CLOSE OF FIRST DAY'S SESSION.

Sunday School Convention has an Interesting Time.

IMPORTANT BUSINESS DONE

Instructions to Teachers—George Reynolds in the General Superintendent—Answers to Questions.

Monday evening's session, of the Sunday school convention began at 7 o'clock. For the strength of the hills we bless thee. This was the opening hymn. Elder James A. Ure offered prayer.

Elder Joseph Ballantyne conducted the song service, and practice on the following hymns: "Far, far away, on Judea's plains," "God is Love" and "The Sabbath Day."

"Literature for the Sunday School" was the theme of Elder L. John Nuttall's brief address. The Deseret Sunday School Union had been engaged for some years past in preparing suitable literature to aid the Sunday school workers in making Latter-day Saints of our children. That there may be uniformity in text books throughout all the schools of the Church, the Sunday School Board recommends as text books, the four standard works of the Church, namely, the Bible, the Book of Mormon, Doctrine and Covenants and Pearl of Great Price, and as useful helps the following works: Articles of Faith by Talmage, Story of the Book of Mormon by Reynolds, Life of the Prophet Joseph Smith by George Q. Cannon, the Faith Promoting Series, published by the Sunday School Union, and the various Leaflet and other lesson helps. The Juvenile Instructor, as the organ of the Church Sunday schools, and the Sunday School Treatise should be in the hands of every Sabbath school worker. The Sunday school literature published by the religious societies of the world is not suited to the use of Latter-day Saint schools. Much of it is pernicious and hurtful and should find no place in the Sabbath schools of the Saints.

Elder D. O. Mackey followed with an instructive address on "Marching as a Sunday School Exercise." Marching aids in systematizing the school work, economizes time, promotes order, and inculcates prompt obedience, and the speaker urged greater attention to this feature of the Sunday school work, particularly among the older members and teachers. He also pointed out the importance of using only the best literature in the school, and the importance of using only the best literature in the school, and the importance of using only the best literature in the school.

RARE ART EXHIBITION.

Ladies' Literary Club Wants to Furnish Model School Room.

The home and education section of the Ladies' Literary club held a meeting yesterday afternoon, at which it was decided to procure for Salt Lake the most ambitious art exhibit ever displayed here. The feature that will do most to make it the rare exhibition that it will be is the 1100 engraved drawings from the hands of masters in this field of art, whose work was done for the Century and St. Nicholas magazines. These drawings are handsome, mounted, and to be shown in these there will be exhibited the best photographs and casts that can be obtained. As it is necessary to ascertain the exact date of the exhibit is not yet fixed, but it will be early in December.

The main purpose of the ladies in promoting this exhibit is to raise funds for furnishing and equipping a model school room for this city; hence the primary object of this undertaking is educational.

The schools will spend one day each with the pictures, and that school which sells the largest number of tickets in proportion to the number of children will get the model school. The pictures will be on exhibition for several weeks.

Was a Member of the Second U. S. V. Regiment of Engineers.

[SPECIAL TO THE "NEWS"]
Los Angeles, Cal., Nov. 13.—Joseph E. Hall, late of Salt Lake City, member of the Second U. S. Volunteer engineer regiment in the Spanish war, died at Pasadena, Sunday night, of disease much aggravated if not caused by military service. He was in his twenty-sixth year. His grandfather was E. H. Hood, who earned fame as one of the editors of the Springfield Republican during the Civil war. Capt. Alfred, of the Twentieth Kansas, who fell in battle of Calocan, Philippine islands, was a cousin of William Hood, chief engineer of the P. & O. Co., his uncle as also Forest Hood, of this city, and Judge H. C. Dillon, of Long Beach. His father, L. E. Hall, is a prominent citizen of Salt Lake, where his family reside. A devoted mother accompanied him here and nursed him to the last. He was a young man of great promise and had distinguished himself in scientific studies and pursuits.

How to Treat a Troublesome Corn.

To remove a troublesome corn or bunion: First soak the corn or bunion in warm water to soften it, then pare it down as closely as possible without drawing blood. Then rub the corn with Pain Balm twice daily; rubbing vigorously for five minutes at each application. A corn plaster should be worn for a few days, to protect it from the shoe. As a preventive of corns, sprains, bruises, lameness and rheumatism, Pain Balm is unequalled.

For Over Fifty Years

Mrs. Wheeler's Sorefoot Lotion has been used for over fifty years. It cures the corn, softens the skin, cures warts, and is the best remedy for blisters. 25 cents a bottle.

CHRISTMAS "NEWS."

The Christmas edition of the "News" will this year be printed on December 15th, 1900. It will be the most elaborate compilation of the resources and attractions of Utah yet issued.

It will commemorate the proposed union of Salt Lake and Los Angeles by rail, and will contain many special illustrations and articles relating to the great capital of southern California as well as the route proposed to be traversed by the new railroad.

It will have the largest circulation of any paper ever printed in Utah, a great part of it being distributed in and around the city of Los Angeles.

Special attractive articles will be prepared by a corps of selected writers, and leading men of the community will contribute articles on topics of the day.

The date on which the holiday number will appear (December 15th) renders it of especial value to the local advertiser who wishes to reach the Christmas trade. Its wide circulation outside of the State and in lower California especially, will make it an invaluable medium for the general advertiser and for the State at large.

Dealers and agents of the "News" are requested to send in their advertising orders at once. Advertisers who apply earliest will receive the best positions.

The successful Christmas carol will be rendered by the church choir on Sunday, December 10, 1900.

CHRISTMAS CAROL.

When Christ was born in Bethlehem, 'T was night, but seemed the noon of day;

The stars, whose light was pure and bright, Shone with unwavering ray;

But one, one glorious and rare, Guided the Eastern Magi from afar.

Then peace was spread throughout the land, The lion fed beside the tender lamb; And with the kid, and to pasture led, The spotted leopard fed.

In peace, one glorious and rare, The wolf and lamb reposed together there.

As shepherds watch their flocks by night, An angel, brighter than the sun's own light, Appeared in air, And gently said, Fear not,—be not afraid, For lo! beneath your eyes, Earth has become a smiling paradise.

Contentants for the carol may use their own taste and discretion in the selection of the above words, omitting or repeating at their pleasure.

concert recitation of the Articles of Faith of the Church of Jesus Christ of Latter-day Saints. The response was very general.

"Parting hymn," was sung by the congregation, the benediction was offered by Elder John W. Taylor, and the meeting adjourned until 9:30 Tuesday morning.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known village blacksmith at Grahamville, Sullivan Co., N. Y., says: "Our little son, five years old, has always been subject to croup, and so had the attacks that have been so many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled. There is no danger in giving this remedy, for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult."
