIRBAULT, Minn., April 16.—The lodges, dormitories and private rooms of the Shattuck school were entered by burglars last night, the inmates chloroformed and $3000 worth of jewelry and money taken.

CASE OF BRIGHT'S DISEASE.

Complicated with Gravel. How Help came at last. A Lucky Woman.

I have long resolved that I would apprise you of the deep sense of obligation which I feel. There is nothing which I now enjoy that I do not owe to the happy chance of having used Dr. David Kennedy's Favorite Remedy at a time when I was suffering all that a human being could endure. My troubles began in my Kidneys over nine years ago and from which I never expected to recover. First there was increasing pains in the small of my back and in my loins. I was feverish with no appetite and no sleep. I was compelled to use a cane when I walked, and I finally got so weak that I could not stand alone. The distress in my back was terrible, I was burning up with a fever or constantly shivering as if cold. In a few months my physicans said I had Bright's disease, which was indeed alarming information. To add to my affliction after I had been ill about two years, I had a bad attack of gravel. When this made its appearance my physician gave up my case and I resigned myself to die. Up to this time I had four different doctors attend me, the best in the country, yet I constantly grew worse. Six years ago last June, how well I remember the day, I got a bottle of Dr. David Kennedy's Favorite Remedy of Rondout, N. Y., advertised in our paper. I purchased a bottle, paying the price of One Dollar, and used it faithfully. After using one bottle I threw away my cane and went to New York on a visit, and three bottles cured me, this was six years ago. I have never had a return of gravel, nor of the pains or weakness in the back, and though I am over sixty years of age I am now vigorous and strong as I was in my prime.—Mrs. Angeline F. Misner, Burg Hill, Ohio.

Avoid making a mistake, by remembering the name of medicine, Favorite Remedy. Price $1.00, made at Rondout, N. Y. Richardson Drug Co., St. Louis, Agents.
