FRAGMENTS.

Votes on Tuesday, for Hon. John T. Cairne.

This election on Tuesday next is now the all-absorbing topic.

Judge Powers' wife and child will arrive from the east this evening.

The Quorum of Seventies will meet in the First Ward next Monday evening.

The Y. M. M. I. A. of the Salt Lake Stake will hold a conference on Monday next, commencing at 10 a. m.

O'Brien will have a big time on Monday afternoon, at the laying of the corner stone of the new Union Depot.

Bailey & Sons of this city are doing quite a business in shipping out lucers seed to distant markets. They are loading three cars today.

The funeral of Frank E. Frost will be held tomorrow afternoon at 2 o'clock, at the residence of his mother No. 261 e., First South Street.

PEOPLE'S PARTY voters, read the address of the Territorial Central Committee published today, and see the imperative necessity of casting your ballots for Hon. John T. Cairne on Tuesday.

B. G. Fox, George Graham, Eph. Kelly and Henry Lloyd were brought into the Police Court today for having been drunk. Lloyd's case was more aggravated than that of the others, and he was fined \$10. The others were assessed \$5 each.

COALTY & SKEGGOVIE, the rustling music dealers, are in receipt of new and choice music as fast as it is issued. Among the latest pieces they have are Casely's Song, "Little Darling, are you a Stranger?" "Princess Katie Gavotte," and "That Melody Divine."

The ward authorities are requested to call attention to the Sabbath Schools and Ward meetings, to the mutual improvement Association Conference on Monday. Three meetings will be held, at 10 a. m. and 2 and 7:30 p. m. All are invited.

The hoisting works at the Storm King mine, Silver Reef, were destroyed by fire on Tuesday last. The blaze commenced on the 250-foot level, near the shaft, with which it connected, and ignited the timbers above. The loss is quite heavy, though the exact figures have not yet been ascertained.

A VERY pleasant sociable was held in the Fifth Ward meeting-house last evening, where a considerable number of the friends of Elder Jesse West, Jr., had assembled to bid him good bye prior to his departure on a mission to the Southern States. The evening was spent in singing, recitations, dancing, etc.

Mrs. Van B. Delashmut, wife of the mayor of Portland, Oregon, is visiting for a few days with Mr. and Mrs. Isadore Morris, of this city. The lady has lately been cast to arrange for sending one of her children to Wellesley College and another to Leipzig, Germany. Miss Mamie Morris, daughter of Mr. and Mrs. Morris, will go to Portland with Mrs. Delashmut.

PROF. C. NORMAN's canine exhibition was given in the Theatre this afternoon. The building was literally jammed, many grow up people being among the number. The show is a very fine one, especially for the little ones, and the older folk, too, were highly delighted at the great variety of tricks performed and intelligence exhibited by the dogs trained by Prof. Norris.

A Send Off.

A social entertainment will be given in the Twentieth Ward Hall on Monday evening, Nov. 6th, at 8 o'clock, in honor of Brothers O. D. Romney and Charles Locander, who are about to leave on foreign missions. All the friends of the above named gentlemen are invited to attend. A fine programme has been prepared. Some of the leading talent of the city will appear. Refreshments will be served, and a good time is expected.

Election Bulletins.

In order to keep the people posted regarding the progress of the most momentous election that has ever taken place in this Republic, a bulletin board will be placed in front of the News Office on Tuesday evening and kept to a late hour of that night. On it will be inscribed the latest information from the States as soon as it is received. Election news from Idaho will also be bulletined in the same way.

Child Drowned.

Last Sunday an eighteen months old son of Lawrence and Alice Dastrop, of Salina, Richfield County, was accidentally drowned. The child was playing in the water near the residence of the family, when he was seized by a wave and he was unable to get out. He was found floating in the water, and was brought to the shore by a neighbor. He was taken to the hospital, but he died before he could be revived.

