They have done this be-cause the true principles of democracy come nearer to their idea of correct that the defection in their ranks by a faction of anti-"Mormon" fauatics would seriously diminish its strength. Anyway this appears to be a political score. certainty: That the coterie of democertainty: That the colorie of demot cratic "mugwumps" would not this great country. Local self-governamount to a corporal's guard com- ment is a right dear to them in compared with the strength of the vote of mon with other citizens. Religious the "Mormons," who still have the right to wield the elective franchise, so far as any constitutional restriction is concerned. Besides, if the tender-footed faction were to see that the upon, they hold to be an inalienable Party with whose principles they had right. Taxation without representa-broken fealty would probably be the tion they declare to be oppression. broken fealty would probably be the victors in the impending contest, they would be likely to largely wheel into line. Politicians have a "strong weakness" toward a disposition to be on the winning side on the winning side. The quotation of the Hon. J. II. Hawley, and the young democracy of Boise is a happy one, as defining the end the servants, not the mas-ters of the people. Within the lines of the Democratic party they find these principles and therefore they desire to sustain it in every way that is lawful on the winning side. only true ground upon which the party and consistent. Bo long as that party remains true to itself it will be true to the "Mor-mons;" when it allows traitors and mons. can stand and be true to itself, its own theory and what should be the line of its practice. The test oath abominatricksters to influence it to the betrayal of the "Mormons," it will betray itself and deservedly lose its power. Recent indications and utterances of leading Democrats, intimate that the party is tion is a disgrace. Its recognition as a binding force would be a farce performed upon the face of the Goddess of Liberty. ble to perceive this and to see who are its friends, who are its enemies and where its real strength lies. The party The declaration of the intention to stand by the right, and to set the face will prevail by being true to its own in-tegrity and standing by its own princi-ples, uninfluenced by other considera-tions. One of those principles is the exclusion of religion from politics. against attempts to deprive the people of their political rights and smother free speech, is manly and frank. We do not doubt that these ringing senti-True democracy knows neither Cathoments, which are the scho of those ic nor Protestant, "Mormon" nor Methodist, Christian nor Pagan. "Is he a Democrat?" is the only creed with which the people in whose behalf Mr. Budge speaks are embued will be query ft puts concerning any man. backed by intelligent and unflinch-But the "Mormon" question has been ing action. We predict that the people dragged into the politics of Idaho to the almost fatal injury of the party. It will stand by them and delead them to was a trick of the Repub-the last ditch, if necessary, by word licans. "Polygamy" was one of the last ditch, if necessary, by word and action. Altogether the document has the tone in it, the sound of which delights every lover of liberty. In one special feature the letter, viewing it as a campaign paper, is a model document of its class. In this particular it would be well if the same tion against polygamy. But that pracgenius pervaded other exhibits of a tice now cuts no figure in the politics political character. There is through-out a refreshing freedom from bitter invective, personal denunciation, epiinvective, personal denunciation, epiinvective, personal denunciation, epi-thetic, expressions and spiteful vulgar-ities all of which are so disgrace-fully common in American political procedure. We containd that the ab-sence of those amenities that should sence of those amenities that should characterize the dealings of man with hold office. But the party that pretend to be so his fellows are as reprehensible when anxious to suppress polygainy and yet keep it prominent in politics, have ob-tained the passage of an infamous and unconstitutional law of the Territory introduced into the field of politics, as is any other phase of human affairs. Contests of every kind should be conducted to prevent, by means of a test oath the monogamous "Mormons" from votupon the principles of common decening. To encourage monogamy they ing. To encourage monogamy they disfranchise monogamists. To dis-courage a plurality of wives they take the voting and office holding power from the "Mormon" citizen who has but one wife. This is Republican con-sistency. And mark this: The much abused, ever maligned and always to be repudiated "Mormons," would be good enough for the Republicans, polygamy and all, if they would only cast their votes for Republican candi-datas. Their influence has been solic-ited by the Republicans time and time again. When polygamists had votes, cy and the conditions that good judgment and fairness suggest as those which should obtain in every polemic warlare. When Mr. Budge's example shall be largely followed in this particular it will be fair to infer that a pretty close approximation to the initlennium is at hand. At present, however, it is, politically speaking, in the dim vista of the future.]

HAVE IN MY POSSESSION,

Where Consultations are Free. Crooked Spine, Hip and Knee Diseates, Etc.

MONTPEDIER, Bear Lake Co., Idaho, May 2, 1884.

