THE NEWS.
The news of the day is full of interest and importance. The people of the State are deeply concerned with the progress of the war and the condition of the country. The news of the day is full of interest and importance.

JORDAN AND ELLIS LOCK.

The most interesting feature of the Jordan and Ellis Lock is the fact that it is the first of its kind in the State. It is a large and important work, and its completion will be a great benefit to the people of the State. The lock is located on the Jordan River, and it will allow the water to flow freely from the river to the lake. This will be a great benefit to the people of the State, as it will allow them to use the water for irrigation and other purposes.

CARP IS A SUNSHINE.

There was a complaint in the State of the other day, charging a very serious offense against every citizen. The complaint was that the State was not doing enough to protect the people from the sun. The State was accused of being a "sunshine" and of not doing enough to protect the people from the sun. The State was accused of being a "sunshine" and of not doing enough to protect the people from the sun.