The second term of the present academic year of the University of Deseret will open on the 12th inst. A full line of winter course studies, for the benefit of the students, is being provided, in addition to the regular curriculum. See notice in this issue.

POLITICS IN IDAHO.

Prosecuting Persons who have Withdrawn from the Church.

Pocatello, Idaho, Nov. 2. (Special to the DESERET NEWS.)—The political situation in Idaho is decidedly unique, so far at least as the "Mormon" population in the Territory is concerned.

The infamous test oath, which has worked so successfully heretofore in preventing the "Mormon" element from exercising the rights of franchise, is now being wrestled with in a spirit of determination and even desperation.

Your readers are already aware that the late ruling of Judge Berry forbids every eligible voter belonging to the Mormon Church from voting. Therefore, if the "Mormons" would enjoy their civil rights, there remains but one thing for them to do, as it is said, namely: to withdraw from membership in their Church.

From what I can learn, quite a number of "Mormon" voters have

SACRIFICED FELLOWSHIP

in their church, rather than remain longer the victims of outrage and injury. This move, as is might have been expected, aroused the anti-

"Mormons" to a pitch of desperation, and every available means known to political trickery is being devised, and will be executed, to exclude the ex-

"Mormons" from the polls.

The registers in Franklin, Preston and McAdams have refused to register the ex-"Mormons" and have put their names on the rejected list. The intention, so far as known, is in the before mentioned places is to prosecute the registers, as violating the law, for refusing to do their duty. On the other hand the anti-"Mormon" faction has already arrested eight ex-"Mormon" voters who have registered, on the ground of perjury, from Salina, Richfield and Burton. War-rants are out for some

THIRTY-TWO OTHERS.

These men are free from the Church and prepared to meet the issue. They are now in Blackfoot jail awaiting a hearing, which will come off tomorrow.

Your correspondent overheard, a gentleman, a witness, state, that Bennett, the notorious anti-Mormon, offered to let these men off provided they would promise not to vote. It is evidently a clear case of intimidation. The political fever hereabouts is high and seemingly there is no trouble to find candidates for paying offices.

Among those arrested are George Briggs, H. B. Simons, W. D. Wilkes, James Wats, James M. Cook, D. C. Waldron and William Westover.

PRIESTHOOD MEETING.

A Synopsis of the Proceedings.

The Priesthood meeting held in the Assembly Hall today was largely attended, all the wards of the Stake being represented by their presiding officers with the exception of the Eighth Ward of the city, and Sugar House, Big Cottonwood and Bluff Lake, of the country.

Ten quorums of Elders were properly represented, as were also officers of the Lesser Priesthood belonging to the Eleventh and Sixteenth wards of this city, and Sugar House, Mill Creek, Big Cottonwood, Grants, North Jordan, Brighton and Hunter.

Seventeen young brethren were recommended to be ordained Elders, and the meeting endorsed the ordination of twelve more that had been ordained during the last two months, some of whom had departed on missions.

As is the usual custom all of the brethren were interrogated with regard to honoring their positions in the Priesthood before their ordination to the office of Elder was authorized.

It having been reported in the meeting that some brethren did not attend their quorum meetings as faithfully as they should after being ordained Elders, while others were absent from their quorums, the question was put to the brethren, if they had such members particularly the absentees.

Prest. Angus M. Cannon said: Where men, you or old, are indifferent with regard to their calling in the Priesthood, Teachers should be sent to labor kindly with delinquents, and if they fail to make an impression upon them or get them to sense their position, proper charges against them to their Bishops, and let them be dealt with as they will not then repent and as serious things to make promises here or with each other and then turn around and ignore them. A man who breaks his covenants and degrades his priesthood is not worthy the name that he bears, no matter what his position may be. Labor faithfully with the erring and when we have exhausted all the power proper to be given us to reclaim them, let the law governing such cases take its course. Covenants made here cannot be violated with impunity.

