

A humorist, who had a hard time of it, says: "When a man begins to go down hill he finds everything greased for the occasion." Probably Mr. Pierce thinks he is just about right.

A Washington woman who was acquitted of murder on the grounds of insanity, some time ago, has just married her lawyer. There is undoubtedly insanity somewhere in the crowd.

The total force of police and constabulary in England and Wales is, according to the recently published "Judicial Statistics," 33,173, being a larger number by 1,141 than in 1880-'81.

Spiritualism is making rapid progress in France, if the number of journals and periodicals devoted to the subject is an indication. There are seven or eight papers published in Paris and many minor publications on spiritualism.

Recently some valuable experiments in photographing the larynx and soft palate at the instant of singing have been made. A powerful electric light was thrown into the throat, the subject then sang a note, and the actual position of the vocal ligaments, uvula, etc., was photographed instantaneously. The next thing in order is to photograph the note.

How He Doubled His Trade.

Mr. Benj. W. Paton, pharmacist, Globe Village, Mass., says that the miraculous pain-cure, St. Jacobs Oil, has greatly helped his other business, and the sales of the remedy have doubled in one month. He keeps a large supply always on hand. Officers of the Army and Navy pronounce St. Jacobs Oil, to be the greatest pain-cure of the age.

Ayer's Cherry Pectoral wonderfully increases the power and flexibility of the voice, enabling public speakers to speak clearly and without fatigue. If people who are troubled with colds would take Ayer's Cherry Pectoral before going to church or places of entertainment, they would avoid coughing, greatly to the comfort of both hearers and speakers.

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.
"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me."
HORACE FAIRBROTHER.
Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.
"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,
MRS. EMMA GEDNEY.
159 West 126th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried."
A. J. CRANE.
Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL."
JOSEPH WALDEN.
Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles."
F. BRADON.
Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.
