"LABOR" IN POLITICS.

It is very easy to sucer at the "labor vote" polled for Henry George in the late New York e lection. It is asserted by some paper that the 67,000 ballots cast for the labor candidate were not representative of the working men of the country. It is assumed that they must sooner or later appear, as a nat were deposited by the roughs and that ural consequence. class whose suffrages are at the dis-

One of these is a million and a half. One of these is a

It is but just to Judge Zane to say more or less ephemeral; butthere is a that, so far as known, he took no part floating mass which refuses to get toin the prosecution of his alleged libelgether and be organized and in er, and that his course in performing which each individual votes for the only act by which it is probable the whoever and whatever pleases him prisoner could be released, was manly best; this body of free thinkers and and humane. Governor West has exunrestrained actors is known as Inercised executive clemency in this independents-uot as the Independent stance, we think, in a proper manparty, for there is ao party in it. They ner, and no one will object play fantastic tricks, too, sometimes, to the release of ithe humbled editor. as witness the following from the Boswho has a spark of good feeling or ton Herald: sense of mercy or justice. "The Independent voters do not ail

We regard Powers' action as an atbreak in the same direction. Each tack on the liberty of the press. Mr. one stops to think and uses his own best judgment in every case. Hemenway's style is perhaps a little fhus, in one district in California, a extreme. That fault, in our opinion is Republican was elected in place of a Democrat; in another district a exhibited as much in his apologies as in his assaults. But there was little in)emocrat in place of a Republican. In his articles that could be truthfully called libellous, and we do not believe that outside of an anti-" Mormon " Utah court he would have been convicted of any infraction of the law under which he was indicted. He has been much more libeled by

that would and of their insincerity, to call it by no It is said that Knights of Labor are harsher term. Those who are Anarchists. Anarchist we are told means no government, no law, no sincere and whose faith is unequity. Then the law-abiding and shaken, being not only unimpaired justice-loving must be called Archists. but strengthened by threatening clouds It must be inferred that Archy pre-and storms are yearning for opporand storms, are yearning for oppor-tunities to have their children kept in the straight lines marked out by the Gospel of the Redeemer. This increasof Utah, both formerly of hilnois, are ing disposition is an indication of that Archists. Walk through Chicago on Sunday and see the saloons, the desires to see diffused throughout the bagnios, the dance houses in full swing and ask yourself, is this Archy? Travel the great State of Illinois.and look for an educational institution worthy of the name, and you will search in vain. The Chicago Inter-Ocean of November 6th, says: "It is power and glory of Zion. If we understand aright the desire of becoming a disgrace to the State, that we have no college, no university worthy of the name." Is this Archy?

the leading authorities of the Church on this subject, it is that there should be a leaning throughout the community toward the establishment of such educational institutions as that inaugurated at the Social Hall on Monday.

THE INDEPENDENTS.

gress to give arbitrary power to a few persons in Utah. Was that Archy? Congress has not arbitrary power to give, unless indeed it descends to an-archy. Hear what the Inter-Ocean November 15th. It is the initiatory step toward the introduction of a new says of the pretensions of Knights of educational era in the Salt Lake Stake, Labor. In to-day's issue it says: whose ecclesiastical authorities are in "Shade of Washington, can this be the grand old Republic where, for the first time active sympathy and connection with

in the history of the world, man had the right to life, liberty, property, and the pur-suit of happiness—the right to make the laws he was bound to obey, and worship God as he pleased? 'It is Greece, but living Greece ho more '." Greece no more.' Let those citizens of Illinois who now hold power in Utah and Idaho

read these lines and ask if they are not aud efficient educators to be found at the political jobs and steals of New York, Chicago and other oities and ask if it is Archy. The word alderman has become synonymous with thief, and aldermen are all Archists. It is only by finding out what Archy means, that we can understand Anarchy.

It is only a few months ago since the

editor of the Inter-Ocean wanted Con-

THE issues upon which the Republi-THE UNITED LABOR

has developed a strength surprising even to its leaders. It will disrupt the two old parties in Cook Co. at the next election. In fact all indications go to show that the future parties are to be Capital and Labor. Capital is so blind to its own interests, and so ignorpeople which evolved them, and when ant of its duties and obligations that it is helping labor agitators at every turn. Unly a few days ago an innocent man was shot by armed men emmission and their opponents were left ployed by Capital. These men are out bail. Who bailed them? Capitalists of course. The bails were