There is another subject that should not be lost sight of, that is that every man be bonded in his position, no matter what his calling may be. Any Elder that is delinquent in his duties is responsible, and if the presidents of quorums are as wide awake as they should be they will call these transgressors to account in the manner provided. If any member of a quorum transgresses in any of the above mentioned ways, let him be called to account three times, and is remiss in his duties in other directions, ascertain the cause, as I have stated, and act as a case justifies.

A word concerning recommends to the houses of the Lord. Let every Bishop see to it that the brethren's names be prefixed by the ward Elder in every instance. Keep this in view always. I again ask you, as I have on other occasions, when recommending men to be ordained Elders, state what office they hold in the Lesser Priesthood, for, as a rule, brethren are not prepared to officiate as Elders until they have magnified the Aaronic Priesthood and given evidence of their worthiness to be promoted.

Bishop John R. Winder exhorted the brethren to be faithful in discharging every duty required at their hands. The meeting then adjourned for one week.

Forcing the Law.

H. J. Christiansen, of Ogden, was before the commissioner on Wednesday on the charge of unlawful cohabitation, and bound over to await the action of the grand jury. The defendant pleaded guilty to the charge, but has corresponded with the alleged seductress, which was sustained by his honor as cohabitation.

To-day O. N. Liljenquist had an investigation of the same charge, and the case was dismissed for the lack of evidence. An agreement had been made years ago between the man and his wives to live according to the law, and this agreement had been strictly adhered to.

Hans J. Nielsen, of Logan, was also arrested Wednesday night and brought before the Commissioner next day on the charge of unlawful cohabitation. He has been away for over two years, and is now about nine or ten years ago, at Salt Lake City. Mr. Nielsen went on a mission some two years ago, but had been away for some time previous to that; she had a son of her own, but had lived with his first wife until he was a few years old, and had made an agreement with defendant about three years ago to keep the law. Mr. Nielsen was bound over to await the action of the grand jury.

Peter Nielsen, of Logan, was arrested on Thursday night on a charge of unlawful cohabitation. He was placed under bonds to appear for the preliminary examination.

University.

The second term of the present academic year of the University of Deseret will open on the 12th inst. A full line of winter course studies, for the benefit of the students, is being provided, in addition to the regular curriculum. See notice in this issue.

ADDRESS TO THE PEOPLE.

The People's Party to Come to the Front in Solid Phalanx.

NO DIVISION ON NATIONAL ISSUES.

But the Party Remains Intact for the Triumph of Local Self-Government.

HEADQUARTERS TERRITORIAL CENTRAL COMMITTEE OF THE PEOPLE'S PARTY.

SALT LAKE CITY, October, 1899.

To the County Committees of the People's Party:

Gentlemen—As the time is approaching for the election of a Delegate to Congress, we deem it wise and proper to address you briefly on the political situation in this Territory.

The People's Party stands upon the platform of principles which has sustained it heretofore. They are founded in the fundamental truths that underlie our national system. They are

IMPRESCRIPTIBLE AND INDESTRUCTIBLE.

We see no reason to turn from them or to make any change in the character or name of the organization which has successfully maintained them for many years. The People's Party is intact, and should be preserved in its integrity and its principles.

We have no desire to obtain their full rights and privileges as American citizens. There is ample room upon the platform for every citizen of Utah who venerates the constitution of our country and is willing to obey the laws made in pursuance thereof, and who desires the triumph of local self government, no matter what may be his religious or political opinions.

There is no need for any voter who wishes for the welfare of the Territory to separate himself from the People's Party in order to work for national purposes. Indeed such a course

WOULD BE DETRIMENTAL.

To local interests we will not accomplish nothing in the broader political arena.

In past contests our strength has been in our unity. We have not been conquered because we would not be. We have not been divided because we have not divided. We have not been defeated because we have not been defeated.

We are not a party of division. We are a party of unity. We are a party of the people. We are a party of the future. We are a party of the present. We are a party of the past. We are a party of the future. We are a party of the present. We are a party of the past.
