WEBER COUNTY FAIR OPENING

Exhibit Attended by Large
Crowds—Fine Fruit and
Art Showing.

CAR FAMINE HINDERS HARVEST

Slow Delivery of Beets May Necessitate
Temporary Closing of Sugar Fac-
tory, Started Today.

Ogden, Utah, Sept. 21.—The Weber county fair opened yesterday at the grounds on West Seventeenth street. During the afternoon a large crowd visited the exposition and witnessed some of the departments are very good while others are not up to the standard, and there are fewer exhibits than the management had expected, due no doubt to a lack of interest on the part of some of the business houses, in fact so discouraged was the management yesterday afternoon because of the few displays that they telephoned Salt Lake City, and interested several concerns there to prepare exhibits which were shipped here during the night and are being placed in the building today. The exhibits of fruits is very fine, also

SUGAR FACTORY RUNNING.

Car Famine Hinders Beet Harvest and Run May be Interrupted.

Ogden, Sept. 21.—The wheels of the Amalgamated Sugar company's Ogden factory were started to run this morning on the season's grind of sugar beets. Although notices have been out for a week, instructing the farmers to dig their beets in some parts of Weber and Boxelder counties, only about 500 tons of beets had been delivered up to last evening, which amount is not sufficient to run the factory for three days at full capacity, hence unless more beets come in during the next few days than has up to the present time the factory may have to close down again in less than a week for a day or so to give the farmers a chance to get sufficient beets in the sheds to keep the factory going. The difficulty with which they have had to contend mostly is their being unable to get cars in which to freight the beets to the factory. The railroads companies are short on cars and cannot get sufficient number to send out through the counties to gather up the beets, the freight traffic on the main lines being so heavy at the present time. The warm weather of the past few days will be a great benefit to the beet crop in ripening it up.

ROBERT B. PAINE CASE.

Difficulty in Securing a Jury—Special Verdict Called.

Ogden, Sept. 21.—Considerable difficulty is being experienced in securing a jury to try the case of J. D. Skeen against Robert B. Paine, for removal from office as city councilman. Part of Wednesday, all day Thursday and now today has been occupied in the task. Atty. Henderson for the defendant is using greater precaution in questioning the jury and in deciding on who to accept as jurors to hear the

case, than was exercised the other jurors drawn for the September term of court was exhausted yesterday and last evening Judge Howell had the following special venire drawn: Heber F. Burton, Harold J. Peery, A. B. Malan, W. W. Boyle, Lewis Zitzman, Clemence H. Martin, John H. Douglas, of Ogden; George W. Bramwell, Plain City; Ernest Nelson, Huntsville; Charles J. Buck, West Weber.

Each party to the suit had exercised three peremptory challenges up to adjourning court last evening, leaving two more peremptory challenges to be used on both sides. It is expected a jury will be sworn in some time this afternoon to decide the case. Atty. George Halverson is representing the prosecution in the action. They may get to the taking of testimony in the case this afternoon, but if they do not it will take perhaps the greater part of next week to complete the evidence.

CANNON-SHERMAN WEDDING.

A license to wed was granted by the county clerk to Miss Mary W. Sherman, 24, of Laramie, Neb., and Miss Rosamund B. Cannon, 24, of Ogden. The ceremony was performed yesterday afternoon at the home of the bride's parents, Mr. and Mrs. Frank J. Cannon, by Apostle David O. McKay, in the presence of relatives and a few friends. Miss Cannon is a charming young lady who has been a leader in Ogden society, and the groom is a prominent young business man of the east. They take with them the well wishes of a large circle of friends to their Nebraska home.

A marriage license was also granted to Perry T. Sessions, 24, and Miss Emily J. Hamblin, 21, both of Clearfield, Davis county. They were married at the county courthouse by District Judge Howell.

ITALIANS RUNCO ITALIAN.

Portland, Ore., Sept. 25.—Menocet Gubonco, an Italian gardener, was indicted by the Clatsop county grand jury on July 16 by two of the countrymen who induced him to take his money out of a local bank, and who managed to get their victim's confidence to such an extent that he permitted one of them to rent a safety deposit box and to place the money in the box for safe-keeping. Needless to say the money was not placed in the box but a long iron washers was substituted in its stead. The robbery was committed July 16, but particulars of the crime were not made public until today. The authorities are looking for the robbers.