Dr. G. M. Freeman, Chief Surgeon of the Salt Lake Surgical In-ctituta. We desire to say that our little girl, now 13 years old, is cured of hip disease, from which she had suffered over two years, and during that time suffered severe pain, but since we put on your apparatus, she has had no pain at all, and I would recommed all

Persons suffering from such troubles to apply at your Institute for restment. MRS, MART A. SEVERN.

To Whom It May Concern: My daughter was afflicted with hip disense, and I can say that she has been very much benefitted by he treatment at the Sait Lake Surgreat Institute. MRS. MARIA CROMPTON.

SALT LAKE CITY, November 18th, 1883.

COTOTE, Utah, August 23rd, 1836. Dr. G. M. Freeman-Dear Sir: Dr. G. M. Freeman-Dear Sir: I write you in regard to apparatus. I do not think he meeds mother for his foot is as good as the other; no one can tell which was the bail foot who did net know the child. We have not taken the first brace of allogether; he toes ou a little more with that foot than the other, and as for bringing down the heel, it is down; he stands as flat on it as the other. I cannot say where another hrace would benefit him; I am satisfied he is sured with one brace and feel very thankful for the good you have done. settaily. Witt TAAM HAPPY

JAM HARDY.

We have lately seen a number of articles regarding De Lesseps' stapendous enterprise in trying to sever the neck of land which connects Central is nothing in it. Each is kept as sepa-rate and distinct from the other among with South America, by constructing across it his great projected ship canal, which cast serious doubt upon the feasibility of the great scheme. It is now said that the amount of excavating to be done is vastly greater than that stated in the prospectus of the enterprise, while a greater difficulty than this, which was not considered at all pelled to vote or abstain from voting. before work was actually begun, has

fully developed itself. We refer to the frightful mortality among the laborers on the canal. The climate is simply deadly to Europeans, and the workmen imported from France and other parts of Europe are dying, not simply by scores, that by thousands. Horrible accounts are

dying, not the ravages which disease is given of the ravages which disease is making among the laborers, the most fatal malady being yellow fever. De Leeseps does not admit himself daunted by even the dread for of pesdaunted by even the dread for of pes-tilence, and by exerting activity and energy that were simply remarkable, he intely raised in France a vast sum of money with which to push operations on the canal. He is inhoring to accomplish a work which

by the very Republicans who have been | vere shock here was four years ago the loudest to denounce them. sur. The whole anti-"Mormon" outcry is when the imassive building occupied by the London Bank was cracked and other edifices injured. a political dodge to defeat the democracy. It is so with the false charge of a "union of Church and State." There

Grant's Railroad Grant in Mexico Forfelted.

CITY OF MEXICO, 18,--The conces-sion granted to General Grant's South-ern Mexican Railway for waste lands in the States of Vera Gruz, Pueblo, Oaxaca and Chiapas, was to-day offi-cially declared forfeited. The railway rate and distinct from the other among the "Mormons" as the straightest democrat could desire. The Church alarm is empty sound. It should not even frighten children. The pretense that Utah ecclesiasticism forces poli-tical issues in Idaho is a specious fab-rication. There is no truth in it. Where is the man who has been com-palled to vote or obtain ssion had a long time since been concessio forfeited.

A Cyclone in Connecticut. to hold an office or vacate it, to do HARTFORD, Conn., 13 .- A cyclone to hold an office or vacate it, to do anything or refrain from doing any-thing by means of Church coercion? He cannot be produced. So with the charge of the use of Church money. I challenge our defamers to bring for-ward a man who has been bribed or offered a bribe by the "Mormon" Church. Let him be exhibited. Show us the political curiosity. Barnum would buy him for the greatest living wonder. He is nothing but a republi-can myth.

I have been suffering from Nasal Catarrh for some time, and have used medicines to no purpose. I went to see the Doctors of the Salt Lake Surgical Institute, and must say that I am more than pleased with their treatment, as they cured me in less than three months. W. R. GREEN. ano <u>۾</u> We have innumerable testimonials from patients we have oured of all kinds of Male and Female Diseases, which we have permission to show to interested paties but not to publish. We have also scores of testimonials from cases of Orippied and Deformed. 市 H HOME TREATMENT. Our treatment in most chronic cases can be used at home with safety and efficiency and to those who are unable to come to our office we would say: Write me a fail account of your symptoms, and the necessary treatment can be sent by express.
