

YOKOHAMA THE SCENE OF BIG RIOT

Mob Numbering Thousands Attacks Police Stations, Customs Officials' Residences, etc.

TROOPS HURRIED FROM TOKIO.

Governor and Mayor Issue Proclamations—Soldiers Guarding Consulates.

Tokio, Sept. 13, 10 a. m.—Advices from Yokohama say that a riot occurred there shortly after midnight Tuesday night. The mob was divided into two bodies numbering about 5,500, mostly sailors, boatmen and oarsmen. Most police boxes were demolished and burned.

The mob directed its attack against three objects. The police stations, the residences of the customs officials and the large commercial houses.

Four hundred troops were sent from Tokio on a special train a little before noon. The soldiers are now guarding the consulates, the warehouses containing explosives and the oil tanks.

The governor of the prefecture and the mayor of Yokohama have issued proclamations insisting that the people place confidence in the ability of the authorities to restore order.

Four hundred Russian prisoners of war from Karafuto, who were staying at the different hotels, have been placed under a special guard.

Tokio, Sept. 13, 10 a. m.—The Mainichi this morning in its leader resents the statement of the Kokumin, a government organ, in regard to the burning of churches in Tokio during the riot. The castigating of the police were three severely wounded and 37 slightly injured. Ninety-eight of the mob are under arrest.

The mob set fire to the police boxes by soaking hats in oil, firing them and throwing them at the objects of attack. One hat has apparently been restored.

THEIR GUARD CONSULATES.

Yokohama, Sept. 13, 6 p. m.—Troops are now guarding the foreign consulates, churches, convents and hotels, and cavalry are patrolling the streets. One hundred and ninety arrests had been made up to noon. It is understood that the riot was instigated by agitators from the Chinese. Inflammatory placards were posted in the slums Tuesday and were torn down by the police.

The mob used many short iron bars and had Japanese ready, showing that there was some objection. It had threatened to burn all the police boxes tonight, which threat had been fore-stopped by the precautions of the troops.

The city is now quiet.

PROTEST AGAINST PEACE TERMS.

Yokohama, Sept. 13. The meeting held at a theater yesterday to protest against the terms of the peace treaty was followed by an anti-peace demonstration. Some 200000 persons participated. 27 persons injured and two civilians severely hurt. Many arrests were made.

The police say that the meeting was the private speculation of a professional agitator who charged an additional fee. The crowd that the said popular speaker was unauthorized, according to the police and disappointed audience denounced the sultan and demanded the return of their money. The trouble finally developed into rowdyism outside the theater.

A. J. Rocklock this morning two companies of troops from Tokio arrived. They have been posted as guards at all the consulates and other important points and quiet has been restored.

EVERYBODY INDIGNANT.

Tokio, Sept. 14, 1 p. m.—In spite of the strong disavowal of indignation received all over the world, the powers wrangled with Russia, typical business men here are following a wise course, without repining over an accomplished fact. An important organization, representing 81 leading business interests, has been formed under the leadership of Mr. Tsvetkov, a millionaire which aims to work for the development of home industries and foreign trade with redbrown energy. A significant feature of the organization is that it consists of a wealthy and conservative element, representing an enormous combination of capital. Its interests in Korea will be principally directed toward the exploitation of trade with Korea and China.

The organization is prepared to operate in this direction with foreign capitals.

RUSSO-JAPANESE ARMISTICE PROTOCOL.

London, Sept. 13, 8:25 p. m.—The Japanese representative in London gave out the text of the Russo-Japanese armistice protocol as follows:

"A certain distance as a zone of demarcation shall be fixed between the zones of the armies of the two powers in Manchuria as well as in the region of Tumen river, Korea."

"A. J. Rocklock, one of the negotiators, shall not bombard territory belonging to or occupied by the other."

"Martling captures will not be suspended by the armistice."

"During the term of the armistice new reinforcements shall not be dispatched to the theater of war. Those which are already in the way will be sent back north of Mukden on the part of Japan, or south of Harbin on the part of Russia."

"The commanders of the armies and heads of the two powers shall determine in common accord the conditions of the armistice in conformity with the provisions above enumerated."

"The two governments shall order the conclusion immediately after the signing of the treaty of peace to put the protocol into execution."

The protocol was signed by M. Witte, Baron Bowen, Baron Komura and M. Takemoto.

THANKFUL PEOPLE.

They Are Found in Every Part of Salt Lake City.

Many citizens of Salt Lake City have good reason to be thankful for burdens lifted from aching backs, which they bore patiently for years. Scores tell about their experience publicly. Here's a case of it:

Wm. Cheshire, plasterer, of 140 West Sixth South, says: "Some three years ago I noticed a slight pain in the small of my back, just over the kidneys. I could assign no cause for its appearance, but as time passed it grew more severe, and finally ended in attacks, until about twelve months ago other symptoms of acute kidney trouble were quite evident. I tried remedy after remedy, all of them well advertised and standard preparations for kidney trouble, but the relief I longed for never came. It struck me one day while reading about Doan's Kidney Pills that they performed well, so I consulted the physician, at least half and I went to the F. J. Hill Drug Co.'s store for a box. Three boxes brought such great benefit that I am pleased to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's, and take no other.

German government had refused to grant an exequatur to J. Martin Miller, whom President Roosevelt appointed consul at Aix la Chappelle. The dispatch says that nothing is known to the effect of German reticence regarding the appointment. Information made by Mr. Miller in his former capacity as a newspaper writer. The simple state of the case, the dispatch adds, is that no decision in the ordinary course of business regime had yet been reached regarding Mr. Miller.

Washington, Sept. 13, 10 a. m.—The German government has granted an exequatur to Mr. Miller he had appointed consul general to Auckland, New Zealand, and that Consul General Dillingham, at Auckland, had been appointed to the post at Aix la Chappelle.

NO ANTI-FOREIGN SENTIMENT EXISTS IN JAPAN

Tokio, Sept. 14, 11 a. m.—The Mainichi this morning in its leader resents the statement of the Kokumin, a government organ, in regard to the burning of churches in Tokio during the riot. The castigating of the police were three severely wounded and 37 slightly injured. Ninety-eight of the mob are under arrest.

There is no trace of an anti-foreign or anti-Christian sentiment, as entertained by the Boxers, exists even in the remotes corner of the empire. Had a recent letter from the Boxers been published, it would have stirred up much interest, showing why were the Boxers not attacked at the Imperial hotel next door to the minister's residence which was the object of repeated attack during the rioting? There was no attempt at violence toward the guests of the hotel who were permitted to quietly observe the disturbance from the terrace. A slight injury suffered by an American woman occurred in a street crowded with excited people and it was quite accidental.
