COUNCILMEN PLAN AN EASY ESCAPE

By Delaying Action on Martin Resolution, Need for it Will Have Passed.

WANT STOCKADE INCLUDED.

West Side Property Owners Will Ask Council to Put Seal of Official Condemnation on the Walled City.

If the plans of the "American" members of the city council are carried out tonight, they will escape the embarrassment of going on record as to gambling. City Attorney H. J. Dinniny will deliver one of his celebrated opinions on the constitutionality of Councilman Martin's resolution to close the track and stop the pools. It will probably be referred to the municipal laws com-mittee and before any recommendations can be made, the racing meet will be

closed.

Martin's speech on the morals of horse Martin's speech on the morals of noise racing was actuated, it is declared by his colleagues, from remorse. He had lost considerable money, it is said, but since that time he has been more fortunate in picking the winners. There are several other councilmen who have been ardent betters on the races.

been ardent betters on the races.

An effort will be made tonight by the minority to force the thing to an issue. Most of them are in favor of making the resolution broader to include stud poker, which is being played in the rear of all saloons and in social clubs. A committee of citizens of the west side will said to the control of the said to the sai will ask tonight to have the closing of the stockade also incorporated in the resolution.

Dr. M. R. Stewart, who was given \$250 pin money to go east to a convention of health commissioners, is exthe pected back tonight. If he is present, the garbage situation will be discussed. It is hoped by the council which voted to give him the money that he will have some new ideas on the subject. While he has been gone, his department has been an a much better working. has been on a much better working basis and some of the complaints about garbage have been attended to.

The property owners who live within the limits of sidewalk extension 108 will probably be before the council tonight to protest against payment for defective walks. Some of the walks have been replaced, but the property owners are not satisfied with the work. The property owners in Fourth East between Tenth South and Cleveland avenue will protest tonight against the action of the council in refusing to ex-tend the water mains to that section. They say that the extension will pay 6

The first demand for damages on account of the high water will be made tonight by William Jones, who lives in the northwestern part of the city. He asks for a total of \$1,300 for damages to bis property. to his property.
